section, any financial assistance made available to that family by the applicable Secretary shall be prorated, based on the number of individuals in the family for whom eligibility has been affirmatively established under the program of financial assistance and under this section, as compared with the total number of individuals who are members of the family.

(c) Preservation of families; students

(1) If, following completion of the applicable hearing process, financial assistance for any individual receiving such assistance on February 5, 1988, is to be terminated, the public housing agency or other local governmental entity involved (in the case of public housing or assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f]) or the applicable Secretary (in the case of any other financial assistance) shall take one of the following actions:

(A) Permit the continued provision of financial assistance, if necessary to avoid the division of a family in which the head of household or spouse is a citizen of the United States, a national of the United States, or an alien resident of the United States described in any of paragraphs (1) through (6) of subsection (a) of this section. For purposes of this paragraph, the term “family” means a head of household, any spouse, any parents of the head of household, any parents of the spouse, and any children of the head of household or spouse. Financial assistance continued under this subparagraph for a family may be provided only on a prorated basis, under which the amount of financial assistance is based on the percentage of the total number of members of the family that are eligible for that assistance under the program of financial assistance and under this section.

(B)(i) Defer the termination of financial assistance, if necessary to permit the orderly transition of the individual and any family members involved to other affordable housing.

(ii) Except as provided in clause (iii), any deferral under this subparagraph shall be for a 6-month period and may be renewed by the public housing agency or other entity involved for an aggregate period of 18-months. At the beginning of each deferral period, the public housing agency or other entity involved shall inform the individual and family members of their ineligibility for financial assistance and offer them other assistance in finding other affordable housing.

(iii) The time period described in clause (ii) shall not apply in the case of a refugee under section 1157 of title 8 or an individual seeking asylum under section 1158 of title 8.

(2) Notwithstanding any other provision of law, the applicable Secretary may not make financial assistance available for the benefit of—

(i) has a residence in a foreign country that such alien has no intention of abandoning;

(ii) is a bona fide student qualified to pursue a full course of study; and

(iii) is admitted to the United States temporarily and solely for purposes of pursuing such a course of study at an established in-

stitution of learning or other recognized place of study in the United States, particularly designated by such alien and approved by the Attorney General after consultation with the Department of Education of the United States, which institution or place of study shall have agreed to report to the Attorney General the termination of attendance of each nonimmigrant student (and if any such institution of learning or place of study fails to make such reports promptly the approval shall be withdrawn); and

(d) Conditions for provision of financial assistance for individuals

The following conditions apply with respect to financial assistance being or to be provided for the benefit of an individual:

(1)(A) There must be a declaration in writing by the individual (or, in the case of an individual who is a child, by another on the individual's behalf), under penalty of perjury, stating whether or not the individual is a citizen or national of the United States, and, if that individual is not a citizen or national of the United States, that the individual is in a satisfactory immigration status. If the declaration states that the individual is not a citizen or national of the United States and that the individual is younger than 62 years of age, the declaration shall be verified by the Immigration and Naturalization Service. If the declaration states that the individual is a citizen or national of the United States, the applicable Secretary, or the agency administering assistance covered by this section, may request verification of the declaration by requiring presentation of documentation that the applicable Secretary considers appropriate, including a United States passport, resident alien card, alien registration card, social security card, or other documentation.

(B) In this subsection, the term “satisfactory immigration status” means an immigration status which does not make the individual ineligible for financial assistance.

(2) If such an individual is not a citizen or national of the United States, is not 62 years of age or older, and is receiving financial assistance on September 30, 1996, or applying for financial assistance on or after September 30, 1996, there must be presented either—

(A) alien registration documentation or other proof of immigration registration from the Immigration and Naturalization Service that contains the individual's alien admission number or alien file number (or numbers if the individual has more than one number), or

(B) such other documents as the applicable Secretary determines constitutes reasonable evidence indicating a satisfactory immigration status.

In the case of an individual applying for financial assistance on or after September 30, 1996, the applicable Secretary may not provide any

such assistance for the benefit of that individual before documentation is presented and verified under paragraph (3) or (4).

(3) If the documentation described in paragraph (2)(A) is presented, the applicable Secretary shall utilize the individual's alien file or alien admission number to verify with the Immigration and Naturalization Service the individual's immigration status through an automated or other system (designated by the Service for use with States) that—

(A) utilizes the individual's name, file number, admission number, or other means permitting efficient verification, and

(B) protects the individual's privacy to the maximum degree possible.

(4) In the case of such an individual who is not a citizen or national of the United States, is not 62 years of age or older, and is receiving financial assistance on September 30, 1996, or applying for financial assistance on or after September 30, 1996, if, at the time of application or recertification for financial assistance, the statement described in paragraph (1) is submitted but the documentation required under paragraph (2) is not presented or if the documentation required under paragraph (2)(A) is presented but such documentation is not verified under paragraph (3)—

(A) the applicable Secretary—

(i) shall provide a reasonable opportunity, not to exceed 30 days, to submit to the applicable Secretary evidence indicating a satisfactory immigration status, or to appeal to the Immigration and Naturalization Service the verification determination of the Immigration and Naturalization Service under paragraph (3),

(ii) in the case of any individual receiving assistance on September 30, 1996, may not delay, deny, reduce, or terminate the eligibility of that individual for financial assistance on the basis of the immigration status of that individual until the expiration of that 30-day period; and

(iii) in the case of any individual applying for financial assistance on or after September 30, 1996, may not deny the application for such assistance on the basis of the immigration status of that individual until the expiration of that 30-day period; and

(B) if any documents or additional information are submitted as evidence under subparagraph (A), or if appeal is made to the Immigration and Naturalization Service with respect to the verification determination of the Service under paragraph (3)—

(i) the applicable Secretary shall transmit to the Immigration and Naturalization Service photostatic or other similar copies of such documents or additional information for official verification,

(ii) pending such verification or appeal, the applicable Secretary may not—

(I) in the case of any individual receiving assistance on September 30, 1996, delay, deny, reduce, or terminate the eligibility of that individual for financial assistance on the basis of the immigration status of that individual; and

(II) in the case of any individual applying for financial assistance on or after September 30, 1996, deny the application for such assistance on the basis of the immigration status of that individual; and

(iii) the applicable Secretary shall not be liable for the consequences of any action, delay, or failure of the Service to conduct such verification.

(5) If the applicable Secretary determines, after complying with the requirements of paragraph (4), that such an individual is not in a satisfactory immigration status, the applicable Secretary shall—

(A) deny the application of that individual for financial assistance or terminate the eligibility of that individual for financial assistance, as applicable;

(B) provide that the individual may request a fair hearing during the 30-day period beginning upon receipt of the notice under subparagraph (C); and

(C) provide to the individual written notice of the determination under this paragraph, the right to a fair hearing process, and the time limitation for requesting a hearing under subparagraph (C).

(6) The applicable Secretary shall terminate the eligibility for financial assistance of an individual and the members of the household of the individual, for a period of not less than 24 months, upon determining that such individual has knowingly permitted another individual who is not eligible for such assistance to reside in the public or assisted housing unit of the individual. This provision shall not apply to a family if the ineligibility of the ineligible individual at issue was considered in calculating any proration of assistance provided for the family.

For purposes of this subsection, the term "applicable Secretary" means the applicable Secretary, a public housing agency, or another entity that determines the eligibility of an individual for financial assistance.

(e) Regulatory actions against entities for erroneous determinations regarding eligibility based upon citizenship or immigration status

The applicable Secretary shall not take any compliance, disallowance, penalty, or other regulatory action against an entity with respect to any error in the entity's determination to make an individual eligible for financial assistance based on citizenship or immigration status—

(1) if the entity has provided such eligibility based on a verification of satisfactory immigration status by the Immigration and Naturalization Service,

(2) because the entity, under subsection (d)(4)(A)(ii) of this section (or under any alternative system for verifying immigration status with the Immigration and Naturalization Service authorized in the Immigration Reform and Control Act of 1986 (Public Law 99-603)), was required to provide a reasonable opportunity to submit documentation, or

(3) because the entity, under subsection (d)(4)(B)(ii) of this section (or under any alter-

native system for verifying immigration status with the Immigration and Naturalization Service authorized in the Immigration Reform and Control Act of 1986 (Public Law 99-603), was required to wait for the response of the Immigration and Naturalization Service to the entity's request for official verification of the immigration status of the individual, or the response from the Immigration and Naturalization Service to the appeal of that individual.

(f) Verification system; liability of State or local government agencies or officials; prior consent agreements, court decrees or court orders unaffected

(2) The verification system of the Department of Housing and Urban Development shall not supersede or affect any consent agreement entered into or court decree or court order entered prior to February 5, 1988.

(g) Reimbursement for costs of implementation

The applicable Secretary is authorized to pay to each public housing agency or other entity an amount equal to 100 percent of the costs incurred by the public housing agency or other entity in implementing and operating an immigration status verification system under subsection (d) of this section (or under any alternative system for verifying immigration status with the Immigration and Naturalization Service authorized in the Immigration Reform and Control Act of 1986 (Public Law 99-603)).

A public housing agency (as that term is defined in section 3 of the United States Housing Act of 1937 [42 U.S.C. 1437a])—

CONGRESSIONAL STATEMENT OF FINDINGS AND PURPOSES

Pub. L. 105-276, title V, §502, Oct. 21, 1998, 112 Stat. 2520, provided that:

"(a) FINDINGS.—Congress finds that—

"(1) there exists throughout the Nation a need for decent, safe, and affordable housing;

"(2) the inventory of public housing units owned, assisted, or operated by public housing agencies, an asset in which the Federal Government has invested over \$90,000,000,000, has traditionally provided rental housing that is affordable to low-income persons;

"(3) despite serving this critical function, the public housing system is plagued by a series of problems, including the concentration of very poor people in very poor neighborhoods and disincentives for economic self-sufficiency;

"(4) the Federal method of overseeing every aspect of public housing by detailed and complex statutes and regulations has aggravated the problem and has placed excessive administrative burdens on public housing agencies; and

"(5) the interests of low-income persons, and the public interest, will best be served by a reformed public housing program that—

"(A) consolidates many public housing programs into programs for the operation and capital needs of public housing;

"(B) streamlines program requirements;

"(C) vests in public housing agencies that perform well the maximum feasible authority, discretion, and control with appropriate accountability to public housing residents, localities, and the general public; and

"(D) rewards employment and economic self-sufficiency of public housing residents.

"(b) PURPOSES.—The purpose of this title [see Tables for classification] is to promote homes that are affordable to low-income families in safe and healthy environments, and thereby contribute to the supply of affordable housing, by—

"(1) deregulating and decontrolling public housing agencies, thereby enabling them to perform as property and asset managers;

"(2) providing for more flexible use of Federal assistance to public housing agencies, allowing the authorities to leverage and combine assistance amounts with amounts obtained from other sources;

"(3) facilitating mixed income communities and decreasing concentrations of poverty in public housing;

"(4) increasing accountability and rewarding effective management of public housing agencies;

"(5) creating incentives and economic opportunities for residents of dwelling units assisted by public

housing agencies to work, become self-sufficient, and transition out of public housing and federally assisted dwelling units;

"(6) consolidating the voucher and certificate programs for rental assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] into a single market-driven program that will assist in making tenant-based rental assistance under such section more successful at helping low-income families obtain affordable housing and will increase housing choice for low-income families; and

"(7) remedying the problems of troubled public housing agencies and replacing or revitalizing severely distressed public housing projects."

MENTAL HEALTH ACTION PLAN

Pub. L. 105-276, title V, §517, Oct. 21, 1998, 112 Stat. 2550, provided that: "The Secretary of Housing and Urban Development, in consultation with the Secretary of Health and Human Services, the Secretary of Labor, and appropriate State and local officials and representatives, shall—

"(1) develop an action plan and list of recommendations for the improvement of means of providing severe mental illness treatment to families and individuals receiving housing assistance under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.], including public housing residents, residents of multi-family housing assisted with project-based assistance under section 8 of such Act [42 U.S.C. 1437f], and recipients of tenant-based assistance under such section; and

"(2) develop and disseminate a list of current practices among public housing agencies and owners of assisted housing that serve to benefit persons in need of mental health care."

"(1) the impact of the amendments made by this Act [Pub. L. 105-276, see Tables for classification] on—

"(A) the demographics of public housing residents and families receiving tenant-based assistance under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.]; and

"(B) the economic viability of public housing agencies; and

"(2) the effectiveness of the rent policies established by this Act and the amendments made by this Act on the employment status and earned income of public housing residents.

"(b) EFFECTIVE DATE.—This section shall take effect on the date of the enactment of this Act [Oct. 21, 1998]."

(1) Dwelling units assisted under this chapter shall be rented only to families who are low-income families at the time of their initial occupancy of such units. Reviews of family income shall be made at least annually. Except as provided in paragraph (2) and subject to the requirement under paragraph (3), a family shall pay as rent for a dwelling unit assisted under this chapter (other than a family assisted under section 1437f(o) or (y) of this title or paying rent under section 1437f(c)(3)(B)¹ of this title) the highest of the following amounts, rounded to the nearest dollar:

(A) 30 per centum of the family's monthly adjusted income;

(B) 10 per centum of the family's monthly income; or

(C) if the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.

(2) RENTAL PAYMENTS FOR PUBLIC HOUSING FAMILIES.—

(A) AUTHORITY FOR FAMILY TO SELECT.—

(i) IN GENERAL.—A family residing in a public housing dwelling shall pay as monthly rent for the unit the amount determined under clause (i) or (ii) of subparagraph (B), subject to the requirement under paragraph (3) (relating to minimum rents). Each public housing agency shall provide for each family residing in a public housing dwelling unit owned, assisted, or operated by the agency to elect annually whether the rent paid by such family shall be determined under clause (i) or (ii) of subparagraph (B). A public housing agency may not at any time fail to provide both such rent options for any public housing dwelling unit owned, assisted, or operated by the agency.

(ii) AUTHORITY TO RETAIN FLAT AND CEILING RENTS.—Notwithstanding clause (i) or any

¹ See References in Text note below.

other provision of law, any public housing agency that is administering flat rents or ceiling rents pursuant to any authority referred to in section 519(d) of the Quality Housing and Work Responsibility Act of 1998 before the effective day of such Act may continue to charge rent in accordance with such rent provisions after such effective date, except that the agency shall provide for families residing in public housing dwelling units owned or operated by the agency to elect annually whether to pay rent under such provisions or in accordance with one of the rent options referred to in subparagraph (A).

(B) ALLOWABLE RENT STRUCTURES.—

(i) **FLAT RENTS.**—Except as otherwise provided under this clause, each public housing agency shall establish, for each dwelling unit in public housing owned or operated by the agency, a flat rental amount for the dwelling unit, which shall—

(I) be based on the rental value of the unit, as determined by the public housing agency; and

(II) be designed in accordance with subparagraph (D) so that the rent structures do not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts.

The rental amount for a dwelling unit shall be considered to comply with the requirements of this clause if such amount does not exceed the actual monthly costs to the public housing agency attributable to providing and operating the dwelling unit. The preceding sentence may not be construed to require establishment of rental amounts equal to or based on operating costs or to prevent public housing agencies from developing flat rents required under this clause in any other manner that may comply with this clause.

(ii) INCOME-BASED RENTS.—

(I) **IN GENERAL.**—The monthly rental amount determined under this clause for a family shall be an amount, determined by the public housing agency, that does not exceed the greatest of the amounts (rounded to the nearest dollar) determined under subparagraphs (A), (B), and (C) of paragraph (1). This clause may not be construed to require a public housing agency to charge a monthly rent in the maximum amount permitted under this clause.

(II) **DISCRETION.**—Subject to the limitation on monthly rental amount under subclause (I), a public housing agency may, in its discretion, implement a rent structure under this clause requiring that a portion of the rent be deposited to an escrow or savings account, imposing ceiling rents, or adopting income exclusions (such as those set forth in subsection (b)(5)(B) of this section), or may establish another reasonable rent structure or amount.

(C) SWITCHING RENT DETERMINATION METHODS BECAUSE OF HARDSHIP CIRCUMSTANCES.—Not-

withstanding subparagraph (A), in the case of a family that has elected to pay rent in the amount determined under subparagraph (B)(i), a public housing agency shall immediately provide for the family to pay rent in the amount determined under subparagraph (B)(ii) during the period for which such election was made upon a determination that the family is unable to pay the amount determined under subparagraph (B)(i) because of financial hardship, including—

(i) situations in which the income of the family has decreased because of changed circumstances, loss of² reduction of employment, death in the family, and reduction in or loss of income or other assistance;

(ii) an increase, because of changed circumstances, in the family's expenses for medical costs, child care, transportation, education, or similar items; and

(iii) such other situations as may be determined by the agency.

(D) ENCOURAGEMENT OF SELF-SUFFICIENCY.—The rental policy developed by each public housing agency shall encourage and reward employment and economic self-sufficiency.

(E) INCOME REVIEWS.—Notwithstanding the second sentence of paragraph (1), in the case of families that are paying rent in the amount determined under subparagraph (B)(i), the agency shall review the income of such family not less than once every 3 years.

(3) MINIMUM RENTAL AMOUNT.—

(A) REQUIREMENT.—Notwithstanding paragraph (1) of this subsection, the method for rent determination elected pursuant to paragraph (2)(A) of this subsection by a family residing in public housing, section 1437f(o)(2) of this title, or section 206(d) of the Housing and Urban-Rural Recovery Act of 1983 (including paragraph (5) of such section), the following entities shall require the following families to pay a minimum monthly rental amount (which amount shall include any amount allowed for utilities) of not more than \$50 per month, as follows:

(i) Each public housing agency shall require the payment of such minimum monthly rental amount, which amount shall be determined by the agency, by—

(I) each family residing in a dwelling unit in public housing by the agency;

(II) each family who is assisted under the certificate or moderate rehabilitation program under section 1437f of this title; and

(III) each family who is assisted under the voucher program under section 1437f of this title, and the agency shall reduce the monthly assistance payment on behalf of such family as may be necessary to ensure payment of such minimum monthly rental amount.

(ii) The Secretary shall require each family who is assisted under any other program for rental assistance under section 1437f of this title to pay such minimum monthly rental amount, which amount shall be determined by the Secretary.

²So in original. Probably should be "or".

(B) EXCEPTION FOR HARDSHIP CIRCUMSTANCES.—

(i) IN GENERAL.—Notwithstanding subparagraph (A), a public housing agency (or the Secretary, in the case of a family described in subparagraph (A)(ii)) shall immediately grant an exemption from application of the minimum monthly rental under such subparagraph to any family unable to pay such amount because of financial hardship, which shall include situations in which (I) the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the Immigration and Nationality Act [8 U.S.C. 1101 et seq.] who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 [8 U.S.C. 1601 et seq.]; (II) the family would be evicted as a result of the imposition of the minimum rent requirement under subparagraph (A); (III) the income of the family has decreased because of changed circumstance, including loss of employment; (IV) a death in the family has occurred; and (V) other situations as may be determined by the agency (or the Secretary, in the case of a family described in subparagraph (A)(ii)).

(ii) WAITING PERIOD.—If a resident requests a hardship exemption under this subparagraph and the public housing agency (or the Secretary, in the case of a family described in subparagraph (A)(ii)) reasonably determines the hardship to be of a temporary nature, an exemption shall not be granted during the 90-day period beginning upon the making of a request for the exemption. A resident may not be evicted during such 90-day period for nonpayment of rent. In such a case, if the resident thereafter demonstrates that the financial hardship is of a long-term basis, the agency (or the Secretary) shall retroactively exempt the resident from the applicability of the minimum rent requirement for such 90-day period.

(4) OCCUPANCY BY POLICE OFFICERS.—

(A) IN GENERAL.—Subject to subparagraph (B) and notwithstanding any other provision of law, a public housing agency may, in accordance with the public housing agency plan for the agency, allow a police officer who is not otherwise eligible for residence in public housing to reside in a public housing dwelling unit. The number and location of units occupied by police officers under this paragraph and the terms and conditions of their tenancies shall be determined by the public housing agency.

(B) INCREASED SECURITY.—A public housing agency may take the actions authorized in subparagraph (A) only for the purpose of increasing security for the residents of a public housing project.

(C) DEFINITION.—In this paragraph, the term “police officer” means any person determined by a public housing agency to be, during the period of residence of that person in public housing, employed on a full-time basis as a

duly licensed professional police officer by a Federal, State, or local government or by any agency thereof (including a public housing agency having an accredited police force).

(5) OCCUPANCY BY OVER-INCOME FAMILIES IN CERTAIN PUBLIC HOUSING.—

(A) AUTHORITY.—Notwithstanding any other provision of law, a public housing agency that owns or operates less than 250 units may, on a month-to-month basis, lease a dwelling unit in a public housing project to an over-income family in accordance with this paragraph, but only if there are no eligible families applying for housing assistance from the public housing agency for that month and the agency provides not less than 30-day public notice of the availability of such assistance.

(B) TERMS AND CONDITIONS.—The number and location of dwelling units of a public housing agency occupied under this paragraph by over-income families, and the terms and conditions of those tenancies, shall be determined by the public housing agency, except that—

(i) notwithstanding paragraph (2), rent for a unit shall be in an amount that is not less than the costs to operate the unit;

(ii) if an eligible family applies for residence after an over-income family moves in to the last available unit, the over-income family shall vacate the unit in accordance with notice of termination of tenancy provided by the agency, which shall be provided not less than 30 days before such termination; and

(iii) if a unit is vacant and there is no one on the waiting list, the public housing agency may allow an over-income family to gain immediate occupancy in the unit, while simultaneously providing reasonable public notice and outreach with regard to availability of the unit.

(C) DEFINITION.—For purposes of this paragraph, the term “over-income family” means an individual or family that is not a low-income family at the time of initial occupancy.

The term “public housing” includes dwelling units in a mixed finance project that are assisted by a public housing agency with capital or operating assistance. When used in reference to public housing, the term “low-income housing project” or “project” means (A) housing developed, acquired, or assisted by a public housing agency under this chapter, and (B) the improvement of any such housing.

(2) The term “low-income families” means those families whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the

median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low family incomes. The term "very low-income families" means low-income families whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes. Such ceilings shall be established in consultation with the Secretary of Agriculture for any rural area, as defined in section 1490 of this title, taking into account the subsidy characteristics and types of programs to which such ceilings apply. In determining median incomes (of persons, families, or households) for an area or establishing any ceilings or limits based on income under this chapter, the Secretary shall determine or establish area median incomes and income ceilings and limits for Westchester and Rockland Counties, in the State of New York, as if each such county were an area not contained within the metropolitan statistical area in which it is located. In determining such area median incomes or establishing such income ceilings or limits for the portion of such metropolitan statistical area that does not include Westchester or Rockland Counties, the Secretary shall determine or establish area median incomes and income ceilings and limits as if such portion included Westchester and Rockland Counties. (iii) has a developmental disability as defined in section 15002 of this title.

Such term shall not exclude persons who have the disease of acquired immunodeficiency syndrome or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome. Notwithstanding any other provision of law, no individual shall be considered a person with disabilities, for purposes of eligibility for low-income housing under this subchapter, solely on the basis of any drug or alcohol dependence. The Secretary shall consult with other appropriate Federal agencies to implement the preceding sentence.

(2) Phase-in of rent increases

Upon the expiration of the 12-month period referred to in paragraph (1), the rent payable by a family described in paragraph (3) may be increased due to the continued employment of the family member described in paragraph (3)(B), except that during the 12-month period beginning upon such expiration the amount of the increase may not be greater than 50 percent of the amount of the total rent increase that would be applicable but for this paragraph.

Section 206(d) of Pub. L. 98-181 provided that:

“(1) The following provisions of this paragraph apply to determinations of the rent to be paid by or the contribution required of a tenant occupying housing assisted under the authorities amended by this section [amending this section] or subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981 [amending sections 1437 to 1437d, 1437f, 1437g, 1437i, 1437j, and 1437l of this title and sections 1701s and 1715z-1 of Title 12, Banks and Banking, and repealing provisions set out as notes under this section and section 1701s of Title 12] (hereinafter referred to as ‘assisted housing’) on or before the effective date of regulations implementing this section:

“(A) Notwithstanding any other provision of this section or subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, the Secretary of Housing and Urban Development (hereinafter referred to as the ‘Secretary’) may provide for delayed applicability, or for staged implementation, of the procedures for determining rents or contributions, as appropriate, required by such provisions if the Secretary determines that immediate application of such procedures would be impracticable, would violate the terms of existing leases, or would result in extraordinary hardship for any class of tenants.

“(B) The Secretary shall provide that the rent or contribution, as appropriate, required to be paid by a tenant shall not increase as a result of the amendments made by this section and subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, and as a result of any other provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such amendments, law, or regulation.

“(2) Tenants of assisted housing other than those referred to in paragraph (1) shall be subject to immediate rent payment or contribution determinations in accordance with applicable law and without regard to the provisions of paragraph (1), but the Secretary shall provide that the rent or contribution payable by any such tenant who is occupying assisted housing on the effective date of any provision of Federal law or regulation shall not increase, as a result of any such provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such law or regulation.

“(3) In the case of tenants receiving rental assistance under section 521(a)(1) of the Housing Act of 1949 [section 1490a(a)(1) of this title] on the effective date of this section [Nov. 30, 1983] whose assistance is converted to assistance under section 8 of the United States Housing Act of 1937 [section 1437f of this title] on or after such date, the Secretary shall provide that the rent or contribution payable by any such tenant shall not increase, as a result of such conversion, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such conversion or to any provision of Federal law or regulation.

“(4)(A) Notwithstanding any other provision of law, in the case of the conversion of any assistance under section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s], section 236(f)(2) of the National Housing Act [12 U.S.C. 1715z-1(f)(2)], or section 23 of the United States Housing Act of 1937 [section 1421b of this title] (as in effect before the date of the enactment of the Housing and Community Development Act of 1974 [Aug. 22, 1974]) to assistance under section 8 of the United States Housing Act of 1937, any increase in rent payments or contributions resulting from such conversion, and from the amendments made by this section of any tenant benefiting from such assistance who is sixty-two years of age or older may not exceed 10 per centum per annum.

“(B) In the case of any such conversion of assistance occurring on or after October 1, 1981, and before the

date of the enactment of this section [Nov. 30, 1983], the rental payments due after such date of enactment by any tenant benefiting from such assistance who was sixty-two years of age or older on the date of such conversion shall be computed as if the tenant’s rental payment or contribution had, on the date of conversion, been the lesser of the actual rental payment or contribution required, or 25 per centum of the tenant’s income.

“(5) The limitations on increases in rent contained in paragraphs (1)(B), (2), (3), and (4) shall remain in effect and may not be changed or superseded except by another provision of law which amends this subsection.

“(6) As used in this subsection, the term ‘contribution’ means an amount representing 30 per centum of a tenant’s monthly adjusted income, 10 per centum of the tenant’s monthly income, or the designated amount of welfare assistance, whichever amount is used to determine the monthly assistance payment for the tenant under section 3(a) of the United States Housing Act of 1937 [subsec. (a) of this section].

“(7) The provisions of subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981 shall be implemented and fully applicable to all affected tenants no later than five years following the date of enactment of such amendments [Aug. 13, 1981], except that the Secretary may extend the time for implementation if the Secretary determines that full implementation would result in extraordinary hardship for any class of tenants.”

Prior provisions for determining rent payable by tenants occupying assisted housing under and authorizing delayed application or staged implementation of provisions amended by section 322 of Pub. L. 97-35 were contained in Pub. L. 97-35, title III, §322(i), Aug. 13, 1981, 95 Stat. 404, which was repealed by Pub. L. 98-181, title II, §206(e), Nov. 30, 1983, 97 Stat. 1181.

(a) Authority of Secretary; interest rates; repayment date; use as security for obligations of public housing agency

The Secretary may make loans or commitments to make loans to public housing agencies to help finance or refinance the development, acquisition, or operation of low-income housing projects by such agencies. Any contract for such loans and any amendment to a contract for such loans shall provide that such loans shall bear interest at a rate specified by the Secretary which shall not be less than a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, plus one-eighth of 1 per centum. Such loans shall be secured in such manner and shall be repaid within such period not exceeding forty years, or not exceeding forty years from the date of the bonds evidencing the loan, as the Secretary may determine. The Secretary may require loans or commitments to make loans under this section to be pledged as security for obligations issued by a public housing agency in connection with a low-income housing project.

(b) Issuance of obligations by Secretary; limitation on amounts; forms and denominations; terms and conditions; purchase, establishment of maturities and rates of interest, and sale by Secretary of the Treasury

The Secretary may issue and have outstanding at any one time notes and other obligations for purchase by the Secretary of the Treasury in an amount which will not, unless authorized by the President, exceed \$1,500,000,000. For the purpose of determining obligations incurred to make loans pursuant to this chapter against any limitation otherwise applicable with respect to such loans, the Secretary shall estimate the maximum amount to be loaned at any one time pursuant to loan agreements then outstanding with public housing agencies. Such notes or other obligations shall be in such forms and denominations and shall be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. The notes or other obligations issued under this subsection shall have such maturities and bear such rate or rates of interest as shall be determined by the Secretary of the Treasury. The Secretary of the Treasury is authorized and directed to purchase any notes or other obligations of the Secretary issued hereunder and for such purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which securities may be issued under such chapter are extended to include any purchases of such obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this section. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States.

Such cancellation shall not affect any other terms and conditions of such contract, which shall remain in effect as if the cancellation had not occurred. This paragraph shall not apply to any loan the repayment of which was not to be made using annual contributions, or to any loan all or part of the proceeds of which are due a public housing agency from contractors or others.

(2)(A) On April 7, 1986, each note or other obligation issued by the Secretary to the Secretary of the Treasury pursuant to subsection (b) of this section, together with any promise to repay the principal and unpaid interest that has accrued on each note or obligation, shall be forgiven; and any other term or condition specified by each such obligation shall be canceled.

(B) On September 30, 1986, and on any subsequent September 30, each such note or other obligation issued by the Secretary to the Secretary of the Treasury pursuant to subsection (b) of this section during the fiscal year ending on such date, together with any promise to repay the principal and unpaid interest that has accrued on each note or obligation, shall be forgiven; and any other term or condition specified by each such obligation shall be canceled.

(3) Any amount of budget authority (and contract authority) that becomes available during any fiscal year as a result of the forgiveness of any loan, note, or obligation under this subsection shall be rescinded.

(b) Maximum amount of contributions; regulations; criteria for rates of contribution

The Secretary may prescribe regulations fixing the maximum contributions available under different circumstances, giving consideration to cost, location, size, rent-paying ability of prospective tenants, or other factors bearing upon the amounts and periods of assistance needed to achieve and maintain low rentals. Such regulations may provide for rates of contribution based upon development, acquisition, or operation costs, number of dwelling units, number of persons housed, interest charges, or other appropriate factors.

(c) Limitation on aggregate contractual contributions; contracts for preliminary loans; payments of annual contributions; limitations on specific authorities

(1) The Secretary may enter into contracts for annual contributions aggregating not more than \$7,875,049,000 per annum, which amount shall be increased by \$1,494,400,000 on October 1, 1980, and by \$906,985,000 on October 1, 1981. (4) All payments of annual contributions pursuant to this section shall be made out of any funds available for purposes of this chapter when such payments are due, except that funds obtained through the issuance of obligations pursuant to section 1437b(b) of this title (including repayments or other realizations of the principal of loans made out of such funds) shall not be available for the payment of such annual contributions.

(5) During such period as the Secretary may prescribe for starting construction, the Secretary may approve the conversion of public housing development authority for use under section 1437g of this title or for use for the ac-

quisition and rehabilitation of property to be used in public housing, if the public housing agency, after consultation with the unit of local government, certifies that such assistance would be more effectively used for such purpose, and if the total number of units assisted will not be less than 90 per centum of the units covered by the original reservation.

(d) Scope of contracts for loans or annual contributions

Any contract for loans or annual contributions, or both, entered into by the Secretary with a public housing agency, may cover one or more than one low-income housing project owned by such public housing agency; in the event the contract covers two or more projects, such projects may, for any of the purposes of this chapter and of such contract (including, but not limited to, the determination of the amount of the loan, annual contributions, or payments in lieu of taxes, specified in such contract), be treated collectively as one project.

(e) Local determination of need as prerequisite for contracts for preliminary loans, and contracts for loans or annual contributions; notice

In recognition that there should be local determination of the need for low-income housing to meet needs not being adequately met by private enterprise—

(1) the Secretary shall not make any contract with a public housing agency for preliminary loans (all of which shall be repaid out of any moneys which become available to such agency for the development of the projects involved) for surveys and planning in respect to any low-income housing projects (i) unless the governing body of the locality involved has by resolution approved the application of the public housing agency for such preliminary loan; and (ii) unless the public housing agency has demonstrated to the satisfaction of the Secretary that there is need for such low-income housing which is not being met by private enterprise; and

(2) the Secretary shall not make any contract for loans (other than preliminary loans) or for contributions pursuant to this chapter unless the governing body of the locality involved has entered into an agreement with the public housing agency providing for the local cooperation required by the Secretary pursuant to this chapter; the Secretary shall require that each such agreement shall provide that, notwithstanding any order, judgment, or decree of any court (including any settlement order), before making any amounts that are provided pursuant to any contract for contributions under this subchapter available for use for the development of any housing or other property not previously used as public housing, the public housing agency shall (A) notify the chief executive officer (or other appropriate official) of the unit of general local government in which the public housing for which such amounts are to be so used is located (or to be located) of such use, and (B) pursuant to the request of such unit of general

local government, provide such information as may reasonably be requested by such unit of general local government regarding the public housing to be so assisted (except to the extent otherwise prohibited by law).

(f) Modification by Secretary of terms of contracts, etc.; limitations; amendment or supersession of contracts for annual contributions or loans

Subject to the specific limitations or standards in this chapter governing the terms of sales, rentals, leases, loans, contracts for annual contributions, or other agreements, the Secretary may, whenever he deems it necessary or desirable in the fulfillment of the purposes of this chapter, consent to the modification, with respect to rate of interest, time of payment of any installment of principal or interest, security, amount of annual contribution, or any other term, of any contract or agreement of any kind to which the Secretary is a party. When the Secretary finds that it would promote economy or be in the financial interest of the Federal Government or is necessary to assure or maintain the lower income character of the project or projects involved, any contract heretofore or hereafter made for annual contributions, loans, or both, may be amended or superseded by a contract entered into by mutual agreement between the public housing agency and the Secretary. Contracts may not be amended or superseded in a manner which would impair the rights of the holders of any outstanding obligations of the public housing agency involved for which annual contributions have been pledged. Any rule of law contrary to this provision shall be deemed inapplicable.

(g) Pledge of annual contributions as guarantee of payment of obligations issued by public housing agency; exception

In addition to the authority of the Secretary under subsection (a) of this section to pledge annual contributions as security for obligations issued by a public housing agency, the Secretary is authorized to pledge annual contributions as a guarantee of payment by a public housing agency of all principal and interest on obligations issued by it to assist the development or acquisition of the project to which the annual contributions relate, except that no obligation shall be guaranteed under this subsection if the income thereon is exempt from Federal taxation.

(h) Audits

(1) By Secretary and Comptroller General

Each contract for contributions for any assistance under this chapter to a public housing agency shall provide that the Secretary, the Inspector General of the Department of Housing and Urban Development, and the Comptroller General of the United States, or any of their duly authorized representatives, shall, for the purpose of audit and examination, have access to any books, documents, papers, and records of the public housing agency that are pertinent to this chapter and to its operations with respect to financial assistance under the this¹ chapter.

¹ So in original.

(2) Withholding of amounts for audits under Single Audit Act

The Secretary may, in the sole discretion of the Secretary, arrange for and pay the costs of an audit required under chapter 75 of title 31. In such circumstances, the Secretary may withhold, from assistance otherwise payable to the agency under this chapter, amounts sufficient to pay for the reasonable costs of conducting an acceptable audit, including, when appropriate, the reasonable costs of accounting services necessary to place the agency's books and records in auditable condition. As agreed to by the Secretary and the Inspector General, the Inspector General may arrange for an audit under this paragraph.

(i) Prohibition on use of funds

None of the funds made available to the Department of Housing and Urban Development to carry out this chapter, which are obligated to State or local governments, public housing agencies, housing finance agencies, or other public or quasi-public housing agencies, shall be used to indemnify contractors or subcontractors of the government or agency against costs associated with judgments of infringement of intellectual property rights.

(i) Review and determination of compliance

(1) Review

Subject to paragraph (2), after submission of the public housing agency plan or any amendment or modification to the plan to the Secretary, to the extent that the Secretary considers such action to be necessary to make determinations under this paragraph, the Secretary shall review the public housing agency plan (including any amendments or modifications thereto) and determine whether the contents of the plan—

(A) set forth the information required by this section and this chapter to be contained in a public housing agency plan;

(B) are consistent with information and data available to the Secretary, including the approved comprehensive housing affordability strategy under title I of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 12701 et seq.] for the jurisdiction in which the public housing agency is located; and

(C) are not prohibited by or inconsistent with any provision of this subchapter or other applicable law.

(2) Elements exempted from review

The Secretary may, by regulation, provide that one or more elements of a public housing agency plan shall be reviewed only if the element is challenged, except that the Secretary shall review the information submitted in each plan pursuant to paragraphs (3)(B), (8), and (15) of subsection (d) of this section.

(3) Disapproval

(4) Determination of compliance

(A) In general

Except as provided in subsection (j)(2) of this section, not later than 75 days after the date on which a public housing agency plan is submitted in accordance with this section, the Secretary shall make the determination under paragraph (1) and provide written notice to the public housing agency if the plan has been disapproved. If the Secretary disapproves the plan, the notice shall state with specificity the reasons for the disapproval.

(B) Failure to provide notice of disapproval

In the case of a plan disapproved, if the Secretary does not provide notice of disapproval under subparagraph (A) before the expiration of the period described in subparagraph (A), the Secretary shall be considered, for purposes of this chapter, to have made a determination that the plan complies with the requirements under this section and the agency shall be considered to have been notified of compliance upon the expiration of such period. The preceding sentence shall not preclude judicial review regarding such compliance pursuant to chapter 7 of title 5 or an action regarding such compliance under section 1983 of this title.

(5) Public availability

A public housing agency shall make the approved plan of the agency available to the general public.

(j) Troubled and at-risk PHAs

(1) In general

The Secretary may require, for each public housing agency that is at risk of being designated as troubled under section 1437d(j)(2) of this title or is designated as troubled under section 1437d(j)(2) of this title, that the public housing agency plan for such agency include such additional information as the Secretary determines to be appropriate, in accordance with such standards as the Secretary may establish or in accordance with such determinations as the Secretary may make on an agency-by-agency basis.

(2) Troubled agencies

The Secretary shall provide explicit written approval or disapproval, in a timely manner, for a public housing agency plan submitted by any public housing agency designated by the Secretary as a troubled public housing agency under section 1437d(j)(2) of this title.

(k) Streamlined plan

In carrying out this section, the Secretary may establish a streamlined public housing agency plan for—

In carrying out this subchapter, the Secretary shall—

(A) provide an appropriate response to any complaint concerning noncompliance by a public housing agency with the applicable public housing agency plan; and

(B) if the Secretary determines, based on a finding of the Secretary or other information available to the Secretary, that a public housing agency is not complying with the applicable public housing agency plan, take such actions as the Secretary determines to be appropriate to ensure such compliance.

§ 1437d. Contract provisions and requirements; loans and annual contributions

(a) Conditions; elevators

The Secretary may include in any contract for loans, contributions, sale, lease, mortgage, or any other agreement or instrument made pursuant to this chapter, such covenants, conditions, or provisions as he may deem necessary in order to insure the lower income character of the project involved, in a manner consistent with the public housing agency plan. Any such contract shall require that, except in the case of housing predominantly for elderly or disabled families, high-rise elevator projects shall not be provided for families with children unless the Secretary makes a determination that there is no practical alternative.

(b) Limitation on development costs

(1) Each contract for loans (other than preliminary loans) or contributions for the development, acquisition, or operation of public housing shall provide that the total development cost of the project on which the computation of any annual contributions under this chapter may be based may not exceed the amount determined under paragraph (2) (for the appropriate structure type) unless the Secretary provides otherwise, and in any case may not exceed 110 per centum of such amount unless the Secretary for good cause determines otherwise.

(2) For purposes of paragraph (1), the Secretary shall determine the total development cost by multiplying the construction cost guideline for the project (which shall be determined by averaging the current construction costs, as listed by not less than 2 nationally recognized residential construction cost indices, for publicly bid construction of a good and sound quality) by—

(A) in the case of elevator type structures, 1.6; and

(B) in the case of nonelevator type structures, 1.75.

(3) In calculating the total development cost of a project under paragraph (2), the Secretary shall consider only capital assistance provided by the Secretary to a public housing agency that are¹ authorized for use in connection with the development of public housing, and shall exclude all other amounts, including amounts provided under—

(A) the HOME investment partnerships program authorized under title II of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 12721 et seq.]; or

(B) the community development block grants program under title I of the Housing

and Community Development Act of 1974 [42 U.S.C. 5301 et seq.].

(4) The Secretary may restrict the amount of capital funds that a public housing agency may use to pay for housing construction costs. For purposes of this paragraph, housing construction costs include the actual hard costs for the construction of units, builders' overhead and profit, utilities from the street, and finish landscaping.

(c) Revision of maximum income limits; certification of compliance with requirements; notification of eligibility; informal hearing; compliance with procedures for sound management

Every contract for contributions shall provide that—

(1) the Secretary may require the public housing agency to review and revise its maximum income limits if the Secretary determines that changed conditions in the locality make such revision necessary in achieving the purposes of this chapter;

(2) the public housing agency shall determine, and so certify to the Secretary, that each family in the project was admitted in accordance with duly adopted regulations and approved income limits; and the public housing agency shall review the incomes of families living in the project no less frequently than annually;

(3) the public housing agency shall not deny admission to the project to any applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking²

(4) the public housing agency shall promptly notify (i) any applicant determined to be ineligible for admission to the project of the basis for such determination and provide the applicant upon request, within a reasonable time after the determination is made, with an opportunity for an informal hearing on such determination, and (ii) any applicant determined to be eligible for admission to the project of the approximate date of occupancy insofar as such date can be reasonably determined; and

(5) the public housing agency shall comply with such procedures and requirements as the Secretary may prescribe to assure that sound management practices will be followed in the operation of the project, including requirements pertaining to—

(A) making dwelling units in public housing available for occupancy, which shall provide that the public housing agency may establish a system for making dwelling units available that provides preference for such occupancy to families having certain characteristics; each system of preferences established pursuant to this subparagraph shall be based upon local housing needs and priorities, as determined by the public housing

agency using generally accepted data sources, including any information obtained pursuant to an opportunity for public comment as provided under section 1437c-1(f) of this title and under the requirements applicable to the comprehensive housing affordability strategy for the relevant jurisdiction;

(B) the establishment of satisfactory procedures designed to assure the prompt payment and collection of rents and the prompt processing of evictions in the case of non-payment of rent;

(C) the establishment of effective tenant-management relationships designed to assure that satisfactory standards of tenant security and project maintenance are formulated and that the public housing agency (together with tenant councils where they exist) enforces those standards fully and effectively;

(D) the development by local housing authority managements of viable homeownership opportunity programs for low-income families capable of assuming the responsibilities of homeownership;

(E) for each agency that receives assistance under this subchapter, the establishment and maintenance of a system of accounting for rental collections and costs (including administrative, utility, maintenance, repair and other operating costs) for each project or operating cost center (as determined by the Secretary), which collections and costs shall be made available to the general public and submitted to the appropriate local public official (as determined by the Secretary); except that the Secretary may permit agencies owning or operating less than 500 units to comply with the requirements of this subparagraph by accounting on an agency-wide basis; and

(F) requiring the public housing agency to ensure and maintain compliance with subtitle C of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13601 et seq.] and any regulations issued under such subtitle.

(d) Exemption from personal and real property taxes; payments in lieu of taxes; cash contribution or tax remission

Every contract for contributions with respect to a low-income housing project shall provide that no contributions by the Secretary shall be made available for such project unless such project (exclusive of any portion thereof which is not assisted by contributions under this chapter) is exempt from all real and personal property taxes levied or imposed by the State, city, county, or other political subdivision; and such contract shall require the public housing agency to make payments in lieu of taxes equal to 10 per centum of the sum of the shelter rents charged in such project, or such lesser amount as (i) is prescribed by State law, or (ii) is agreed to by the local governing body in its agreement for local cooperation with the public housing agency required under section 1437c(e)(2) of this title, or (iii) is due to failure of a local public body or bodies other than the public housing

agency to perform any obligation under such agreement. If any such project is not exempt from all real and personal property taxes levied or imposed by the State, city, county, or other political subdivision, such contract shall provide, in lieu of the requirement for tax exemption and payments in lieu of taxes, that no contributions by the Secretary shall be made available for such project unless and until the State, city, county, or other political subdivision in which such project is situated shall contribute, in the form of cash or tax remission, the amount by which the taxes paid with respect to the project exceed 10 per centum of the shelter rents charged in such project.

(e) Repealed. Pub. L. 105-276, title V, § 529(2), Oct. 21, 1998, 112 Stat. 2569

(f) Housing quality requirements

(1) In general

Each contract for contributions for a public housing agency shall require that the agency maintain its public housing in a condition that complies with standards which meet or exceed the housing quality standards established under paragraph (2).

(2) Federal standards

The Secretary shall establish housing quality standards under this paragraph that ensure that public housing dwelling units are safe and habitable. Such standards shall include requirements relating to habitability, including maintenance, health and sanitation factors, condition, and construction of dwellings, and shall, to the greatest extent practicable, be consistent with the standards established under section 1437f(o)(8)(B)(i) of this title. The Secretary may determine whether the laws, regulations, standards, or codes of any State or local jurisdiction meet or exceed these standards, for purposes of this subsection.

(3) Annual inspections

Each public housing agency that owns or operates public housing shall make an annual inspection of each public housing project to determine whether units in the project are maintained in accordance with the requirements under paragraph (1). The agency shall retain the results of such inspections and, upon the request of the Secretary, the Inspector General for the Department of Housing and Urban Development, or any auditor conducting an audit under section 1437c(h) of this title, shall make such results available.

(g) Substantial default; conveyance of title and delivery of possession; reconveyance and redelivery; payments for outstanding obligations

Every contract for contributions (including contracts which amend or supersede contracts previously made) may provide that—

(1) upon the occurrence of a substantial default in respect to the covenants or conditions to which the public housing agency is subject (as such substantial default shall be defined in such contract), the public housing agency shall be obligated at the option of the Secretary either to convey title in any case

where, in the determination of the Secretary (which determination shall be final and conclusive), such conveyance of title is necessary to achieve the purposes of this chapter, or to deliver to the Secretary possession of the project, as then constituted, to which such contract relates; and

(2) the Secretary shall be obligated to reconvey or redeliver possession of the project as constituted at the time of reconveyance or redelivery, to such public housing agency or to its successor (if such public housing agency or a successor exists) upon such terms as shall be prescribed in such contract, and as soon as practicable (i) after the Secretary is satisfied that all defaults with respect to the project have been cured, and that the project will, in order to fulfill the purposes of this chapter, thereafter be operated in accordance with the terms of such contract; or (ii) after the termination of the obligation to make annual contributions available unless there are any obligations or covenants of the public housing agency to the Secretary which are then in default. Any prior conveyances and reconveyances or deliveries and redeliveries of possession shall not exhaust the right to require a conveyance or delivery of possession of the project to the Secretary pursuant to subparagraph (1) upon the subsequent occurrence of a substantial default.

Whenever such a contract for annual contributions includes provisions which the Secretary in such contract determines are in accordance with this subsection, and the portion of the annual contribution payable for debt service requirements pursuant to such contract has been pledged by the public housing agency as security for the payment of the principal and interest on any of its obligations, the Secretary (notwithstanding any other provisions of this chapter) shall continue to make such annual contributions available for the project so long as any of such obligations remain outstanding, and may covenant in such contract that in any event such annual contributions shall in each year be at least equal to an amount which, together with such income or other funds as are actually available from the project for the purpose at the time such annual contribution is made, will suffice for the payment of all installments, falling due within the next succeeding twelve months, of principal and interest on the obligations for which the annual contributions provided for in the contract shall have been pledged as security. In no case shall such annual contributions be in excess of the maximum sum specified in the contract involved, nor for longer than the remainder of the maximum period fixed by the contract.

(h) New construction contracts

On or after October 1, 1983, the Secretary may enter into a contract involving new construction only if the public housing agency demonstrates to the satisfaction of the Secretary that the cost of new construction in the neighborhood where the public housing agency determines the housing is needed is less than the cost of acquisition or acquisition and rehabilitation in such neighborhood, including any reserve

fund under subsection (i) of this section, would be.

(i) Reserve fund; major repairs

The Secretary may, upon application by a public housing agency in connection with the acquisition of housing for use as public housing, establish and set aside a reserve fund in an amount not to exceed 30 per centum of the acquisition cost which shall be available for use for major repairs to such housing.

(j) Performance indicators for public housing agencies

(1) The Secretary shall develop and publish in the Federal Register indicators to assess the management performance of public housing agencies and resident management corporations. The indicators shall be established by rule under section 553 of title 5. Such indicators shall enable the Secretary to evaluate the performance of public housing agencies and resident management corporations in all major areas of management operations. The Secretary shall, in particular, use the following indicators for public housing agencies, to the extent practicable:

(A) The number and percentage of vacancies within an agency's inventory, including the progress that an agency has made within the previous 3 years to reduce such vacancies.

(B) The amount and percentage of funds provided to the public housing agency from the Capital Fund under section 1437g(d) of this title which remain unobligated by the public housing agency after 3 years.

(C) The percentage of rents uncollected.

(D) The utility consumption (with appropriate adjustments to reflect different regions and unit sizes).

(E) The average period of time that an agency requires to repair and turn-around vacant units.

(F) The proportion of maintenance work orders outstanding, including any progress that an agency has made during the preceding 3 years to reduce the period of time required to complete maintenance work orders.

(G) The percentage of units that an agency fails to inspect to ascertain maintenance or modernization needs within such period of time as the Secretary deems appropriate (with appropriate adjustments, if any, for large and small agencies).

(H) The extent to which the public housing agency—

(i) coordinates, promotes, or provides effective programs and activities to promote the economic self-sufficiency of public housing residents; and

(ii) provides public housing residents with opportunities for involvement in the administration of the public housing.

(I)³ The extent to which the public housing agency—

(i) implements effective screening and eviction policies and other anticrime strategies; and

(ii) coordinates with local government officials and residents in the project and implementation of such strategies.

³ Another subpar. (I) is set out after subpar. (K).

(J) The extent to which the public housing agency is providing acceptable basic housing conditions.

(K) Any other factors as the Secretary deems appropriate which shall not exceed the seven factors in the statute, plus an additional five.

(I)⁴ The Secretary shall:

(1) administer the system of evaluating public housing agencies flexibly to ensure that such agencies are not penalized as result of circumstances beyond their control;

(2) reflect in the weights assigned to the various indicators the differences in the difficulty of managing individual projects that result from their physical condition and their neighborhood environment; and

(3) determine a public housing agency's status as "troubled with respect to the program under section 1437l⁵ of this title" based upon factors solely related to its ability to carry out that program.

(2)(A)(i) The Secretary shall, under the rule-making procedures under section 553 of title 5, establish procedures for designating troubled public housing agencies, which procedures shall include identification of serious and substantial failure to perform as measured by the performance indicators specified under paragraph (1) and such other factors as the Secretary may deem to be appropriate. Such procedures shall provide that an agency that fails on a widespread basis to provide acceptable basic housing conditions for its residents shall be designated as a troubled public housing agency. The Secretary may use a simplified set of indicators for public housing agencies with less than 250 public housing units. The Secretary shall also designate, by rule under section 553 of title 5, agencies that are troubled with respect to the program for assistance from the Capital Fund under section 1437g(d) of this title.

(ii) The Secretary may also, in consultation with national organizations representing public housing agencies and public officials (as the Secretary determines appropriate), identify and commend public housing agencies that meet the performance standards established under paragraph (1) in an exemplary manner.

(iii) The Secretary shall establish procedures for public housing agencies to appeal designation as a troubled agency (including designation as a troubled agency for purposes of the program for assistance from the Capital Fund under section 1437g(d) of this title), to petition for removal of such designation, and to appeal any refusal to remove such designation.

(B)(i) Upon designating a public housing agency with more than 250 units as troubled pursuant to subparagraph (A) and determining that an assessment under this subparagraph will not duplicate any comparable and recent review, the Secretary shall provide for an on-site, independent assessment of the management of the agency.

(ii) To the extent the Secretary deems appropriate (taking into account an agency's performance under the indicators specified under para-

graph (1)), the assessment team shall also consider issues relating to the agency's resident population and physical inventory, including the extent to which (I) the agency's comprehensive plan prepared pursuant to section 1437l⁵ of this title adequately and appropriately addresses the rehabilitation needs of the agency's inventory, (II) residents of the agency are involved in and informed of significant management decisions, and (III) any projects in the agency's inventory are severely distressed and eligible for assistance pursuant to section 1437v of this title.

(iii) An independent assessment under this subparagraph shall be carried out by a team of knowledgeable individuals selected by the Secretary (referred to in this section as the "assessment team") with expertise in public housing and real estate management. In conducting an assessment, the assessment team shall consult with the residents and with public and private entities in the jurisdiction in which the public housing is located. The assessment team shall provide to the Secretary and the public housing agency a written report, which shall contain, at a minimum, recommendations for such management improvements as are necessary to eliminate or substantially remedy existing deficiencies.

(C) The Secretary shall seek to enter into an agreement with each troubled public housing agency, after reviewing the report submitted pursuant to subparagraph (B) (if applicable) and consulting with the agency's assessment team. Such agreement shall set forth—

(i) targets for improving performance as measured by the performance indicators specified under paragraph (1) and other requirements within a specified period of time;

(ii) strategies for meeting such targets, including a description of the technical assistance that the Secretary will make available to the agency; and

(iii) incentives or sanctions for effective implementation of such strategies, which may include any constraints on the use of funds that the Secretary determines are appropriate.

To the extent the Secretary deems appropriate (taking into account an agency's performance under the indicators specified under paragraph (1)), such agreement shall also set forth a plan for enhancing resident involvement in the management of the public housing agency. The Secretary and the public housing agency shall, to the maximum extent practicable, seek the assistance of local public and private entities in carrying out the agreement.

(D) The Secretary shall apply the provisions of this paragraph to resident management corporations as well as public housing agencies.

(3)(A) Notwithstanding any other provision of law or of any contract for contributions, upon the occurrence of events or conditions that constitute a substantial default by a public housing agency with respect to the covenants or conditions to which the public housing agency is subject or an agreement entered into under paragraph (2), the Secretary may—

(i) solicit competitive proposals from other public housing agencies and private housing management agents which (I) in the discretion

of the Secretary, may be selected by existing public housing residents through administrative procedures established by the Secretary, and (II) if appropriate, shall provide for such agents to manage all, or part, of the housing administered by the public housing agency or all or part of the other programs of the agency;

(i) petition for the appointment of a receiver (which may be another public housing agency or a private management corporation) of the public housing agency to any district court of the United States or to any court of the State in which the real property of the public housing agency is situated, that is authorized to appoint a receiver for the purposes and having the powers prescribed in this subsection;

(iii) solicit competitive proposals from other public housing agencies and private entities with experience in construction management in the eventuality that such agencies or firms may be needed to oversee implementation of assistance made available from the Capital Fund under section 1437g(d) of this title for the housing; and⁶

(iv) take possession of all or part of the public housing agency, including all or part of any project or program of the agency, including any project or program under any other provision of this subchapter; and

(v) require the agency to make other arrangements acceptable to the Secretary and in the best interests of the public housing residents and families assisted under section 1437f of this title for managing all, or part, of the public housing administered by the agency or of the programs of the agency.

Residents of a public housing agency designated as troubled pursuant to paragraph (2)(A) may petition the Secretary in writing to take 1 or more of the actions referred to in this subparagraph. The Secretary shall respond to such petitions in a timely manner with a written description of the actions, if any, the Secretary plans to take and, where applicable, the reasons why such actions differ from the course proposed by the residents.

(B)(i) If a public housing agency is identified as troubled under this subsection, the Secretary shall notify the agency of the troubled status of the agency.

(ii)(I) Upon the expiration of the 1-year period beginning on the later of the date on which the agency receives initial notice from the Secretary of the troubled status of the agency under clause (i) and October 21, 1998, the agency shall improve its performance, as measured by the performance indicators established pursuant to paragraph (1), by at least 50 percent of the difference between the most recent performance measurement and the measurement necessary to remove that agency's designation as troubled.

(II) Upon the expiration of the 2-year period beginning on the later of the date on which the agency receives initial notice from the Secretary of the troubled status of the agency under clause (i) and October 21, 1998, the agency

shall improve its performance, as measured by the performance indicators established pursuant to paragraph (1), such that the agency is no longer designated as troubled.

(III) In the event that a public housing agency designated as troubled under this subsection fails to comply with the requirements set forth in subclause (I) or (II), the Secretary shall—

(aa) in the case of a troubled public housing agency with 1,250 or more units, petition for the appointment of a receiver pursuant to subparagraph (A)(ii); or

(bb) in the case of a troubled public housing agency with fewer than 1,250 units, either petition for the appointment of a receiver pursuant to subparagraph (A)(ii), or take possession of the public housing agency (including all or part of any project or program of the agency) pursuant to subparagraph (A)(iv) and appoint, on a competitive or noncompetitive basis, an individual or entity as an administrative receiver to assume the responsibilities of the Secretary for the administration of all or part of the public housing agency (including all or part of any project or program of the agency).

This subparagraph shall not be construed to limit the courses of action available to the Secretary under subparagraph (A).

(IV) During the period between the date on which a petition is filed under subclause (III)(aa) and the date on which a receiver assumes responsibility for the management of the public housing agency under such subclause, the Secretary may take possession of the public housing agency (including all or part of any project or program of the agency) pursuant to subparagraph (A)(iv) and may appoint, on a competitive or noncompetitive basis, an individual or entity as an administrative receiver to assume the responsibilities of the Secretary for the administration of all or part of the public housing agency (including all or part of any project or program of the agency).

(C) If a receiver is appointed pursuant to subparagraph (A)(ii), in addition to the powers accorded by the court appointing the receiver, the receiver—

(i) may abrogate any contract to which the United States or an agency of the United States is not a party that, in the receiver's written determination (which shall include the basis for such determination), substantially impedes correction of the substantial default, but only after the receiver determines that reasonable efforts to renegotiate such contract have failed;

(ii) may demolish and dispose of all or part of the assets of the public housing agency (including all or part of any project of the agency) in accordance with section 1437p of this title, including disposition by transfer of properties to resident-supported nonprofit entities;

(iii) if determined to be appropriate by the Secretary, may seek the establishment, as permitted by applicable State and local law, of 1 or more new public housing agencies;

(iv) if determined to be appropriate by the Secretary, may seek consolidation of all or part of the agency (including all or part of any project or program of the agency), as permitted by applicable State and local laws, into

other well-managed public housing agencies with the consent of such well-managed agencies; and

(v) shall not be required to comply with any State or local law relating to civil service requirements, employee rights (except civil rights), procurement, or financial or administrative controls that, in the receiver's written determination (which shall include the basis for such determination), substantially impedes correction of the substantial default.

(D)(i) If, pursuant to subparagraph (A)(iv), the Secretary takes possession of all or part of the public housing agency, including all or part of any project or program of the agency, the Secretary—

(I) may abrogate any contract to which the United States or an agency of the United States is not a party that, in the written determination of the Secretary (which shall include the basis for such determination), substantially impedes correction of the substantial default, but only after the Secretary determines that reasonable efforts to renegotiate such contract have failed;

(II) may demolish and dispose of all or part of the assets of the public housing agency (including all or part of any project of the agency) in accordance with section 1437p of this title, including disposition by transfer of properties to resident-supported nonprofit entities;

(III) may seek the establishment, as permitted by applicable State and local law, of 1 or more new public housing agencies;

(IV) may seek consolidation of all or part of the agency (including all or part of any project or program of the agency), as permitted by applicable State and local laws, into other well-managed public housing agencies with the consent of such well-managed agencies;

(V) shall not be required to comply with any State or local law relating to civil service requirements, employee rights (except civil rights), procurement, or financial or administrative controls that, in the Secretary's written determination (which shall include the basis for such determination), substantially impedes correction of the substantial default; and

(VI) shall, without any action by a district court of the United States, have such additional authority as a district court of the United States would have the authority to confer upon a receiver to achieve the purposes of the receivership.

(ii) If, pursuant to subparagraph (B)(i)(III)(bb), the Secretary appoints an administrative receiver to assume the responsibilities of the Secretary for the administration of all or part of the public housing agency (including all or part of any project or program of the agency), the Secretary may delegate to the administrative receiver any or all of the powers given the Secretary by this subparagraph, as the Secretary determines to be appropriate and subject to clause (iii).

(iii) An administrative receiver may not take an action described in subclause (III) or (IV) of clause (i) unless the Secretary first approves an

application by the administrative receiver to authorize such action.

(E) The Secretary may make available to receivers and other entities selected or appointed pursuant to this paragraph such assistance as the Secretary determines in the discretion of the Secretary is necessary and available to remedy the substantial deterioration of living conditions in individual public housing projects or other related emergencies that endanger the health, safety, and welfare of public housing residents or families assisted under section 1437f of this title. A decision made by the Secretary under this paragraph shall not be subject to review in any court of the United States, or in any court of any State, territory, or possession of the United States.

(F) In any proceeding under subparagraph (A)(ii), upon a determination that a substantial default has occurred and without regard to the availability of alternative remedies, the court shall appoint a receiver to conduct the affairs of all or part of the public housing agency in a manner consistent with this chapter and in accordance with such further terms and conditions as the court may provide. The receiver appointed may be another public housing agency, a private management corporation, or any other person or appropriate entity. The court shall have power to grant appropriate temporary or preliminary relief pending final disposition of the petition by the Secretary.

(G) The appointment of a receiver pursuant to this paragraph may be terminated, upon the petition of any party, when the court determines that all defaults have been cured and the public housing agency is capable again of discharging its duties.

(H) If the Secretary (or an administrative receiver appointed by the Secretary) takes possession of a public housing agency (including all or part of any project or program of the agency), or if a receiver is appointed by a court, the Secretary or receiver shall be deemed to be acting not in the official capacity of that person or entity, but rather in the capacity of the public housing agency, and any liability incurred, regardless of whether the incident giving rise to that liability occurred while the Secretary or receiver was in possession of all or part of the public housing agency (including all or part of any project or program of the agency), shall be the liability of the public housing agency.

(4) SANCTIONS FOR IMPROPER USE OF AMOUNTS.—

(A) IN GENERAL.—In addition to any other actions authorized under this chapter, if the Secretary finds that a public housing agency receiving assistance amounts under section 1437g of this title for public housing has failed to comply substantially with any provision of this chapter relating to the public housing program, the Secretary may—

⁷So in original. The word "this" probably should not appear.

title to the agency by an amount equal to the amount of such payments that were not expended in accordance with this chapter;

(iv) limit the availability of assistance amounts provided to the agency under section 1437g of this title to programs, projects, or activities not affected by such failure to comply;

(v) withhold from the agency amounts allocated for the agency under section 1437f of this title; or

(vi) order other corrective action with respect to the agency.

(B) **TERMINATION OF COMPLIANCE ACTION.**—If the Secretary takes action under subparagraph (A) with respect to a public housing agency, the Secretary shall—

(i) in the case of action under subparagraph (A)(i), resume payments of assistance amounts under section 1437g of this title to the agency in the full amount of the total allocations under section 1437g of this title for the agency at the time that the Secretary first determines that the agency will comply with the provisions of this chapter relating to the public housing program;

(ii) in the case of action under clause (ii) or (v) of subparagraph (A), make withheld amounts available as the Secretary considers appropriate to ensure that the agency complies with the provisions of this chapter relating to such program;

(iii) in the case of action under subparagraph (A)(iv), release such restrictions at the time that the Secretary first determines that the agency will comply with the provisions of this chapter relating to such program; or

(iv) in the case of action under subparagraph (vi), cease such action at the time that the Secretary first determines that the agency will comply with the provisions of this chapter relating to such program.

(5) The Secretary shall submit to the Congress annually, as a part of the report of the Secretary under section 3536 of this title, a report that—

(A) identifies the public housing agencies that have been designated as troubled under paragraph (2);

(B) describes the grounds on which such public housing agencies were designated as troubled and continue to be so designated;

(C) describes the agreements that have been entered into with such agencies under such paragraph;

(D) describes the status of progress under such agreements;

(E) describes any action that has been taken in accordance with paragraph (3), including an accounting of the authorized funds that have been expended to support such actions; and

(F) describes the status of any public housing agency designated as troubled with respect to the program for assistance from the Capital Fund under section 1437g(d) of this title and specifies the amount of assistance the agency received under such program.

(6)(A) To the extent that the Secretary determines such action to be necessary in order to

ensure the accuracy of any certification made under this section, the Secretary shall require an independent auditor to review documentation or other information maintained by a public housing agency pursuant to this section to substantiate each certification submitted by the agency or corporation relating to the performance of that agency or corporation.

(B) The Secretary may withhold, from assistance otherwise payable to the agency or corporation under section 1437g of this title, amounts sufficient to pay for the reasonable costs of any review under this paragraph.

(7) The Secretary shall apply the provisions of this subsection to resident management corporations in the same manner as applied to public housing agencies.

(k) Administrative grievance procedure regulations: grounds of adverse action, hearing, examination of documents, representation, evidence, decision; judicial hearing; eviction and termination procedures

The Secretary shall by regulation require each public housing agency receiving assistance under this chapter to establish and implement an administrative grievance procedure under which tenants will—

(1) be advised of the specific grounds of any proposed adverse public housing agency action;

(2) have an opportunity for a hearing before an impartial party upon timely request within any period applicable under subsection (l) of this section;

For any grievance concerning an eviction or termination of tenancy that involves any activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other tenants or employees of the public housing agency or any violent or drug-related criminal activity on or off such premises, or any activity resulting in a felony conviction, the agency may (A) establish an expedited grievance procedure as the Secretary shall provide by rule under section 553 of title 5, or (B) exclude from its grievance procedure any such grievance, in any jurisdiction which requires that prior to eviction, a tenant be given a hearing in court which the Secretary determines provides the basic elements of due process (which the Secretary shall establish by rule under section 553 of title 5). Such elements of due process shall not include a requirement that the tenant be provided an opportunity to examine relevant documents within the possession of the public housing agency. The agency shall provide to the tenant a reasonable opportunity, prior to hearing or trial, to examine any relevant documents, records, or regulations directly related to the eviction or termination.

(I) Leases; terms and conditions; maintenance; termination

Each public housing agency shall utilize leases which—

(1) have a term of 12 months and shall be automatically renewed for all purposes except for noncompliance with the requirements under section 1437j(c) of this title (relating to community service requirements); except that nothing in this subchapter shall prevent a resident from seeking timely redress in court for failure to renew based on such noncompliance;

(2) do not contain unreasonable terms and conditions;

(3) obligate the public housing agency to maintain the project in a decent, safe, and sanitary condition;

(4) require the public housing agency to give adequate written notice of termination of the lease which shall not be less than—

(A) a reasonable period of time, but not to exceed 30 days—

(i) if the health or safety of other tenants, public housing agency employees, or persons residing in the immediate vicinity of the premises is threatened; or

(ii) in the event of any drug-related or violent criminal activity or any felony conviction;

(C) 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply;

(5) require that the public housing agency may not terminate the tenancy except for serious or repeated violation of the terms or conditions of the lease or for other good cause, and that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of the victim of such violence;

(6) provide that any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants or any drug-related criminal activity on or off such premises, engaged in by a public housing tenant, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy; except that: (A) criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate member of the tenant's family is a victim of that domestic violence, dating violence, or stalking; (B) notwithstanding subparagraph (A) or any Federal, State, or local law to the contrary, a public housing agency may bifurcate a lease under this section, or remove a household member from a lease under

this section, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant and such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the relevant program of HUD-assisted housing; (C) nothing in subparagraph (A) may be construed to limit the authority of a public housing agency, when notified, to honor court orders addressing rights of access to or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up; (D) nothing in subparagraph (A) limits any otherwise available authority of a public housing agency to evict a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate; (E) nothing in subparagraph (A) may be construed to limit the authority of a public housing agency to terminate the tenancy of any tenant if the public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's tenancy is not terminated; and (F) nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.⁸

(7) specify that with respect to any notice of eviction or termination, notwithstanding any State law, a public housing tenant shall be informed of the opportunity, prior to any hearing or trial, to examine any relevant documents, records, or regulations directly related to the eviction or termination;

(7)⁹ provide that any occupancy in violation of section 13661(b) of this title (relating to ineligibility of illegal drug users and alcohol abusers) or the furnishing of any false or misleading information pursuant to section 13662 of this title (relating to termination of tenancy and assistance for illegal drug users and alcohol abusers) shall be cause for termination of tenancy;¹⁰

(9) provide that it shall be cause for immediate termination of the tenancy of a public housing tenant if such tenant—

(n) Notice to post office regarding eviction for criminal activity

(B) Requests by owners of project-based section 8 [42 U.S.C. 1437f] housing

A public housing agency may make a request under subparagraph (A) for information regarding applicants for, or tenants of, housing that is provided project-based assistance under section 1437f of this title only if the housing is located within the jurisdiction of the agency and the owner of such housing has requested that the agency obtain such information on behalf of the owner. Upon such a request by the owner, the agency shall make a request under subparagraph (A) for the information. The agency may not make such information available to the owner but shall perform determinations for the owner regarding screening, lease enforcement, and eviction based on criteria supplied by the owner.

(C) Exception

(6) Penalty

Any person who knowingly and willfully requests or obtains any information concerning an applicant for, or tenant of, covered housing assistance pursuant to the authority under this subsection under false pretenses, or any person who knowingly and willfully discloses any such information in any manner to any individual not entitled under any law to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000. Such certification shall include the name of the perpetrator. The individual shall provide such certification within 14 business days after the individual receives a request for such certification from the public housing agency.

(B) Failure to provide certification

If the individual does not provide the certification within 14 business days after the individual has received a request in writing for such certification from the public housing agency, nothing in this subsection, or in paragraph (5) or (6) of subsection (l) of this section, may be construed to limit the authority of the public housing agency to evict any tenant or lawful occupant that commits violations of a lease. The public housing agency may extend the 14-day deadline at its discretion.

(C) Contents

An individual may satisfy the certification requirement of subparagraph (A) by—

- (i) providing the requesting public housing agency with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the effects of the abuse, in which the professional attests under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation; or
- (ii) producing a Federal, State, tribal, territorial, or local police or court record.

(D) Limitation

Nothing in this subsection shall be construed to require any public housing agency to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, or stalking in order to receive any of the benefits provided in this section. At the public housing agency's discretion, a public housing agency may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

(E) Preemption

Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

(F) Compliance not sufficient to constitute evidence of unreasonable act

Compliance with this statute by a public housing agency, or assisted housing provider based on the certification specified in subparagraphs (A) and (B) of this subsection¹⁴

or based solely on the victim's statement or other corroborating evidence, as permitted by subparagraph (D) of this subsection,¹⁴ shall not alone be sufficient to constitute evidence of an unreasonable act or omission by a public housing agency or employee thereof. Nothing in this subparagraph shall be construed to limit liability for failure to comply with the requirements of subsection (l)(5) and (6) of this section.

(2) Confidentiality

(A) In general

All information provided to any public housing agency pursuant to paragraph (1), including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence by such public housing agency, and shall neither be entered into any shared database nor provided to any related entity, except to the extent that disclosure is—

- (i) requested or consented to by the individual in writing;
- (ii) required for use in an eviction proceeding under subsection (l)(5) or (6) of this section; or
- (iii) otherwise required by applicable law.

(B) Notification

Public housing agencies must provide notice to tenants assisted under this section of their rights under this subsection and subsection (l)(5) and (6) of this section, including their right to confidentiality and the limits thereof.

§ 1437e. Designated housing for elderly and disabled families

(a) Authority to provide designated housing

(1) In general

Subject only to provisions of this section and notwithstanding any other provision of law, a public housing agency for which a plan under subsection (d) of this section is in effect may provide public housing projects (or portions of projects) designated for occupancy by (A) only elderly families, (B) only disabled families, or (C) elderly and disabled families.

(2) Priority for occupancy

In determining priority for admission to public housing projects (or portions of projects) that are designated for occupancy as provided in paragraph (1), the public housing agency may make units in such projects (or portions) available only to the types of families for whom the project is designated.

(3) Eligibility of near-elderly families

If a public housing agency determines that there are insufficient numbers of elderly families to fill all the units in a project (or portion of a project) designated under paragraph (1) for occupancy by only elderly families, the agency may provide that near-elderly families may occupy dwelling units in the project (or portion).

(b) Standards regarding evictions

Except as provided in section 1437n(e)(1)(B)¹ of this title, any tenant who is lawfully residing in a dwelling unit in a public housing project may not be evicted or otherwise required to vacate such unit because of the designation of the project (or portion of a project) pursuant to this section or because of any action taken by the Secretary or any public housing agency pursuant to this section.

(c) Relocation assistance

A public housing agency that designates any existing project or building, or portion thereof, for occupancy as provided under subsection (a)(1) of this section shall provide, to each person and family who agrees to be relocated in connection with such designation—

(1) notice of the designation and an explanation of available relocation benefits, as soon as is practicable for the agency and the person or family;

(2) access to comparable housing (including appropriate services and design features), which may include tenant-based rental assistance under section 1437f of this title, at a rent-

al rate paid by the tenant that is comparable to that applicable to the unit from which the person or family has vacated; and

(3) payment of actual, reasonable moving expenses.

(d) Required plan

A plan under this subsection for designating a project (or portion of a project) for occupancy under subsection (a)(1) of this section is a plan, prepared by the public housing agency for the project and submitted to the Secretary, that—

(1) establishes that the designation of the project is necessary—

(A) to achieve the housing goals for the jurisdiction under the comprehensive housing affordability strategy under section 12705 of this title; and

(B) to meet the housing needs of the low-income population of the jurisdiction; and

(2) includes a description of—

(A) the project (or portion of a project) to be designated;

(B) the types of tenants for which the project is to be designated;

(C) any supportive services to be provided to tenants of the designated project (or portion);

(D) how the design and related facilities (as such term is defined in section 1701q(d)(8)¹ of title 12) of the project accommodate the special environmental needs of the intended occupants; and

(E) any plans to secure additional resources or housing assistance to provide assistance to families that may have been housed if occupancy in the project were not restricted pursuant to this section.

For purposes of this subsection, the term “supportive services” means services designed to meet the special needs of residents.

(e) Review of plans

(1) Review and notification

The Secretary shall conduct a limited review of each plan under subsection (d) of this section that is submitted to the Secretary to ensure that the plan is complete and complies with the requirements of subsection (d) of this section. The Secretary shall notify each public housing agency submitting a plan whether the plan complies with such requirements not later than 60 days after receiving the plan. If the Secretary does not notify the public housing agency, as required under this paragraph or paragraph (2), the plan shall be considered, for purposes of this section, to comply with the requirements under subsection (d) of this section and the Secretary shall be considered to have notified the agency of such compliance upon the expiration of such 60-day period.

(2) Notice of reasons for determination of non-compliance

If the Secretary determines that a plan, as submitted, does not comply with the requirements under subsection (d) of this section, the Secretary shall specify in the notice under paragraph (1) the reasons for the noncompliance and any modifications necessary for the plan to meet such requirements.

¹ See References in Text note below.

(3) Standards for determination of noncompliance

The Secretary may determine that a plan does not comply with the requirements under subsection (d) of this section only if—

(A) the plan is incomplete in significant matters required under such subsection; or

(B) there is evidence available to the Secretary that challenges, in a substantial manner, any information provided in the plan.

(4) Treatment of existing plans

Notwithstanding any other provision of this section, a public housing agency shall be considered to have submitted a plan under this subsection if the agency has submitted to the Secretary an application and allocation plan under this section (as in effect before March 28, 1996) that have not been approved or disapproved before March 28, 1996.

(f) Effectiveness

(1) 5-year effectiveness of original plan

A plan under subsection (d) of this section shall be in effect for purposes of this section during the 5-year period that begins upon notification under subsection (e)(1) of this section of the public housing agency that the plan complies with the requirements under subsection (d) of this section.

(2) Renewal of plan

Upon the expiration of the 5-year period under paragraph (1) or any 2-year period under this paragraph, an agency may extend the effectiveness of the designation and plan for an additional 2-year period (that begins upon such expiration) by submitting to the Secretary any information needed to update the plan. The Secretary may not limit the number of times a public housing agency extends the effectiveness of a designation and plan under this paragraph.

(3) Transition provision

Any application and allocation plan approved under this section (as in effect before March 28, 1996) before March 28, 1996, shall be considered to be a plan under subsection (d) of this section that is in effect for purposes of this section for the 5-year period beginning upon such approval.

(g) Inapplicability of Uniform Relocation Assistance and Real Property Acquisitions Policy Act of 1970

No tenant of a public housing project shall be considered to be displaced for purposes of the Uniform Relocation Assistance and Real Property Acquisitions Policy Act of 1970 [42 U.S.C. 4601 et seq.] because of the designation of any existing project or building, or portion thereof, for occupancy as provided under subsection (a) of this section.

PRIOR PROVISIONS

A prior section 7 of act Sept. 1, 1937, ch. 896, 50 Stat. 891, as amended, required publication of information and submission of annual report by the Authority and was classified to section 1407 of this title, prior to the general revision of this chapter by Pub. L. 93-383.

AMENDMENTS

1998—Subsec. (h). Pub. L. 105-276 struck out heading and text of subsec. (h). Text read as follows: “The provisions of this section shall not apply with respect to low-income housing developed or operated pursuant to a contract between the Secretary and an Indian housing authority.”

1996—Pub. L. 104-330, § 501(b)(4), which directed amendment of “subsection 7” of the United States Housing Act of 1937, probably meaning this section, by striking subsec. (l), could not be executed because this section does not contain a subsec. (l).

Pub. L. 104-120 amended section generally, restating former subsecs. (a) to (g) relating to designated housing as subsecs. (a) to (h) relating to designated housing for elderly and disabled families.

Subsec. (a)(2). Pub. L. 104-99, which directed the temporary amendment of par. (2) by substituting “in accordance with the written system of preferences for selection established pursuant to” for “according to the preferences for occupancy under”, could not be executed because of the amendment by Pub. L. 104-120 which amended section generally retroactive to Oct. 1, 1995. See Effective and Termination Dates of 1996 Amendments note below.

1992—Pub. L. 102-550 amended section generally, substituting present provisions for provisions relating to and defining “congregate housing” and providing for design, development, and acquisition of congregate housing for displaced or elderly families, limitation on amounts for contracts for congregate housing, and costs for central dining facilities.

1988—Pub. L. 100-242 struck out “annual” before “contributions” in proviso.

1978—Pub. L. 95-557 substituted “(1) low-rent housing which, as of January 1, 1979, was built or under construction, with which there is connected a central dining facility where wholesome and economical meals can be served to such occupants; or (2) low-rent housing constructed after, but not under construction prior to, January 1, 1979, connected with which there is a central dining facility to provide wholesome and economical meals for such occupants. Such occupants of congregate housing may also be provided with other supportive services appropriate to their needs under title IV of the Housing and Community Development

Amendments of 1978" for "low-income housing (A) in which some or all of the dwelling units do not have kitchen facilities, and (B) connected with which there is a central dining facility to provide wholesome and economical meals for elderly and displaced families under terms and conditions prescribed by the public housing agency to permit a generally self-supporting operation".

Amendment by Pub. L. 104-120 to be construed to have become effective Oct. 1, 1995, notwithstanding the effective date of any regulations issued by Secretary of Housing and Urban Development to implement amendments by sections 9 and 10 of Pub. L. 104-120 or any failure by Secretary to issue any such regulations, see section 13 of Pub. L. 104-120, set out as a note under section 1437d of this title.

INAPPLICABILITY OF CERTAIN 1992 AMENDMENTS TO
INDIAN PUBLIC HOUSING

Amendment by Pub. L. 102-550 not applicable with respect to lower income housing developed or operated pursuant to contract between Secretary of Housing and Urban Development and Indian housing authority, see section 626 of Pub. L. 102-550, set out as a note under section 1437a of this title.

§ 1437f. Low-income housing assistance

(a) Authorization for assistance payments

For the purpose of aiding low-income families in obtaining a decent place to live and of promoting economically mixed housing, assistance payments may be made with respect to existing housing in accordance with the provisions of this section.

(b) Other existing housing programs

(1) IN GENERAL.—The Secretary is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make assistance payments to owners of existing dwelling units in accordance with this section. In areas where no public housing agency has been organized or where the Secretary determines that a public housing agency is unable to implement the provisions of this section, the Secretary is authorized to enter into such contracts and to perform the other functions assigned to a public housing agency by this section.

(2) The Secretary is authorized to enter into annual contributions contracts with public housing agencies for the purpose of replacing public housing transferred in accordance with subchapter II-A of this chapter. Each contract entered into under this subsection shall be for a term of not more than 60 months.

(c) Contents and purposes of contracts for assistance payments; amount and scope of monthly assistance payments

(1) An assistance contract entered into pursuant to this section shall establish the maximum monthly rent (including utilities and all maintenance and management charges) which the owner is entitled to receive for each dwelling unit with respect to which such assistance payments are to be made. The maximum monthly rent shall not exceed by more than 10 per centum the fair market rental established by the Secretary periodically but not less than annually for existing or newly constructed rental dwelling units of various sizes and types in the market area suitable for occupancy by persons assisted under this section, except that the maximum monthly rent may exceed the fair market rental (A) by more than 10 but not more than 20 per centum where the Secretary determines that special circumstances warrant such higher maximum rent or that such higher rent is necessary to the implementation of a housing strategy as defined in section 12705 of this title, or (B) by such higher amount as may be requested by a tenant and approved by the public housing agency in accordance with paragraph (3)(B). In the case of newly constructed and substantially rehabilitated units, the exception in the preceding sentence shall not apply to more than 20 per centum of the total amount of authority to enter into annual contributions contracts for such units which is allocated to an area and obligated with respect to any fiscal year beginning on or after October 1, 1980. Proposed fair market rentals for an area shall be published in the Federal Register with reasonable time for public comment, and shall become effective upon the date of publication in final form in the Federal Register. Each fair market rental in effect under this subsection shall be adjusted to be effective on October 1 of each year to reflect changes, based on the most recent available data trended so the rentals will be current for the year to which they apply, of rents for existing or newly constructed rental dwelling units, as the case may be, of various sizes and types in the market area suitable for occupancy by persons assisted under this section. Notwithstanding any other provision of this section, after October 12, 1977, the Secretary shall prohibit high-rise elevator projects for families with children unless there is no practical alternative. The Secretary shall establish separate fair market rentals under this paragraph for Westchester County in the State of New York. The Secretary shall also establish separate fair market rentals under this paragraph for Monroe County in the Commonwealth of Pennsylvania. In establishing fair market rentals for the remaining portion of the market area in which Monroe County is located, the Secretary shall establish the fair market rentals as if such portion included Monroe County. If units assisted under this section are exempt from local rent control while they are so assisted or otherwise, the maximum monthly rent for such units shall be reasonable in comparison with other units in the market area that are exempt from local rent control.

(2)(A) The assistance contract shall provide for adjustment annually or more frequently in the

maximum monthly rents for units covered by the contract to reflect changes in the fair market rentals established in the housing area for similar types and sizes of dwelling units or, if the Secretary determines, on the basis of a reasonable formula. However, where the maximum monthly rent, for a unit in a new construction, substantial rehabilitation, or moderate rehabilitation project, to be adjusted using an annual adjustment factor exceeds the fair market rental for an existing dwelling unit in the market area, the Secretary shall adjust the rent only to the extent that the owner demonstrates that the adjusted rent would not exceed the rent for an unassisted unit of similar quality, type, and age in the same market area, as determined by the Secretary. The immediately foregoing sentence shall be effective only during fiscal year 1995, fiscal year 1996 prior to April 26, 1996, and fiscal years 1997 and 1998, and during fiscal year 1999 and thereafter. Except for assistance under the certificate program, for any unit occupied by the same family at the time of the last annual rental adjustment, where the assistance contract provides for the adjustment of the maximum monthly rent by applying an annual adjustment factor and where the rent for a unit is otherwise eligible for an adjustment based on the full amount of the factor, 0.01 shall be subtracted from the amount of the factor, except that the factor shall not be reduced to less than 1.0. In the case of assistance under the certificate program, 0.01 shall be subtracted from the amount of the annual adjustment factor (except that the factor shall not be reduced to less than 1.0), and the adjusted rent shall not exceed the rent for a comparable unassisted unit of similar quality, type, and age in the market area. The immediately foregoing two sentences shall be effective only during fiscal year 1995, fiscal year 1996 prior to April 26, 1996, and fiscal years 1997 and 1998, and during fiscal year 1999 and thereafter. In establishing annual adjustment factors for units in new construction and substantial rehabilitation projects, the Secretary shall take into account the fact that debt service is a fixed expense. The immediately foregoing sentence shall be effective only during fiscal year 1998.

(B) The contract shall further provide for the Secretary to make additional adjustments in the maximum monthly rent for units under contract to the extent he determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs which are not adequately compensated for by the adjustment in the maximum monthly rent authorized by subparagraph (A). The Secretary shall make additional adjustments in the maximum monthly rent for units under contract (subject to the availability of appropriations for contract amendments) to the extent the Secretary determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units that have resulted from the expiration of a real property tax exemption. Where the Secretary determines that a project assisted under this section is located in a community where drug-related crimi-

nal activity is generally prevalent and the project's operating, maintenance, and capital repair expenses have been substantially increased primarily as a result of the prevalence of such drug-related activity, the Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments for this purpose), on a project by project basis, provide adjustments to the maximum monthly rents, to a level no greater than 120 percent of the project rents, to cover the costs of maintenance, security, capital repairs, and reserves required for the owner to carry out a strategy acceptable to the Secretary for addressing the problem of drug-related criminal activity. Any rent comparability standard required under this paragraph may be waived by the Secretary to so implement the preceding sentence. The Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments), on a project by project basis for projects receiving project-based assistance, provide adjustments to the maximum monthly rents to cover the costs of evaluating and reducing lead-based paint hazards, as defined in section 4851b of this title.

(C) Adjustments in the maximum rents under subparagraphs (A) and (B) shall not result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, as determined by the Secretary. In implementing the limitation established under the preceding sentence, the Secretary shall establish regulations for conducting comparability studies for projects where the Secretary has reason to believe that the application of the formula adjustments under subparagraph (A) would result in such material differences. The Secretary shall conduct such studies upon the request of any owner of any project, or as the Secretary determines to be appropriate by establishing, to the extent practicable, a modified annual adjustment factor for such market area, as the Secretary shall designate, that is geographically smaller than the applicable housing area used for the establishment of the annual adjustment factor under subparagraph (A). The Secretary shall establish such modified annual adjustment factor on the basis of the results of a study conducted by the Secretary of the rents charged, and any change in such rents over the previous year, for assisted units and unassisted units of similar quality, type, and age in the smaller market area. Where the Secretary determines that such modified annual adjustment factor cannot be established or that such factor when applied to a particular project would result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, the Secretary may apply an alternative methodology for conducting comparability studies in order to establish rents that are not materially different from rents charged for comparable unassisted units. If the Secretary or appropriate State agency does not complete and submit to the project owner a comparability study not later than 60 days before the anniversary date of the assistance contract under this section, the automatic annual adjustment factor shall be ap-

plied. The Secretary may not reduce the contract rents in effect on or after April 15, 1987, for newly constructed, substantially rehabilitated, or moderately rehabilitated projects assisted under this section (including projects assisted under this section as in effect prior to November 30, 1983), unless the project has been refinanced in a manner that reduces the periodic payments of the owner. Any maximum monthly rent that has been reduced by the Secretary after April 14, 1987, and prior to November 7, 1988, shall be restored to the maximum monthly rent in effect on April 15, 1987. For any project which has had its maximum monthly rents reduced after April 14, 1987, the Secretary shall make assistance payments (from amounts reserved for the original contract) to the owner of such project in an amount equal to the difference between the maximum monthly rents in effect on April 15, 1987, and the reduced maximum monthly rents, multiplied by the number of months that the reduced maximum monthly rents were in effect.

(3) The amount of the monthly assistance payment with respect to any dwelling unit shall be the difference between the maximum monthly rent which the contract provides that the owner is to receive for the unit and the rent the family is required to pay under section 1437a(a) of this title. Reviews of family income shall be made no less frequently than annually.

(4) The assistance contract shall provide that assistance payments may be made only with respect to a dwelling unit under lease for occupancy by a family determined to be a lower income family at the time it initially occupied such dwelling unit, except that such payments may be made with respect to unoccupied units for a period not exceeding sixty days (A) in the event that a family vacates a dwelling unit before the expiration date of the lease for occupancy or (B) where a good faith effort is being made to fill an unoccupied unit, and, subject to the provisions of the following sentence, such payments may be made, in the case of a newly constructed or substantially rehabilitated project, after such sixty-day period in an amount equal to the debt service attributable to such an unoccupied dwelling unit for a period not to exceed one year, if a good faith effort is being made to fill the unit and the unit provides decent, safe, and sanitary housing. No such payment may be made after such sixty-day period if the Secretary determines that the dwelling unit is in a project which provides the owner with revenues exceeding the costs incurred by such owner with respect to such project.

(5) The Secretary shall take such steps as may be necessary, including the making of contracts for assistance payments in amounts in excess of the amounts required at the time of the initial renting of dwelling units, the reservation of annual contributions authority for the purpose of amending housing assistance contracts, or the allocation of a portion of new authorizations for the purpose of amending housing assistance contracts, to assure that assistance payments are increased on a timely basis to cover increases in maximum monthly rents or decreases in family incomes.

(6) Redesignated (5).

(7) Repealed. Pub. L. 105-276, title V, § 550(a)(3)(C), Oct. 21, 1998, 112 Stat. 2609.

(8)(A) Not less than one year before termination of any contract under which assistance payments are received under this section, other than a contract for tenant-based assistance under this section, an owner shall provide written notice to the Secretary and the tenants involved of the proposed termination. The notice shall also include a statement that, if the Congress makes funds available, the owner and the Secretary may agree to a renewal of the contract, thus avoiding termination, and that in the event of termination the Department of Housing and Urban Development will provide tenant-based rental assistance to all eligible residents, enabling them to choose the place they wish to rent, which is likely to include the dwelling unit in which they currently reside. Any contract covered by this paragraph that is renewed may be renewed for a period of up to 1 year or any number or years, with payments subject to the availability of appropriations for any year.

(B) In the event the owner does not provide the notice required, the owner may not evict the tenants or increase the tenants' rent payment until such time as the owner has provided the notice and 1 year has elapsed. The Secretary may allow the owner to renew the terminating contract for a period of time sufficient to give tenants 1 year of advance notice under such terms and conditions as the Secretary may require.

(C) Any notice under this paragraph shall also comply with any additional requirements established by the Secretary.

(D) For purposes of this paragraph, the term "termination" means the expiration of the assistance contract or an owner's refusal to renew the assistance contract, and such term shall include termination of the contract for business reasons.

(9)(A) That an applicant or participant is or has been a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission.

(B) An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

(C)(i) Criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that domestic violence, dating violence, or stalking.

(ii) Notwithstanding clause (i) or any Federal, State, or local law to the contrary, an owner or manager may bifurcate a lease under this section, or remove a household member from a lease under this section, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occu-

pancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the relevant program of HUD-assisted housing.

(iii) Nothing in clause (i) may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access to or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.

(iv) Nothing in clause (i) limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner or manager does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.

(v) Nothing in clause (i) may be construed to limit the authority of an owner, manager, or public housing agency to evict or terminate from assistance any tenant or lawful occupant if the owner, manager or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance.

(vi) Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

(d) Required provisions and duration of contracts for assistance payments; waiver of limitation

(1) Contracts to make assistance payments entered into by a public housing agency with an owner of existing housing units shall provide (with respect to any unit) that—

(A) the selection of tenants shall be the function of the owner, subject to the annual contributions contract between the Secretary and the agency, except that with respect to the certificate and moderate rehabilitation programs only, for the purpose of selecting families to be assisted, the public housing agency may establish local preferences, consistent with the public housing agency plan submitted under section 1437c-1 of this title by the public housing agency and that an applicant or participant is or has been a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission if

the applicant otherwise qualifies for assistance or admission;

(B)(i) the lease between the tenant and the owner shall be for at least one year or the term of such contract, whichever is shorter, and shall contain other terms and conditions specified by the Secretary;

(iii) during the term of the lease, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises, or any drug-related criminal activity on or near such premises, engaged in by a tenant of any unit, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy, except that: (I) criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy or occupancy rights or program assistance, if the tenant or immediate member of the tenant's family is a victim of that domestic violence, dating violence, or stalking; (II) Notwithstanding¹ subclause (I) or any Federal, State, or local law to the contrary, a public housing agency may terminate assistance to, or an owner or manager may bifurcate a lease under this section, or remove a household member from a lease under this section, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the relevant program of HUD-assisted housing.² (III) nothing in subclause (I) may be construed to limit the authority of a public housing agency, owner, or manager, when notified,

(iv) any termination of tenancy shall be preceded by the owner's provision of written notice to the tenant specifying the grounds for such action; and

(v) it shall be cause for termination of the tenancy of a tenant if such tenant—

(I) is fleeing to avoid prosecution, or custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor under the laws of such State; or

(C) maintenance and replacement (including redecoration) shall be in accordance with the standard practice for the building concerned as established by the owner and agreed to by the agency; and

(D) the agency and the owner shall carry out such other appropriate terms and conditions as may be mutually agreed to by them.

(2)(A) Each contract for an existing structure entered into under this section shall be for a term of not less than one month nor more than one hundred and eighty months. The Secretary shall permit public housing agencies to enter into contracts for assistance payments of less than 12 months duration in order to avoid disruption in assistance to eligible families if the annual contributions contract is within 1 year of its expiration date.

(B)(i) In determining the amount of assistance provided under an assistance contract for project-based assistance under this paragraph or a contract for assistance for housing constructed or substantially rehabilitated pursuant to assistance provided under subsection (b)(2) of this section (as such subsection existed immediately before October 1, 1983), the Secretary may consider and annually adjust, with respect to such project, for the cost of employing or otherwise retaining the services of one or more service coordinators under section 661⁵ of the Housing and Community Development Act of 1992 [42 U.S.C. 13631] to coordinate the provision of any services within the project for residents of the project who are elderly or disabled families.

(ii) The budget authority available under section 1437c(c) of this title for assistance under this section is authorized to be increased by \$15,000,000 on or after October 1, 1992, and by \$15,000,000 on or after October 1, 1993. Amounts made available under this subparagraph shall be used to provide additional amounts under annual contributions contracts for assistance under this section which shall be made available through assistance contracts only for the purpose of providing service coordinators under clause (i) for projects receiving project-based assistance under this paragraph and to provide additional amounts under contracts for assistance for projects constructed or substantially rehabilitated pursuant to assistance provided under subsection (b)(2) of this section (as such subsection existed immediately before October 1, 1983) only for such purpose.

(C) An assistance contract for project-based assistance under this paragraph shall provide that the owner shall ensure and maintain compliance with subtitle C of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13601 et seq.] and any regulations issued under such subtitle.

(D) An owner of a covered section 8 [42 U.S.C. 1437f] housing project (as such term is defined in section 659 of the Housing and Community Development Act of 1992 [42 U.S.C. 13619]) may give preference for occupancy of dwelling units in the project, and reserve units for occupancy, in accordance with subtitle D of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13611 et seq.].

(3) Notwithstanding any other provision of law, with the approval of the Secretary the public housing agency administering a contract under this section with respect to existing housing units may exercise all management and maintenance responsibilities with respect to those units pursuant to a contract between such agency and the owner of such units.

(4) A public housing agency that serves more than one unit of general local government may, at the discretion of the agency, in allocating assistance under this section, give priority to disabled families that are not elderly families.

(6) **TREATMENT OF COMMON AREAS.**—The Secretary may not provide any assistance amounts pursuant to an existing contract for project-based assistance under this section for a housing project and may not enter into a new or renewal contract for such assistance for a project unless the owner of the project provides consent, to such local law enforcement agencies as the Secretary determines appropriate, for law enforcement officers of such agencies to enter common areas of the project at any time and without advance notice upon a determination of probable cause by such officers that criminal activity is taking place in such areas.

(o) Voucher program

(1) Authority

(A) In general

The Secretary may provide assistance to public housing agencies for tenant-based assistance using a payment standard established in accordance with subparagraph (B). The payment standard shall be used to determine the monthly assistance that may be paid for any family, as provided in paragraph (2).

(B) Establishment of payment standard

Except as provided under subparagraph (D), the payment standard for each size of dwelling unit in a market area shall not exceed 110 percent of the fair market rental established under subsection (c) of this section for the same size of dwelling unit in the same market area and shall be not less than 90 percent of that fair market rental.

(C) Set-aside

The Secretary may set aside not more than 5 percent of the budget authority made available for assistance under this subsection as an adjustment pool. The Secretary shall use amounts in the adjustment pool to make adjusted payments to public housing agencies under subparagraph (A), to ensure continued affordability, if the Secretary determines that additional assistance for such purpose is necessary, based on documentation submitted by a public housing agency.

(D) Approval

The Secretary may require a public housing agency to submit the payment standard of the public housing agency to the Secretary for approval, if the payment standard is less than 90 percent of the fair market rental or exceeds 110 percent of the fair market rental.

(E) Review

The Secretary—

(i) shall monitor rent burdens and review any payment standard that results in a significant percentage of the families occupying units of any size paying more than 30 percent of adjusted income for rent; and

(ii) may require a public housing agency to modify the payment standard of the public housing agency based on the results of that review.

(2) Amount of monthly assistance payment

Subject to the requirement under section 1437a(a)(3) of this title (relating to minimum rental amount), the monthly assistance payment for a family receiving assistance under this subsection shall be determined as follows:

(A) Tenant-based assistance; rent not exceeding payment standard

For a family receiving tenant-based assistance, if the rent for the family (including the amount allowed for tenant-paid utilities) does not exceed the applicable payment standard established under paragraph (1), the monthly assistance payment for the family shall be equal to the amount by which the rent (including the amount allowed for tenant-paid utilities) exceeds the greatest of the following amounts, rounded to the nearest dollar:

(i) 30 percent of the monthly adjusted income of the family.

(ii) 10 percent of the monthly income of the family.

(iii) If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the actual housing costs of the family, is specifically designated by that agency to meet the housing costs of the family, the portion of those payments that is so designated.

(B) Tenant-based assistance; rent exceeding payment standard

For a family receiving tenant-based assistance, if the rent for the family (including the amount allowed for tenant-paid utilities) exceeds the applicable payment standard established under paragraph (1), the monthly assistance payment for the family shall be equal to the amount by which the applicable payment standard exceeds the greatest of amounts under clauses (i), (ii), and (iii) of subparagraph (A).

(C) Families receiving project-based assistance

For a family receiving project-based assistance, the rent that the family is required to pay shall be determined in accordance with section 1437a(a)(1) of this title, and the amount of the housing assistance payment shall be determined in accordance with subsection (c)(3) of this section.

(3) 40 percent limit

At the time a family initially receives tenant-based assistance under this section with respect to any dwelling unit, the total amount that a family may be required to pay for rent may not exceed 40 percent of the monthly adjusted income of the family.

To be eligible to receive assistance under this subsection, a family shall, at the time a family initially receives assistance under this subsection, be a low-income family that is—

- (A) a very low-income family;
- (B) a family previously assisted under this subchapter;

(A) In general

Reviews of family incomes for purposes of this section shall be subject to the provisions of section 3544 of this title and shall be conducted upon the initial provision of housing assistance for the family and thereafter not less than annually.

(B) Procedures

Each public housing agency administering assistance under this subsection shall establish procedures that are appropriate and necessary to ensure that income data provided to the agency and owners by families applying for or receiving assistance from the agency is complete and accurate. Each public housing agency shall, not less frequently than annually, conduct a review of the family income of each family receiving assistance under this subsection.

(6) Selection of families and disapproval of owners

(A) Preferences

(i) Authority to establish

Each public housing agency may establish a system for making tenant-based assistance under this subsection available on behalf of eligible families that provides preference for such assistance to eligible families having certain characteristics, which may include a preference for families residing in public housing who are victims of a crime of violence (as such term is defined in section 16 of title 18) that has been reported to an appropriate law enforcement agency.

(ii) Content

Each system of preferences established pursuant to this subparagraph shall be based upon local housing needs and priorities, as determined by the public housing agency using generally accepted data sources, including any information obtained pursuant to an opportunity for public comment as provided under section 1437c-1(f) of this title and under the requirements applicable to the comprehensive housing affordability strategy for the relevant jurisdiction.

(B) Selection of tenants

Each housing assistance payment contract entered into by the public housing agency

and the owner of a dwelling unit)⁶ shall provide that the screening and selection of families for those units shall be the function of the owner. In addition, the public housing agency may elect to screen applicants for the program in accordance with such requirements as the Secretary may establish. That an applicant or participant is or has been a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission if the applicant otherwise qualifies for assistance or admission. Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

(C) PHA disapproval of owners

In addition to other grounds authorized by the Secretary, a public housing agency may elect not to enter into a housing assistance payments contract under this subsection with an owner who refuses, or has a history of refusing, to take action to terminate tenancy for activity engaged in by the tenant, any member of the tenant's household, any guest, or any other person under the control of any member of the household that—

- (i) threatens the health or safety of, or right to peaceful enjoyment of the premises by, other tenants or employees of the public housing agency, owner, or other manager of the housing;
- (ii) threatens the health or safety of, or right to peaceful enjoyment of the residences by, persons residing in the immediate vicinity of the premises; or
- (iii) is drug-related or violent criminal activity.

(7) Leases and tenancy

Each housing assistance payment contract entered into by the public housing agency and the owner of a dwelling unit—

(A) shall provide that the lease between the tenant and the owner shall be for a term of not less than 1 year, except that the public housing agency may approve a shorter term for an initial lease between the tenant and the dwelling unit owner if the public housing agency determines that such shorter term would improve housing opportunities for the tenant and if such shorter term is considered to be a prevailing local market practice;

(B) shall provide that the dwelling unit owner shall offer leases to tenants assisted under this subsection that—

- (i) are in a standard form used in the locality by the dwelling unit owner; and
- (ii) contain terms and conditions that—
 - (I) are consistent with State and local law; and
 - (II) apply generally to tenants in the property who are not assisted under this section;

(C) shall provide that during the term of the lease, the owner shall not terminate the

tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause, and that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking shall not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and shall not be good cause for terminating the tenancy or occupancy rights of the victim of such violence and in the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease vacating the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner—

(i) will occupy the unit as a primary residence; and

(ii) has provided the tenant a notice to vacate at least 90 days before the effective date of such notice.;⁴

(D) shall provide that during the term of the lease, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises, or any violent or drug-related criminal activity on or near such premises, engaged in by a tenant of any unit, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy; except that (i) criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate member of the tenant's family is a victim of that domestic violence, dating violence, or stalking; (ii) LIMITATION.—Notwithstanding⁷ clause (i) or any Federal, State, or local law to the contrary, a public housing agency may terminate assistance to, or an owner or manager may bifurcate a lease under this section, or remove a household member from a lease under this section, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law

for the termination of leases or assistance under the relevant program of HUD-assisted housing;² (iii) nothing in clause (i) may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up; (iv) nothing in clause (i) limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate; (v) nothing in clause (i) may be construed to limit the authority of an owner or manager to evict, or the public housing agency to terminate assistance to³ any tenant if the owner, manager, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance; and (vi) nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.;⁴

(E) shall provide that any termination of tenancy under this subsection shall be preceded by the provision of written notice by the owner to the tenant specifying the grounds for that action, and any relief shall be consistent with applicable State and local law; and

(F) may include any addenda required by the Secretary to set forth the provisions of this subsection. (8) Inspection of units by PHAs**(A) In general**

Except as provided in paragraph (11), for each dwelling unit for which a housing assistance payment contract is established under this subsection, the public housing agency shall inspect the unit before any assistance payment is made to determine whether the dwelling unit meets the housing quality standards under subparagraph (B).

(B) Housing quality standards

The housing quality standards under this subparagraph are standards for safe and habitable housing established—

(i) by the Secretary for purposes of this subsection; or

(ii) by local housing codes or by codes adopted by public housing agencies that—

(I) meet or exceed housing quality standards, except that the Secretary may waive the requirement under this subclause to significantly increase access to affordable housing and to expand housing opportunities for families assisted under this subsection, except where such waiver could adversely affect the health or safety of families assisted under this subsection; and

(II) do not severely restrict housing choice⁹

(C) Inspection

The determination required under subparagraph (A) shall be made by the public housing agency (or other entity, as provided in paragraph (11)) pursuant to an inspection of the dwelling unit conducted before any assistance payment is made for the unit. Inspections of dwelling units under this subparagraph shall be made before the expiration of the 15-day period beginning upon a request by the resident or landlord to the public housing agency or, in the case of any public housing agency that provides assistance under this subsection on behalf of more than 1250 families, before the expiration of a reasonable period beginning upon such request. The performance of the agency in meeting the 15-day inspection deadline shall be taken into consideration in assessing the performance of the agency.

(D) Annual inspections

Each public housing agency providing assistance under this subsection (or other entity, as provided in paragraph (11)) shall make an annual inspection of each assisted dwelling unit during the term of the housing assistance payments contract for the unit to determine whether the unit is maintained in accordance with the requirements under subparagraph (A). The agency (or other entity) shall retain the records of the inspection for a reasonable time and shall make the records available upon request to the Secretary, the Inspector General for the Department of Housing and Urban Development, and any auditor conducting an audit under section 1437c(h) of this title.

(E) Inspection guidelines

The Secretary shall establish procedural guidelines and performance standards to facilitate inspections of dwelling units and conform such inspections with practices utilized in the private housing market. Such guidelines and standards shall take into consideration variations in local laws and practices of public housing agencies and shall provide flexibility to authorities appropriate to facilitate efficient provision of assistance under this subsection.

(9) Vacated units

If an assisted family vacates a dwelling unit for which rental assistance is provided under a housing assistance payment contract before the expiration of the term of the lease for the unit, rental assistance pursuant to such contract may not be provided for the unit after the month during which the unit was vacated.

(10) Rent**(A) Reasonableness**

The rent for dwelling units for which a housing assistance payment contract is established under this subsection shall be reasonable in comparison with rents charged for comparable dwelling units in the private, unassisted local market.

(B) Negotiations

A public housing agency (or other entity, as provided in paragraph (11)) shall, at the request of a family receiving tenant-based assistance under this subsection, assist that family in negotiating a reasonable rent with a dwelling unit owner. A public housing agency (or such other entity) shall review the rent for a unit under consideration by the family (and all rent increases for units under lease by the family) to determine whether the rent (or rent increase) requested by the owner is reasonable. If a public housing agency (or other such entity) determines that the rent (or rent increase) for a dwelling unit is not reasonable, the public housing agency (or other such entity) shall not make housing assistance payments to the owner under this subsection with respect to that unit.

(C) Units exempt from local rent control

If a dwelling unit for which a housing assistance payment contract is established under this subsection is exempt from local rent control provisions during the term of that contract, the rent for that unit shall be reasonable in comparison with other units in the market area that are exempt from local rent control provisions.

(D) Timely payments

Each public housing agency shall make timely payment of any amounts due to a dwelling unit owner under this subsection. The housing assistance payment contract between the owner and the public housing agency may provide for penalties for the late payment of amounts due under the contract, which shall be imposed on the public housing agency in accordance with generally ac-

cepted practices in the local housing market.

(E) Penalties

Unless otherwise authorized by the Secretary, each public housing agency shall pay any penalties from administrative fees collected by the public housing agency, except that no penalty shall be imposed if the late payment is due to factors that the Secretary determines are beyond the control of the public housing agency.

(i) comparison with rent for units in the private, unassisted local market shall not be required if the rent is equal to or less than the rent for other comparable units receiving such tax credits or assistance in the project that are not occupied by families assisted with tenant-based assistance under this subsection; and

(ii) the rent shall not be considered reasonable for purposes of this paragraph if it exceeds the greater of—

(I) the rents charged for other comparable units receiving such tax credits or assistance in the project that are not occupied by families assisted with tenant-based assistance under this subsection; and

(II) the payment standard established by the public housing agency for a unit of the size involved.

(11) Leasing of units owned by PHA

If an eligible family assisted under this subsection leases a dwelling unit (other than a public housing dwelling unit) that is owned by a public housing agency administering assistance under this subsection, the Secretary shall require the unit of general local government or another entity approved by the Secretary, to make inspections required under paragraph (8) and rent determinations required under paragraph (10). The agency shall be responsible for any expenses of such inspections and determinations.

(12) Assistance for rental of manufactured housing

(A) In general

A public housing agency may make assistance payments in accordance with this subsection on behalf of a family that utilizes a manufactured home as a principal place of residence. Such payments may be made only for the rental of the real property on which the manufactured home owned by any such family is located.

(B) Rent calculation

(i) Charges included

For assistance pursuant to this paragraph, the rent for the space on which a manufactured home is located and with respect to which assistance payments are to be made shall include maintenance and management charges and tenant-paid utilities.

(ii) Payment standard

The public housing agency shall establish a payment standard for the purpose of determining the monthly assistance that may be paid for any family under this paragraph. The payment standard may not exceed an amount approved or established by the Secretary.

(iii) Monthly assistance payment

The monthly assistance payment for a family assisted under this paragraph shall be determined in accordance with paragraph (2).

(13) PHA project-based assistance

(A) In general

A public housing agency may use amounts provided under an annual contributions contract under this subsection to enter into a housing assistance payment contract with respect to an existing, newly constructed, or rehabilitated structure, that is attached to the structure, subject to the limitations and requirements of this paragraph.

(B) Percentage limitation

Not more than 20 percent of the funding available for tenant-based assistance under this section that is administered by the agency may be attached to structures pursuant to this paragraph.

(C) Consistency with PHA plan and other goals

A public housing agency may approve a housing assistance payment contract pursuant to this paragraph only if the contract is consistent with—

(i) the public housing agency plan for the agency approved under section 1437c-1 of this title; and

(ii) the goal of deconcentrating poverty and expanding housing and economic opportunities.

(D) Income mixing requirement

(i) In general

(ii) Exceptions

ily properties or for dwelling units that are specifically made available for households comprised of elderly families, disabled families, and families receiving supportive services.

(E) Resident choice requirement

A housing assistance payment contract pursuant to this paragraph shall provide as follows:

(i) Mobility

Each low-income family occupying a dwelling unit assisted under the contract may move from the housing at any time after the family has occupied the dwelling unit for 12 months.

(ii) Continued assistance

Upon such a move, the public housing agency shall provide the low-income family with tenant-based rental assistance under this section or such other tenant-based rental assistance that is subject to comparable income, assistance, rent contribution, affordability, and other requirements, as the Secretary shall provide by regulation. If such rental assistance is not immediately available to fulfill the requirement under the preceding sentence with respect to a low-income family, such requirement may be met by providing the family priority to receive the next voucher or other tenant-based rental assistance amounts that become available under the program used to fulfill such requirement.

(F) Contract term

A housing assistance payment contract pursuant to this paragraph between a public housing agency and the owner of a structure may have a term of up to 15 years, subject to the availability of sufficient appropriated funds for the purpose of renewing expiring contracts for assistance payments, as provided in appropriations Acts and in the agency's annual contributions contract with the Secretary, and to annual compliance with the inspection requirements under paragraph (8), except that the agency shall not be required to make annual inspections of each assisted unit in the development. The contract may specify additional conditions for its continuation. If the units covered by the contract are owned by the agency, the term of the contract shall be agreed upon by the agency and the unit of general local government or other entity approved by the Secretary in the manner provided under paragraph (11).

(G) Extension of contract term

A public housing agency may enter into a contract with the owner of a structure assisted under a housing assistance payment contract pursuant to this paragraph to extend the term of the underlying housing assistance payment contract for such period as the agency determines to be appropriate to achieve long-term affordability of the housing or to expand housing opportunities. Such contract may, at the election of the public housing agency and the owner of the struc-

ture, specify that such contract shall be extended for renewal terms of up to 15 years each, if the agency makes the determination required by this subparagraph and the owner is in compliance with the terms of the contract. Such a contract shall provide that the extension of such term shall be contingent upon the future availability of appropriated funds for the purpose of renewing expiring contracts for assistance payments, as provided in appropriations Acts, and may obligate the owner to have such extensions of the underlying housing assistance payment contract accepted by the owner and the successors in interest of the owner. A public housing agency may agree to enter into such a contract at the time it enters into the initial agreement for a housing assistance payment contract or at any time thereafter that is before the expiration of the housing assistance payment contract.

(H) Rent calculation

A housing assistance payment contract pursuant to this paragraph shall establish rents for each unit assisted in an amount that does not exceed 110 percent of the applicable fair market rental (or any exception payment standard approved by the Secretary pursuant to paragraph (1)(D)), except that if a contract covers a dwelling unit that has been allocated low-income housing tax credits pursuant to section 42 of title 26 and is not located in a qualified census tract (as such term is defined in subsection (d) of such section 42), the rent for such unit may be established at any level that does not exceed the rent charged for comparable units in the building that also receive the low-income housing tax credit but do not have additional rental assistance, except that in the case of a contract unit that has been allocated low-income housing tax credits and for which the rent limitation pursuant to such section 42 is less than the amount that would otherwise be permitted under this subparagraph, the rent for such unit may, in the sole discretion of a public housing agency, be established at the higher section 8 [42 U.S.C. 1437f] rent, subject only to paragraph (10)(A). The rents established by housing assistance payment contracts pursuant to this paragraph may vary from the payment standards established by the public housing agency pursuant to paragraph (1)(B), but shall be subject to paragraph (10)(A).

(I) Rent adjustments

A housing assistance payments contract pursuant to this paragraph shall provide for rent adjustments, except that—

- (i) the adjusted rent for any unit assisted shall be reasonable in comparison with rents charged for comparable dwelling units in the private, unassisted, local market and may not exceed the maximum rent permitted under subparagraph (H), except that the contract may provide that the maximum rent permitted for a dwelling unit shall not be less than the initial rent for the dwelling unit under the initial housing assistance payments contract covering the unit; and

(ii) the provisions of subsection (c)(2)(C) of this section shall not apply.

(J) Tenant selection

A public housing agency shall select families to receive project-based assistance pursuant to this paragraph from its waiting list for assistance under this subsection. Eligibility for such project-based assistance shall be subject to the provisions of section 1437n(b) of this title that apply to tenant-based assistance. The agency may establish preferences or criteria for selection for a unit assisted under this paragraph that are consistent with the public housing agency plan for the agency approved under section 1437c-1 of this title. Any family that rejects an offer of project-based assistance under this paragraph or that is rejected for admission to a structure by the owner or manager of a structure assisted under this paragraph shall retain its place on the waiting list as if the offer had not been made. The owner or manager of a structure assisted under this paragraph shall not admit any family to a dwelling unit assisted under a contract pursuant to this paragraph other than a family referred by the public housing agency from its waiting list. Subject to its waiting list policies and selection preferences, a public housing agency may place on its waiting list a family referred by the owner or manager of a structure and may maintain a separate waiting list for assistance under this paragraph, but only if all families on the agency's waiting list for assistance under this subsection are permitted to place their names on the separate list.

(K) Vacated units

Notwithstanding paragraph (9), a housing assistance payment contract pursuant to this paragraph may provide as follows:

(i) Payment for vacant units

That the public housing agency may, in its discretion, continue to provide assistance under the contract, for a reasonable period not exceeding 60 days, for a dwelling unit that becomes vacant, but only: (I) if the vacancy was not the fault of the owner of the dwelling unit; and (II) the agency and the owner take every reasonable action to minimize the likelihood and extent of any such vacancy. Rental assistance may not be provided for a vacant unit after the expiration of such period.

(ii) Reduction of contract

That, if despite reasonable efforts of the agency and the owner to fill a vacant unit, no eligible family has agreed to rent the unit within 120 days after the owner has notified the agency of the vacancy, the agency may reduce its housing assistance payments contract with the owner by the amount equivalent to the remaining months of subsidy attributable to the vacant unit. Amounts deobligated pursuant to such a contract provision shall be available to the agency to provide assistance under this subsection.

Eligible applicants for assistance under this subsection may enforce provisions authorized by this subparagraph.

(L) Use in cooperative housing and elevator buildings

A public housing agency may enter into a housing assistance payments contract under this paragraph with respect to—

(i) dwelling units in cooperative housing; and

(ii) notwithstanding subsection (c), dwelling units in a high-rise elevator project, including such a project that is occupied by families with children, without review and approval of the contract by the Secretary.

(M) Reviews

(i) Subsidy layering

(ii) Environmental review

A public housing agency shall not be required to undertake any environmental review before entering into a housing assistance payments contract under this paragraph for an existing structure, except to the extent such a review is otherwise required by law or regulation.

(14) Inapplicability to tenant-based assistance

Subsection (c) of this section shall not apply to tenant-based assistance under this subsection.

(15) Homeownership option

(B) Victims of crime

(i) In general

Of amounts made available for assistance under this section in each fiscal year,

the Secretary shall make available such sums as may be necessary for the relocation of families residing in public housing who are victims of a crime of violence (as that term is defined in section 16 of title 18) that has been reported to an appropriate law enforcement agency.

(ii) Notice

A public housing agency that receives amounts under this subparagraph shall establish procedures for providing notice of the availability of that assistance to families that may be eligible for that assistance.

(17) Deed restrictions

Assistance under this subsection may not be used in any manner that abrogates any local deed restriction that applies to any housing consisting of 1 to 4 dwelling units. This paragraph may not be construed to affect the provisions or applicability of the Fair Housing Act [42 U.S.C. 3601 et seq.].

(18) Rental assistance for assisted living facilities

(A) In general

A public housing agency may make assistance payments on behalf of a family that uses an assisted living facility as a principal place of residence and that uses such supportive services made available in the facility as the agency may require. (B) Rent calculation

(i) Charges included

For assistance pursuant to this paragraph, the rent of the dwelling unit that is an assisted living facility with respect to which assistance payments are made shall include maintenance and management charges related to the dwelling unit and tenant-paid utilities. Such rent shall not include any charges attributable to services relating to assisted living.

(ii) Payment standard

In determining the monthly assistance that may be paid under this paragraph on behalf of any family residing in an assisted living facility, the public housing agency shall utilize the payment standard established under paragraph (1), for the market area in which the assisted living facility is located, for the applicable size dwelling unit.

(iii) Monthly assistance payment

The monthly assistance payment for a family assisted under this paragraph shall be determined in accordance with paragraph (2) (using the rent and payment standard for the dwelling unit as determined in accordance with this subsection).

(C) Definition

For the purposes of this paragraph, the term “assisted living facility” has the mean-

(19) Rental vouchers for Veterans Affairs supported housing program

(A) Set aside

Subject to subparagraph (C), the Secretary shall set aside, from amounts made available for rental assistance under this subsection, the amounts specified in subparagraph (B) for use only for providing such assistance through a supported housing program administered in conjunction with the Department of Veterans Affairs. Such program shall provide rental assistance on behalf of homeless veterans who have chronic mental illnesses or chronic substance use disorders, shall require agreement of the veteran to continued treatment for such mental illness or substance use disorder as a condition of receipt of such rental assistance, and shall ensure such treatment and appropriate case management for each veteran receiving such rental assistance.

(B) Amount

The amount specified in this subparagraph is—

(C) Funding through incremental assistance

In any fiscal year, to the extent that this paragraph requires the Secretary to set aside rental assistance amounts for use under this paragraph in an amount that exceeds the amount set aside in the preceding fiscal year, such requirement shall be effective only to such extent or in such amounts as are or have been provided in appropriation Acts for such fiscal year for incremental rental assistance under this subsection.

(20) Prohibited basis for termination of assistance

(A) In general

A public housing agency may not terminate assistance to a participant in the voucher program on the basis of an incident or incidents of actual or threatened domestic violence, dating violence, or stalking against that participant.

(B) Construal of lease provisions

Criminal activity directly relating to domestic violence, dating violence, or stalking

shall not be considered a serious or repeated violation of the lease by the victim or threatened victim of that criminal activity justifying termination of assistance to the victim or threatened victim.

(C) Termination on the basis of criminal activity

Criminal activity directly relating to domestic violence, dating violence, or stalking shall not be considered cause for termination of assistance for any participant or immediate member of a participant's family who is a victim of the domestic violence, dating violence, or stalking.

(D) Exceptions

(i) Public housing authority right to terminate for criminal acts

Nothing in subparagraph (A), (B), or (C) may be construed to limit the authority of the public housing agency to terminate voucher assistance to individuals who engage in criminal acts of physical violence against family members or others.

(ii) Compliance with court orders

Nothing in subparagraph (A), (B), or (C) may be construed to limit the authority of a public housing agency, when notified, to honor court orders addressing rights of access to or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.

(iii) Public housing authority right to terminate voucher assistance for lease violations

Nothing in subparagraph (A), (B), or (C) limit¹¹ any otherwise available authority of the public housing agency to terminate voucher assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to terminate.

(iv) Public housing authority right to terminate voucher assistance for imminent threat

Nothing in subparagraph (A), (B), or (C) may be construed to limit the authority of the public housing agency to terminate voucher assistance to a tenant if the public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property or public housing agency if that tenant is not evicted or terminated from assistance.

(v) Preemption

Nothing in this section shall be construed to supersede any provision of any

Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

In order to assist elderly families (as defined in section 1437a(b)(3) of this title who elect to live in a shared housing arrangement in which they benefit as a result of sharing the facilities of a dwelling with others in a manner that effectively and efficiently meets their housing needs and thereby reduces their cost of housing, the Secretary shall permit assistance provided under the existing housing and moderate rehabilitation programs to be used by such families in such arrangements. In carrying out this subsection, the Secretary shall issue minimum habitability standards for the purpose of assuring decent, safe, and sanitary housing for such families while taking into account the special circumstances of shared housing.

(q) Administrative fees

(A) In general

The Secretary shall establish fees for the costs of administering the tenant-based assistance, certificate, voucher, and moderate rehabilitation programs under this section.

(B) Fiscal year 1999

(ii) Base amount

For purposes of this subparagraph, the base amount shall be the higher of—

(I) the fair market rental established under subsection (c) of this section (as in effect immediately before the effective date under section 503(a) of the Quality Housing and Work Responsibility Act of 1998) for fiscal year 1993 for a 2-bedroom existing rental dwelling unit in the market area of the agency, and

(II) the amount that is the lesser of (aa) such fair market rental for fiscal year 1994, or (bb) 103.5 percent of the amount determined under clause (i),

adjusted based on changes in wage data or other objectively measurable data that reflect the costs of administering the program, as determined by the Secretary. The Secretary may require that the base amount be not less than a minimum amount and not more than a maximum amount.

¹¹ So in original. Probably should be "limits".

(C) Subsequent fiscal years

For subsequent fiscal years, the Secretary shall publish a notice in the Federal Register, for each geographic area, establishing the amount of the fee that would apply for public housing agencies administering the program, based on changes in wage data or other objectively measurable data that reflect the costs of administering the program, as determined by the Secretary.

(D) Increase

The Secretary may increase the fee if necessary to reflect the higher costs of administering small programs and programs operating over large geographic areas.

(E) Decrease

The Secretary may decrease the fee for units owned by a public housing agency to reflect reasonable costs of administration.

(2) Fee for preliminary expenses

The Secretary shall also establish reasonable fees (as determined by the Secretary) for—

(A) the costs of preliminary expenses, in the amount of \$500, for a public housing agency, except that such fee shall apply to an agency only in the first year that the agency administers a tenant-based assistance program under this section, and only if, immediately before the effective date under section 503(a) of the Quality Housing and Work Responsibility Act of 1998, the agency was not administering a tenant-based assistance program under this chapter (as in effect immediately before such effective date), in connection with its initial increment of assistance received;

(B) the costs incurred in assisting families who experience difficulty (as determined by the Secretary) in obtaining appropriate housing under the programs; and

(C) extraordinary costs approved by the Secretary.

(3) Transfer of fees in cases of concurrent geographical jurisdiction

In each fiscal year, if any public housing agency provides tenant-based assistance under this section on behalf of a family who uses such assistance for a dwelling unit that is located within the jurisdiction of such agency but is also within the jurisdiction of another public housing agency, the Secretary shall take such steps as may be necessary to ensure that the public housing agency that provides the services for a family receives all or part of the administrative fee under this section (as appropriate).

(4) Applicability

This subsection shall apply to fiscal year 1999 and fiscal years thereafter.

(r) Portability

(1) IN GENERAL.—(A) Any family receiving tenant-based assistance under subsection (o) of this section may receive such assistance to rent an eligible dwelling unit if the dwelling unit to which the family moves is within any area in which a program is being administered under this section.

(B)(i) Notwithstanding subparagraph (A) and subject to any exceptions established under clause (ii) of this subparagraph, a public housing agency may require that any family not living within the jurisdiction of the public housing agency at the time the family applies for assistance from the agency shall, during the 12-month period beginning on the date of initial receipt of housing assistance made available on behalf of the family from such agency, lease and occupy an eligible dwelling unit located within the jurisdiction served by the agency.

(ii) The Secretary may establish such exceptions to the authority of public housing agencies established under clause (i).

(2) The public housing agency having authority with respect to the dwelling unit to which a family moves under this subsection shall have the responsibility of carrying out the provisions of this subsection with respect to the family.

(3) In providing assistance under subsection (o) of this section for any fiscal year, the Secretary shall give consideration to any reduction in the number of resident families incurred by a public housing agency in the preceding fiscal year as a result of the provisions of this subsection. The Secretary shall establish procedures for the compensation of public housing agencies that issue vouchers to families that move into or out of the jurisdiction of the public housing agency under portability procedures. The Secretary may reserve amounts available for assistance under subsection (o) of this section to compensate those public housing agencies.

(4) The provisions of this subsection may not be construed to restrict any authority of the Secretary under any other provision of law to provide for the portability of assistance under this section.

(5) LEASE VIOLATIONS.—A family may not receive a voucher from a public housing agency and move to another jurisdiction under the tenant-based assistance program if the family has moved out of the assisted dwelling unit of the family in violation of a lease, except that a family may receive a voucher from a public housing agency and move to another jurisdiction under the tenant-based assistance program if the family has complied with all other obligations of the section 8 [42 U.S.C. 1437f] program and has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit.

(s) Prohibition of denial of certificates and vouchers to residents of public housing

In selecting families for the provision of assistance under this section (including subsection (o) of this section), a public housing agency may not exclude or penalize a family solely because the family resides in a public housing project.

(t) Enhanced vouchers**(1) In general**

Enhanced voucher assistance under this subsection for a family shall be voucher assistance under subsection (o) of this section, ex-

cept that under such enhanced voucher assistance—

(A) subject only to subparagraph (D), the assisted family shall pay as rent no less than the amount the family was paying on the date of the eligibility event for the project in which the family was residing on such date;

(B) the assisted family may elect to remain in the same project in which the family was residing on the date of the eligibility event for the project, and if, during any period the family makes such an election and continues to so reside, the rent for the dwelling unit of the family in such project exceeds the applicable payment standard established pursuant to subsection (o) of this section for the unit, the amount of rental assistance provided on behalf of the family shall be determined using a payment standard that is equal to the rent for the dwelling unit (as such rent may be increased from time-to-time), subject to paragraph (10)(A) of subsection (o) of this section and any other reasonable limit prescribed by the Secretary, except that a limit shall not be considered reasonable for purposes of this subparagraph if it adversely affects such assisted families;

(C) subparagraph (B) of this paragraph shall not apply and the payment standard for the dwelling unit occupied by the family shall be determined in accordance with subsection (o) of this section if—

(i) the assisted family moves, at any time, from such project; or

(ii) the voucher is made available for use by any family other than the original family on behalf of whom the voucher was provided; and

(D) if the income of the assisted family declines to a significant extent, the percentage of income paid by the family for rent shall not exceed the greater of 30 percent or the percentage of income paid at the time of the eligibility event for the project.

(2) Eligibility event

(A) In general

Notwithstanding any other provision of law, any enhanced voucher assistance provided under any authority specified in subparagraph (B) shall (regardless of the date that the amounts for providing such assistance were made available) be treated, and subject to the same requirements, as enhanced voucher assistance under this subsection.

(B) Identification of other authority

The authority specified in this subparagraph is the authority under—

(3) Allocation

The amounts made available under this subsection shall be allocated by the Secretary through a national competition among applicants based on demonstrated need for the assistance under this subsection. To be considered for assistance, an applicant shall submit to the Secretary a written proposal containing a report from the public child welfare agency serving the jurisdiction of the applicant that describes how a lack of adequate housing in the jurisdiction is resulting in the initial or prolonged separation of children from their families, and how the applicant will coordinate with the public child welfare agency to identify eligible families and provide the families with assistance under this subsection.

(4) Definitions

For purposes of this subsection:

(A) Applicant

The term "applicant" means a public housing agency or any other agency responsible for administering assistance under this section.

(B) Public child welfare agency

(y) Homeownership option

(1) Use of assistance for homeownership

A public housing agency providing tenant-based assistance on behalf of an eligible family under this section may provide assistance for an eligible family that purchases a dwelling unit (including a unit under a lease-purchase agreement) that will be owned by 1 or more members of the family, and will be occupied by the family, if the family—

(A) is a first-time homeowner, or owns or is acquiring shares in a cooperative;

(B) demonstrates that the family has income from employment or other sources (other than public assistance, except that the Secretary may provide for the consideration of public assistance in the case of an elderly family or a disabled family), as determined in accordance with requirements of the Secretary, that is not less than twice the payment standard established by the public housing agency (or such other amount as may be established by the Secretary);

(C) except as provided by the Secretary, demonstrates at the time the family initially receives tenant-based assistance under this subsection that one or more adult members of the family have achieved employment for the period as the Secretary shall require;

(D) participates in a homeownership and housing counseling program provided by the agency; and

(E) meets any other initial or continuing requirements established by the public housing agency in accordance with requirements established by the Secretary.

(2) Determination of amount of assistance

(A) Monthly expenses not exceeding payment standard

If the monthly homeownership expenses, as determined in accordance with requirements established by the Secretary, do not exceed the payment standard, the monthly assistance payment shall be the amount by which the homeownership expenses exceed the highest of the following amounts, rounded to the nearest dollar:

(i) 30 percent of the monthly adjusted income of the family.

(ii) 10 percent of the monthly income of the family.

(B) Annual inspections not required

The requirement under subsection (o)(8)(A)(ii)¹² of this section for annual inspections shall not apply to units assisted under this section.

(4) Other authority of the Secretary

The Secretary may—

- (A) limit the term of assistance for a family assisted under this subsection; and
- (B) modify the requirements of this subsection as the Secretary determines to be necessary to make appropriate adaptations for lease-purchase agreements.

(5) Inapplicability of certain provisions

Assistance under this subsection shall not be subject to the requirements of the following provisions:

- (A) Subsection (c)(3)(B)¹² of this section.
- (B) Subsection (d)(1)(B)(i) of this section.
- (C) Any other provisions of this section governing maximum amounts payable to owners and amounts payable by assisted families.
- (D) Any other provisions of this section concerning contracts between public housing agencies and owners.
- (E) Any other provisions of this chapter that are inconsistent with the provisions of this subsection.

(6) Reversion to rental status**(A) FHA-insured mortgages**

If a family receiving assistance under this subsection for occupancy of a dwelling defaults under a mortgage for the dwelling insured by the Secretary under the National Housing Act [12 U.S.C. 1701 et seq.], the family may not continue to receive rental assistance under this section unless the family (i) transfers to the Secretary marketable title to the dwelling, (ii) moves from the dwelling within the period established or approved by the Secretary, and (iii) agrees that any amounts the family is required to pay to reimburse the escrow account under section 1437u(d)(3)¹² of this title may be deducted by the public housing agency from the assistance payment otherwise payable on behalf of the family.

(B) Other mortgages

If a family receiving assistance under this subsection defaults under a mortgage not insured under the National Housing Act [12 U.S.C. 1701 et seq.], the family may not continue to receive rental assistance under this section unless it complies with requirements established by the Secretary.

(C) All mortgages

A family receiving assistance under this subsection that defaults under a mortgage may not receive assistance under this subsection for occupancy of another dwelling owned by one or more members of the family.

(7) Downpayment assistance**(A) Authority**

A public housing agency may, in lieu of providing monthly assistance payments under this subsection on behalf of a family eligible for such assistance and at the discretion of the public housing agency, provide assistance for the family in the form of a single grant to be used only as a contribution toward the downpayment required in connection with the purchase of a dwelling for fiscal year 2000 and each fiscal year thereafter to the extent provided in advance in appropriations Acts.

(B) Amount

The amount of a downpayment grant on behalf of an assisted family may not exceed the amount that is equal to the sum of the assistance payments that would be made during the first year of assistance on behalf of the family, based upon the income of the family at the time the grant is to be made.

(8) "First-time homeowner" defined

For purposes of this subsection, the term "first-time homeowner" means—

- (A) a family, no member of which has had a present ownership interest in a principal residence during the 3 years preceding the date on which the family initially receives assistance for homeownership under this subsection; and
- (B) any other family, as the Secretary may prescribe.

(z) Termination of section 1437f contracts and reuse of recaptured budget authority**(1) General authority**

The Secretary may reuse any budget authority, in whole or part, that is recaptured on account of expiration or termination of a housing assistance payments contract only for one or more of the following:

(A) Tenant-based assistance

Pursuant to a contract with a public housing agency, to provide tenant-based assistance under this section to families occupying units formerly assisted under the terminated contract.

(B) Project-based assistance

Pursuant to a contract with an owner, to attach assistance to one or more structures

under this section, for relocation of families occupying units formerly assisted under the terminated contract.

(2) Families occupying units formerly assisted under terminated contract

Pursuant to paragraph (1), the Secretary shall first make available tenant- or project-based assistance to families occupying units formerly assisted under the terminated contract. The Secretary shall provide project-based assistance in instances only where the use of tenant-based assistance is determined to be infeasible by the Secretary.

(aa) Omitted

(bb) Transfer, reuse, and rescission of budget authority

(1) Transfer of budget authority

If an assistance contract under this section, other than a contract for tenant-based assistance, is terminated or is not renewed, or if the contract expires, the Secretary shall, in order to provide continued assistance to eligible families, including eligible families receiving the benefit of the project-based assistance at the time of the termination, transfer any budget authority remaining in the contract to another contract. The transfer shall be under such terms as the Secretary may prescribe.

(2) Reuse and rescission of certain recaptured budget authority

Notwithstanding paragraph (1), if a project-based assistance contract for an eligible multifamily housing project subject to actions authorized under this subchapter is terminated or amended as part of restructuring under section 517 of the Multifamily Assisted Housing Reform and Affordability Act of 1997, the Secretary shall recapture the budget authority not required for the terminated or amended contract and use such amounts as are necessary to provide housing assistance for the same number of families covered by such contract for the remaining term of such contract, under a contract providing for project-based or tenant-based assistance. The amount of budget authority saved as a result of the shift to project-based or tenant-based assistance shall be rescinded.

(cc) Law enforcement and security personnel

(1) In general

Notwithstanding any other provision of this chapter, in the case of assistance attached to a structure, for the purpose of increasing security for the residents of a project, an owner may admit, and assistance under this section may be provided to, police officers and other security personnel who are not otherwise eligible for assistance under the chapter.

(2) Rent requirements

With respect to any assistance provided by an owner under this subsection, the Secretary may—

(A) permit the owner to establish such rent requirements and other terms and conditions of occupancy that the Secretary considers to be appropriate; and

(B) require the owner to submit an application for those rent requirements, which application shall include such information as the Secretary, in the discretion of the Secretary, determines to be necessary.

(3) Applicability

This subsection shall apply to fiscal year 1999 and fiscal years thereafter.

(dd) Tenant-based contract renewals

Subject to amounts provided in appropriation Acts, starting in fiscal year 1999, the Secretary shall renew all expiring tenant-based annual contribution contracts under this section by applying an inflation factor based on local or regional factors to an allocation baseline. The allocation baseline shall be calculated by including, at a minimum, amounts sufficient to ensure continued assistance for the actual number of families assisted as of October 1, 1997, with appropriate upward adjustments for incremental assistance and additional families authorized subsequent to that date.

(ee) Certification and confidentiality

(1) Certification

(A) In general

An owner, manager, or public housing agency responding to subsections (c)(9), (d)(1)(B)(ii), (d)(1)(B)(iii), (o)(7)(C), (o)(7)(D), (o)(20), and (r)(5) of this section may request that an individual certify via a HUD approved certification form that the individual is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements set forth in the aforementioned paragraphs. Such certification shall include the name of the perpetrator. The individual shall provide such certification within 14 business days after the individual receives a request for such certification from the owner, manager, or public housing agency.

(B) Failure to provide certification

If the individual does not provide the certification within 14 business days after the individual has received a request in writing for such certification for the owner, manager, or public housing agency, nothing in this subsection or in subsection (c)(9), (d)(1)(B)(ii), (d)(1)(B)(iii), (o)(7)(C), (o)(7)(D), (o)(20), or (r)(5) of this section may be construed to limit the authority of an owner or manager to evict, or the public housing agency or assisted housing provider to terminate voucher assistance for, any tenant or lawful occupant that commits violations of a lease. The owner, manager or public housing agency may extend the 14-day deadline at their discretion.

(C) Contents

An individual may satisfy the certification requirement of subparagraph (A) by—

(i) providing the requesting owner, manager, or public housing agency with documentation signed by an employee, agent, or volunteer of a victim service provider,

an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the effects of the abuse, in which the professional attests under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation; or

(ii) producing a Federal, State, tribal, territorial, or local police or court record.

(D) Limitation

Nothing in this subsection shall be construed to require an owner, manager, or public housing agency to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, or stalking in order to receive any of the benefits provided in this section. At their discretion, the owner, manager, or public housing agency may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

(E) Compliance not sufficient to constitute evidence of unreasonable act

Compliance with this statute by an owner, manager or public housing agency based on the certification specified in paragraphs (1)(A) and (B) of this subsection or based solely on the victim's statement or other corroborating evidence, as permitted by paragraph (1)(C) of this subsection, shall not alone be sufficient to constitute evidence of an unreasonable act or omission by an owner, manager or public housing agency, or employee thereof. Nothing in this subparagraph shall be construed to limit liability for failure to comply with the requirements of subsection (c)(9), (d)(1)(B)(ii), (d)(1)(B)(iii), (o)(7)(C), (o)(7)(D), (o)(20), or (r)(5) of this section.

(F) Preemption

Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

(2) Confidentiality

(A) In general

All information provided to an owner, manager, or public housing agency pursuant to paragraph (1), including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence by an owner, manager, or public housing agency, and shall neither be entered into any shared database nor provided to any related entity, except to the extent that disclosure is—

(i) requested or consented to by the individual in writing;

(ii) required for use in an eviction proceeding under subsection (c)(9),

(d)(1)(B)(ii),¹³ (d)(1)(B)(iii), (o)(7)(C), (o)(7)(D), or (o)(20) of this section;¹⁴ or
(iii) otherwise required by applicable law.

(B) Notification

Public housing agencies must provide notice to tenants assisted under this section of their rights under this subsection and subsections (c)(9), (d)(1)(B)(ii),¹³ (d)(1)(B)(iii), (o)(7)(C), (o)(7)(D), (o)(20), and (r)(5) of this section, including their right to confidentiality and the limits thereof, and to owners and managers of their rights and obligations under this subsection and subsections (c)(9), (d)(1)(B)(ii),¹³ (d)(1)(B)(iii), (o)(7)(C), (o)(7)(D), (o)(20), and (r)(5) of this section.

Subsec. (d)(2)(H). Pub. L. 104-99, § 402(d)(6)(A)(iv), (f), temporarily substituted "An owner" for "Notwithstanding subsection (d)(1)(A)(i) of this section, an owner". See Effective and Termination Dates of 1996 Amendments note below.

Subsec. (o)(3)(B). Pub. L. 104-99, § 402(d)(3), (f), temporarily amended subpar. (B) generally. Prior to amendment, subpar. (B) read as follows: "In selecting families to be assisted, preference shall be given to families which, at the time they are seeking assistance, occupy standard housing (including families that are homeless or living in a shelter for homeless families), are involuntarily displaced (including displacement because of disposition of a multifamily housing project under section 1701z-11 of title 12), or are paying more than 50 per centum of family income for rent. A public housing agency may provide for circumstances in which families who do not qualify for any preference established in the preceding sentence are provided assistance under this subsection before families who do qualify for such preference, except that not more than 10 percent (or such higher percentage determined by the Secretary to be necessary to ensure that public housing agencies can assist families in accordance with subsection (u)(2) of this section or determined by the Secretary to be appropriate for other good cause) of the families who initially receive assistance in any 1-year period (or such shorter period selected by the public housing agency before the beginning of its first full year subject to this sentence) may be families who do not qualify for such preference. The public housing agency shall in implementing the preceding sentence establish a system of preferences in writing and after public hearing to respond to local housing needs and priorities which may include (i) assisting very low-income families who either reside in transitional housing assisted under title IV of the Stewart B. McKinney Homeless Assistance Act, or participate in a program designed to provide public assistance recipients with greater access to employment and educational opportunities, (ii) assisting families in accordance with subsection (u)(2) of this section; (iii) assisting families identified by local public agencies involved in providing for the welfare of children as having a lack of adequate housing that is a primary factor in the imminent placement of a child in foster care, or in preventing the discharge of a child from foster care and reunification and his or her family; (iv) assisting youth, upon discharge from foster care, in cases in which return to the family or extended family or adoption is not available; (v) assisting veterans who are eligible and have applied for assistance, will use the assistance for a dwelling unit designed for the handicapped, and, upon discharge or eligibility for discharge from a hospital or nursing home, have physical disability which, because of the configuration of their homes, prevents them from access to or use of their homes; and (vi) achieving other objectives of national housing policy as affirmed by Congress. Any in-

dividual or family evicted from housing assisted under the chapter by reason of drug-related criminal activity (as defined in subsection (f)(5) of this section) shall not be eligible for a preference under any provision of this subparagraph for 3 years unless the evicted tenant successfully completes a rehabilitation program approved by the Secretary (which shall include waiver for any member of a family of an individual prohibited from tenancy under this clause who the agency determines clearly did not participate in and had no knowledge of such criminal activity or when circumstances leading to eviction no longer exist)." See Effective and Termination Dates of 1996 Amendments note below.

Subsec. (t). Pub. L. 104-134, §101(e) [title II, §203(a), (d)], temporarily repealed subsec. (t) which read as follows:

"(1) No owner who has entered into a contract for housing assistance payments under this section on behalf of any tenant in a multifamily housing project shall refuse—

"(A) to lease any available dwelling unit in any multifamily housing project of such owner that rents for an amount not greater than the fair market rent for a comparable unit, as determined by the Secretary under this section, to a holder of a certificate of eligibility under this section a proximate cause of which is the status of such prospective tenant as a holder of such certificate, and to enter into a housing assistance payments contract respecting such unit; or

"(B) to lease any available dwelling unit in any multifamily housing project of such owner to a holder of a voucher under subsection (o) of this section, and to enter into a voucher contract respecting such unit, a proximate cause of which is the status of such prospective tenant as holder of such voucher.

"(2) For purposes of this subsection, the term 'multifamily housing project' means a residential building containing more than 4 dwelling units." See Effective and Termination Dates of 1996 Amendments note below.

Subsec. (v). Pub. L. 104-99, §405(c), amended subsec. (v) generally. Prior to amendment, subsec. (v) read as follows:

"(1) The Secretary shall extend any expiring contract entered into under this section for loan management assistance or execute a new contract for project-based loan management assistance, if the owner agrees to continue providing housing for low-income families during the term of the contract.

"(2)(A) The eligibility of a multifamily residential project for loan management assistance under this section shall be determined without regard to whether the project is subsidized or unsubsidized.

"(B) In allocating loan management assistance under this section, the Secretary may give a priority to any project only on the basis that the project has serious financial problems that are likely to result in a claim on the insurance fund in the near future or the project is eligible to receive incentives under subtitle B of the Low-Income Housing Preservation and Resident Homeownership Act of 1990."

The immediately foregoing sentence shall be effective only during fiscal year 1995. For any unit occupied by the same family at the time of the last annual rental adjustment, where the assistance contract provides for the adjustment of the maximum monthly rent by applying an annual adjust-

ment factor and where the rent for a unit is otherwise eligible for an adjustment based on the full amount of the factor, 0.01 shall be subtracted from the amount of the factor, except that the factor shall not be reduced to less than 1.0. The immediately foregoing sentence shall be effective only during fiscal year 1995."

Subsec. (d)(1)(A)(i). Pub. L. 103-233, §101(c)(2), inserted "(including displacement because of disposition of a multifamily housing project under section 1701z-11 of title 12)" after "displaced".

"(2) SHARE FROM REDUCED ASSISTANCE PAYMENTS.—The Secretary may pay the up front cost of refinancing only—

The Secretary is authorized to prescribe such terms and conditions for contracts entered into under this section pursuant to this paragraph as the Secretary determines to be necessary and appropriate, except that such terms and conditions, to the maximum extent feasible, shall be consistent with terms and conditions otherwise applicable with respect to other dwelling units assisted under this section. Notwithstanding subsection (c)(1) of this section, the Secretary may, in carrying out the preceding sentence, establish a maximum monthly rent (for units upgraded pursuant to this paragraph) which exceeds the fair market rental by not more than 20 per centum if such units are located in an area where the Secretary finds cost levels so require, except that the Secretary may approve maximum monthly rents which exceed the fair market rentals by more than 20 but not more than 30 per centum where the Secretary determines that special circumstances warrant such higher rent or where necessary to the implementation of a local housing assistance plan. The Secretary is also authorized to make assistance available under this section pursuant to this paragraph to any unit in a housing project which, on an overall basis, reflects the need for such upgrading. The Secretary shall increase the amount of assistance provided under this paragraph above the amount of assistance otherwise permitted by this paragraph and subsection (c)(1) of this section, if the Secretary determines such increase necessary to assist in the sale of multifamily housing projects owned by the Department of Housing and Urban Development. In order to maximize the availability of low-income housing, in providing assistance under this paragraph, the Secretary shall include in any calculation or determination regarding the amount of the assistance to be made available the extent to which any proceeds are available from any tax credits provided under section 42 of title 26 (or from any syndication of such credits) with respect to the housing. For each fiscal year, the Secretary may not provide assistance pursuant to this paragraph to any project for rehabilitation of more than 100 units. Assistance pursuant to this paragraph shall be allocated according to the formula established pursuant to section 1439(d) of this title, and awarded pursuant to a competition under such section. Where the Secretary determines that such modified annual adjustment factor cannot be established or that such factor when applied to a particular project would result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, the Secretary may apply an alternative methodology for conducting comparability studies in order to establish rents that are not materially different from rents charged for comparable unassisted units."

“SUBTITLE A—FHA-INSURED MULTIFAMILY HOUSING MORTGAGE AND HOUSING ASSISTANCE RESTRUCTURING

“SEC. 511. FINDINGS AND PURPOSES.

“(a) FINDINGS.—Congress finds that—

“(1) there exists throughout the Nation a need for decent, safe, and affordable housing;

“(2) as of the date of enactment of this Act [Oct. 27, 1997], it is estimated that—

“(A) the insured multifamily housing portfolio of the Federal Housing Administration consists of 14,000 rental properties, with an aggregate unpaid principal mortgage balance of \$38,000,000,000; and

“(B) approximately 10,000 of these properties contain housing units that are assisted with project-based rental assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f];

“(3) FHA-insured multifamily rental properties are a major Federal investment, providing affordable rental housing to an estimated 2,000,000 low- and very low-income families;

“(4) approximately 1,600,000 of these families live in dwelling units that are assisted with project-based rental assistance under section 8 of the United States Housing Act of 1937;

“(5) a substantial number of housing units receiving project-based assistance have rents that are higher than the rents of comparable, unassisted rental units in the same housing rental market;

“(6) many of the contracts for project-based assistance will expire during the several years following the date of enactment of this Act;

“(7) it is estimated that—

“(A) if no changes in the terms and conditions of the contracts for project-based assistance are made before fiscal year 2000, the cost of renewing all expiring rental assistance contracts under section 8 of the United States Housing Act of 1937 for both project-based and tenant-based rental assistance will increase from approximately \$3,600,000,000 in fiscal year 1997 to over \$14,300,000,000 by fiscal year 2000 and some \$22,400,000,000 in fiscal year 2006;

“(B) of those renewal amounts, the cost of renewing project-based assistance will increase from \$1,200,000,000 in fiscal year 1997 to almost \$7,400,000,000 by fiscal year 2006; and

“(C) without changes in the manner in which project-based rental assistance is provided, renewals of expiring contracts for project-based rental assistance will require an increasingly larger portion of the discretionary budget authority of the Department of Housing and Urban Development in each subsequent fiscal year for the foreseeable future;

“(8) absent new budget authority for the renewal of expiring rental contracts for project-based assistance, many of the FHA-insured multifamily housing projects that are assisted with project-based assistance are likely to default on their FHA-insured mortgage payments, resulting in substantial claims to the FHA General Insurance Fund and Special Risk Insurance Fund;

“(9) more than 15 percent of federally assisted multifamily housing projects are physically or financially distressed, including a number which suffer from mismanagement;

“(10) due to Federal budget constraints, the downsizing of the Department of Housing and Urban Development, and diminished administrative capacity,

the Department lacks the ability to ensure the continued economic and physical well-being of the stock of federally insured and assisted multifamily housing projects;

“(11) the economic, physical, and management problems facing the stock of federally insured and assisted multifamily housing projects will be best served by reforms that—

“(A) reduce the cost of Federal rental assistance, including project-based assistance, to these projects by reducing the debt service and operating costs of these projects while retaining the low-income affordability and availability of this housing;

“(B) address physical and economic distress of this housing and the failure of some project managers and owners of projects to comply with management and ownership rules and requirements; and

“(C) transfer and share many of the loan and contract administration functions and responsibilities of the Secretary to and with capable State, local, and other entities; and

“(12) the authority and duties of the Secretary, not including the control by the Secretary of applicable accounts in the Treasury of the United States, may be delegated to State, local or other entities at the discretion of the Secretary, to the extent the Secretary determines, and for the purpose of carrying out this title [see Short Title of 1997 Amendment note set out under section 1701 of Title 12, Banks and Banking], so that the Secretary has the discretion to be relieved of processing and approving any document or action required by these reforms.

“(b) PURPOSES.—Consistent with the purposes and requirements of the Government Performance and Results Act of 1993 [Pub. L. 103-62, see Short Title of 1993 Amendment note set out under section 1101 of Title 31, Money and Finance], the purposes of this subtitle are—

“(1) to preserve low-income rental housing affordability and availability while reducing the long-term costs of project-based assistance;

“(2) to reform the design and operation of Federal rental housing assistance programs, administered by the Secretary, to promote greater multifamily housing project operating and cost efficiencies;

“(3) to encourage owners of eligible multifamily housing projects to restructure their FHA-insured mortgages and project-based assistance contracts in a manner that is consistent with this subtitle before the year in which the contract expires;

“(4) to reduce the cost of insurance claims under the National Housing Act [12 U.S.C. 1701 et seq.] related to mortgages insured by the Secretary and used to finance eligible multifamily housing projects;

“(5) to streamline and improve federally insured and assisted multifamily housing project oversight and administration;

“(6) to resolve the problems affecting financially and physically troubled federally insured and assisted multifamily housing projects through cooperation with residents, owners, State and local governments, and other interested entities and individuals;

“(7) to protect the interest of project owners and managers, because they are partners of the Federal Government in meeting the affordable housing needs of the Nation through the section 8 rental housing assistance program;

“(8) to protect the interest of tenants residing in the multifamily housing projects at the time of the restructuring for the housing; and

“(9) to grant additional enforcement tools to use against those who violate agreements and program requirements, in order to ensure that the public interest is safeguarded and that Federal multifamily housing programs serve their intended purposes.

“(E) other expenses determined by the participating administrative entity to be necessary for the operation of the project.

“(h) EXEMPTIONS FROM RESTRUCTURING.—The following categories of projects shall not be covered by a mortgage restructuring and rental assistance sufficiency plan if—

“(c) DETERMINATION OF WHETHER TO RENEW WITH PROJECT-BASED OR TENANT-BASED ASSISTANCE.—

“(1) MANDATORY RENEWAL OF PROJECT-BASED ASSISTANCE.—Section 8 assistance shall be renewed with project-based assistance, if—

“(A) the project is located in an area in which the participating administrative entity determines, based on housing market indicators, such as low vacancy rates or high absorption rates, that there is not adequate available and affordable housing or that the tenants of the project would not be able to locate suitable units or use the tenant-based assistance successfully;

“(B) a predominant number of the units in the project are occupied by elderly families, disabled families, or elderly and disabled families; or

“(C) the project is held by a nonprofit cooperative ownership housing corporation or nonprofit cooperative housing trust.

“(2) RENTAL ASSISTANCE ASSESSMENT PLAN.—

“(ii) each project for which the entity has developed such a plan under which the assistance is renewed using tenant-based assistance.

“(3) ELIGIBILITY FOR TENANT-BASED ASSISTANCE.—Subject to paragraph (4), with respect to any project that is not described in paragraph (1), if a participating administrative entity approves the use of tenant-based assistance based on a rental assistance assessment plan developed under paragraph (2), tenant-based assistance shall be provided to each assisted family (other than a family already receiving tenant-based assistance) residing in the project at the time the assistance described in section 512(2)(B) terminates.

“(4) ASSISTANCE THROUGH ENHANCED VOUCHERS.—In the case of any family described in paragraph (3) that resides in a project described in section 512(2)(B), the tenant-based assistance provided shall be enhanced voucher assistance under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)).

“SEC. 516. PROHIBITION ON RESTRUCTURING.

“(a) PROHIBITION ON RESTRUCTURING.—The Secretary may elect not to consider any mortgage restructuring and rental assistance sufficiency plan or request for contract renewal if the Secretary or the participating administrative entity determines that—

“(2) ASSISTANCE AND MOVING EXPENSES.—Subject to the availability of amounts provided in advance in appropriations Acts, for any low-income tenant that is residing in a project or receiving assistance under section 8 of the United States Housing Act of 1937 at the time of rejection under this section, that tenant shall be provided with tenant-based assistance and reasonable moving expenses, as determined by the Secretary.

“(e) TRANSFER OF PROPERTY.—For properties disqualified from the consideration of a mortgage restructuring and rental assistance sufficiency plan under this section in accordance with paragraph (1) or (2) of subsection (a) because of actions by an owner or purchaser, the Secretary shall establish procedures to facilitate the voluntary sale or transfer of a property as part of a mortgage restructuring and rental assistance sufficiency plan, with a preference for tenant organizations and tenant-endorsed community-based nonprofit and public agency purchasers meeting such reasonable qualifications as may be established by the Secretary.

“SEC. 517. RESTRUCTURING TOOLS.

“(a) MORTGAGE RESTRUCTURING.—

“(1) In this subtitle, an approved mortgage restructuring and rental assistance sufficiency plan shall include restructuring mortgages in accordance with this subsection to provide—

“(A) a restructured or new first mortgage that is sustainable at rents at levels that are established in section 514(g); and

“(B) a second mortgage that is in an amount equal to not more than the greater of—

“(i) the full or partial payment of claim made under this subtitle; or

“(ii) the difference between the restructured or new first mortgage and the indebtedness under the existing insured mortgage immediately before it is restructured or refinanced, provided that the amount of the second mortgage shall be in an amount that the Secretary or participating administrative entity determines can reasonably be expected to be repaid.

“(2) The second mortgage shall bear interest at a rate not to exceed the applicable Federal rate as defined in section 1274(d) of the Internal Revenue Code of 1986 [26 U.S.C. 1274(d)]. The term of the second mortgage shall be equal to the term of the restructured or new first mortgage.

“(3) Payments on the second mortgage shall be deferred when the first mortgage remains outstanding, except to the extent there is excess project income remaining after payment of all reasonable and necessary operating expenses (including deposits in a reserve for replacement), debt service on the first mortgage, and any other expenditures approved by the Secretary. At least 75 percent of any excess project income shall be applied to payments on the second mortgage, and the Secretary or the participating administrative entity may permit up to 25 percent to be paid to the project owner if the Secretary or participating administrative entity determines that the project owner meets benchmarks for management and housing quality.

“(4) The full amount of the second mortgage shall be immediately due and payable if—

“(A) the first mortgage is terminated or paid in full, except as otherwise provided by the holder of the second mortgage;

“(B) the project is purchased and the second mortgage is assumed by any subsequent purchaser in violation of guidelines established by the Secretary; or

“(C) the Secretary provides notice to the project owner that such owner has failed to materially comply with any requirements of this section or the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] as those requirements apply to the project, with a reasonable opportunity for such owner to cure such failure.

“(5) The Secretary may modify the terms of the second mortgage, assign the second mortgage to the acquiring organization or agency, or forgive all or part of the second mortgage if the Secretary holds the second mortgage and if the project is acquired by a tenant organization or tenant-endorsed community-based nonprofit or public agency, pursuant to guidelines established by the Secretary.

“(6) The second mortgage under this section may be a first mortgage if no restructured or new first mortgage will meet the requirement of paragraph (1)(A).

“(b) RESTRUCTURING TOOLS.—In addition to the requirements of subsection (a) and to the extent these actions are consistent with this section and with the control of the Secretary of applicable accounts in the Treasury of the United States, an approved mortgage restructuring and rental assistance sufficiency plan under this subtitle may include one or more of the following actions:

“(1) FULL OR PARTIAL PAYMENT OF CLAIM.—Making a full payment of claim or partial payment of claim under section 541(b) of the National Housing Act [12 U.S.C. 1735f-19(b)], as amended by section 523(b) of this Act. Any payment under this paragraph shall not require the approval of a mortgagee.

“(2) REFINANCING OF DEBT.—Refinancing of all or part of the debt on a project. If the refinancing involves a mortgage that will continue to be insured under the National Housing Act [12 U.S.C. 1701 et seq.], the refinancing shall be documented through amendment of the existing insurance contract and not through a new insurance contract.

“(3) MORTGAGE INSURANCE.—Providing FHA multifamily mortgage insurance, reinsurance or other credit enhancement alternatives, including multifamily risk-sharing mortgage programs, as provided under section 542 of the Housing and Community Development Act of 1992 [Pub. L. 102-550, 12 U.S.C. 1707 note]. The Secretary shall use risk-shared financing under section 542(c) of the Housing and Community Development Act of 1992 for any mortgage restructuring, rehabilitation financing, or debt refinancing included as part of a mortgage restructuring and rental assistance sufficiency plan if the terms and conditions are considered to be the best available financing in terms of financial savings to the FHA insurance funds and will result in reduced risk of loss to the Federal Government. Any limitations on the number of units available for mortgage insurance under section 542 shall not apply to eligible multifamily housing projects. Any credit subsidy costs of providing mortgage insurance shall be paid from the Liquidating Accounts of the General Insurance Fund or the Special Risk Insurance Fund and shall not be subject to any limitation on appropriations.

“(4) CREDIT ENHANCEMENT.—Providing any additional State or local mortgage credit enhancements and risk-sharing arrangements that may be established with State or local housing finance agencies, the Federal Housing Finance Agency, the Federal National Mortgage Association, and the Federal Home Loan Mortgage Corporation, to a modified or refinanced first mortgage.

Upon request to the Secretary, participating administrative entities that are qualified under the United States Housing Act of 1937 to serve as contract administrators shall be the contract administrators under section 8 of the United States Housing Act of 1937 [12 U.S.C. 1437f] for purposes of any contracts entered into as part of an approved mortgage restructuring and rental assistance sufficiency plan. Subject to the availability of amounts provided in advance in appropriations Acts for administrative fees under section 8 of the United States Housing Act of 1937, such amounts may be used to compensate participating administrative entities for compliance monitoring costs incurred under section 519.

“(6) USE OF PROJECT ACCOUNTS.—Applying any residual receipts, replacement reserves, and any other project accounts not required for project operations, to maintain the long-term affordability and physical condition of the property or of other eligible multifamily housing projects. The participating administrative entity may expedite the acquisition of residual receipts, replacement reserves, or other such accounts, by entering into agreements with owners of housing covered by an expiring contract to provide an owner with a share of the receipts, not to exceed 10 percent, in accordance with guidelines established by the Secretary.

“(C) REHABILITATION NEEDS AND ADDITION OF SIGNIFICANT FEATURES.—

“(1) REHABILITATION NEEDS.—

“(A) IN GENERAL.—Rehabilitation may be paid from the residual receipts, replacement reserves, or any other project accounts not required for project

“(B) CONTRIBUTION.—Each owner or purchaser of a project to be rehabilitated under an approved mortgage restructuring and rental assistance sufficiency plan shall contribute, from non-project resources, not less than 25 percent of the amount of rehabilitation assistance received, except that the participating administrative entity may provide an exception from the requirement of this subparagraph for housing cooperatives.

“(2) ADDITION OF SIGNIFICANT FEATURES.—

“(A) AUTHORITY.—An approved mortgage restructuring and rental assistance sufficiency plan may require the improvement of the project by the addition of significant features that are not necessary for rehabilitation to the standard provided under paragraph (1), such as air conditioning, an elevator, and additional community space. The Secretary shall establish guidelines regarding the inclusion of requirements regarding such additional significant features under such plans.

“(B) FUNDING.—Significant features added pursuant to an approved mortgage restructuring and rental assistance sufficiency plan may be paid from the funding sources specified in the first sentence of paragraph (1)(A).

“(C) LIMITATION ON OWNER CONTRIBUTION.—An owner of a project may not be required to contribute from non-project resources, toward the cost of any additional significant features required pursuant to this paragraph, more than 25 percent of the amount of any assistance received for the inclusion of such features.

“(D) APPLICABILITY.—This paragraph shall apply to all eligible multifamily housing projects, except projects for which the Secretary and the project owner executed a mortgage restructuring and rental assistance sufficiency plan on or before the date of the enactment of the Mark-to-Market Extension Act of 2001 [Jan. 10, 2002].

“(d) PROHIBITION ON EQUITY SHARING BY THE SECRETARY.—The Secretary is prohibited from participating in any equity agreement or profit-sharing agreement in conjunction with any eligible multifamily housing project.

“(e) CONFLICT OF INTEREST GUIDELINES.—The Secretary may establish guidelines to prevent conflicts of interest by a participating administrative entity that provides, directly or through risk-sharing arrangements, any form of credit enhancement or financing pursuant to subsections [sic] (b)(3) or (b)(4) or to prevent conflicts of interest by any other person or entity under this subtitle.

“SEC. 518. MANAGEMENT STANDARDS.

“(A) enforcement of the provisions of this subtitle; and

“(B) remedies for the breach of those provisions.

“(2) If the participating administrative entity is not qualified under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] to be a section 8 contract administrator or fails to perform its duties under the portfolio restructuring agreement, the Secretary shall have the right to enforce the agreement.

“(b) PERIODIC MONITORING.—

“(1) IN GENERAL.—Not less than annually, each participating administrative entity that is qualified to be the section 8 contract administrator shall review the status of all multifamily housing projects for which a mortgage restructuring and rental assistance sufficiency plan has been implemented.

“(3) ADMINISTRATION.—If the participating administrative entity is not qualified under the United States Housing Act of 1937 to be a section 8 contract administrator, either the Secretary or a qualified State or local housing agency shall be responsible for the review required by this subsection.

“(c) AUDIT BY THE SECRETARY.—The Comptroller General of the United States, the Secretary, and the Inspector General of the Department of Housing and Urban Development may conduct an audit at any time of any multifamily housing project for which a mortgage restructuring and rental assistance sufficiency plan has been implemented.

“SEC. 521. GAO AUDIT AND REVIEW.

“(2) CONTENTS.—The report submitted under paragraph (1) shall include—

“(A) a description of the initial audit conducted under subsection (a); and

“(B) recommendations for any legislative action to increase the financial savings to the Federal Government of the restructuring of eligible multifamily housing projects balanced with the continued availability of the maximum number of affordable low-income housing units.

“SEC. 522. REGULATIONS.

“(a) RULEMAKING AND IMPLEMENTATION.—

“(1) INTERIM REGULATIONS.—The Director shall issue such interim regulations as may be necessary to implement this subtitle and the amendments made by this subtitle with respect to eligible multifamily housing projects covered by contracts described in section 512(2)(B) that expire in fiscal year 1999 or thereafter. If, before the expiration of such period, the Director has not been appointed, the Secretary shall issue such interim regulations.

“(2) FINAL REGULATIONS.—The Director shall issue final regulations necessary to implement this subtitle and the amendments made by this subtitle with respect to eligible multifamily housing projects covered by contracts described in section 512(2)(B) that expire in fiscal year 1999 or thereafter before the later of: (A) the expiration of the 12-month period beginning upon the date of the enactment of this Act [Oct. 27, 1997]; and (B) the 3-month period beginning upon the appointment of the Director under subtitle D.

“(3) FACTORS FOR CONSIDERATION.—Before the publication of the final regulations under paragraph (2), in addition to public comments invited in connection with publication of the interim rule, the Secretary shall—

“SEC. 524. RENEWAL OF EXPIRING PROJECT-BASED SECTION 8 CONTRACTS.

“(a) IN GENERAL.—

“(1) RENEWAL.—Subject to paragraph (2), upon termination or expiration of a contract for project-based

assistance under section 8 for a multifamily housing project (and notwithstanding section 8(v) of the United States Housing Act of 1937 [42 U.S.C. 1437f] for loan management assistance), the Secretary shall, at the request of the owner of the project and to the extent sufficient amounts are made available in appropriation Acts, use amounts available for the renewal of assistance under section 8 of such Act to provide such assistance for the project. The assistance shall be provided under a contract having such terms and conditions as the Secretary considers appropriate, subject to the requirements of this section. This section shall not require contract renewal for a project that is eligible under this subtitle for a mortgage restructuring and rental assistance sufficiency plan, if there is no approved plan for the project and the Secretary determines that such an approved plan is necessary.

“(2) PROHIBITION ON RENEWAL.—Notwithstanding part 24 of title 24 of the Code of Federal Regulations, the Secretary may elect not to renew assistance for a project otherwise required to be renewed under paragraph (1) or provide comparable benefits under paragraph (1) or (2) of subsection (e) for a project described in either such paragraph, if the Secretary determines that a violation under paragraphs (1) through (4) of section 516(a) has occurred with respect to the project. For purposes of such a determination, the provisions of section 516 shall apply to a project under this section in the same manner and to the same extent that the provisions of such section apply to eligible multifamily housing projects, except that the Secretary shall make the determination under section 516(a)(4).

“(3) CONTRACT TERM FOR MARK-UP-TO-MARKET CONTRACTS.—In the case of an expiring or terminating contract that has rent levels less than comparable market rents for the market area, if the rent levels under the renewal contract under this section are equal to comparable market rents for the market area, the contract shall have a term of not less than 5 years, subject to the availability of sufficient amounts in appropriation Acts.

“(4) RENEWAL RENTS.—Except as provided in subsection (b), the contract for assistance shall provide assistance at the following rent levels:

“(A) MARKET RENTS.—At the request of the owner of the project, at rent levels equal to the lesser of comparable market rents for the market area or 150 percent of the fair market rents, in the case only of a project that—

“(i) has rent levels under the expiring or terminating contract that do not exceed such comparable market rents;

“(ii) does not have a low- and moderate-income use restriction that can not be eliminated by unilateral action by the owner;

“(iii) is decent, safe, and sanitary housing, as determined by the Secretary;

“(iv) is not—

“(I) owned by a nonprofit entity;

“(II) subject to a contract for moderate rehabilitation assistance under section 8(e)(2) of the United States Housing Act of 1937, as in effect before October 1, 1991; or

“(III) a project for which the public housing agency provided voucher assistance to one or more of the tenants after the owner has provided notice of termination of the contract covering the tenant's unit; and

“(v) has units assisted under the contract for which the comparable market rent exceeds 110 percent of the fair market rent.

The Secretary may adjust the percentages of fair market rent (as specified in the matter preceding clause (i) and in clause (v)), but only upon a determination and written notification to the Congress within 10 days of making such determination, that such adjustment is necessary to ensure that this subparagraph covers projects with a high risk of

nonrenewal of expiring contracts for project-based assistance.

“(B) REDUCTION TO MARKET RENTS.—In the case of a project that has rent levels under the expiring or terminating contract that exceed comparable market rents for the market area, at rent levels equal to such comparable market rents.

“(C) RENTS NOT EXCEEDING MARKET RENTS.—In the case of a project that is not subject to subparagraph (A) or (B), at rent levels that—

“(i) are not less than the existing rents under the terminated or expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment), if such adjusted rents do not exceed comparable market rents for the market area; and

“(ii) do not exceed comparable market rents for the market area.

In determining the rent level for a contract under this subparagraph, the Secretary shall approve rents sufficient to cover budget-based cost increases and shall give greater consideration to providing rent at a level up to comparable market rents for the market area based on the number of the criteria under clauses (i) through (iii) of subparagraph (D) that the project meets. Notwithstanding any other provision of law, the Secretary shall include in such budget-based cost increases costs relating to the project as a whole (including costs incurred with respect to units not covered by the contract for assistance), but only (I) if inclusion of such costs is requested by the owner or purchaser of the project, (II) if inclusion of such costs will permit capital repairs to the project or acquisition of the project by a nonprofit organization, and (III) to the extent that inclusion of such costs (or a portion thereof) complies with the requirement under clause (ii).

“(D) WAIVER OF 150 PERCENT LIMITATION.—Notwithstanding subparagraph (A), at rent levels up to comparable market rents for the market area, in the case of a project that meets the requirements under clauses (i) through (v) of subparagraph (A) and—

“(i) has residents who are a particularly vulnerable population, as demonstrated by a high percentage of units being rented to elderly families, disabled families, or large families;

“(ii) is located in an area in which tenant-based assistance would be difficult to use, as demonstrated by a low vacancy rate for affordable housing, a high turnback rate for vouchers, or a lack of comparable rental housing; or

“(iii) is a high priority for the local community, as demonstrated by a contribution of State or local funds to the property.

In determining the rent level for a contract under this subparagraph, the Secretary shall approve rents sufficient to cover budget-based cost increases and shall give greater consideration to providing rent at a level up to comparable market rents for the market area based on the number of the criteria under clauses (i) through (iv) that the project meets.

“(5) COMPARABLE MARKET RENTS AND COMPARISON WITH FAIR MARKET RENTS.—The Secretary shall prescribe the method for determining comparable market rent by comparison with rents charged for comparable properties (as such term is defined in section 512), which may include appropriate adjustments for utility allowances and adjustments to reflect the value of any subsidy (other than section 8 assistance) provided by the Department of Housing and Urban Development.

“(b) EXCEPTION RENTS.—

“(1) RENEWAL.—In the case of a multifamily housing project described in paragraph (2), pursuant to the request of the owner of the project, the contract for assistance for the project pursuant to subsection

(a) shall provide assistance at the lesser of the following rent levels:

“(A) ADJUSTED EXISTING RENTS.—The existing rents under the expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment).

“(B) BUDGET-BASED RENTS.—Subject to a determination by the Secretary that a rent level under this subparagraph is appropriate for a project, a rent level that provides income sufficient to support a budget-based rent (including a budget-based rent adjustment if justified by reasonable and expected operating expenses).

“(2) PROJECTS COVERED.—A multifamily housing project described in this paragraph is a multifamily housing project that—

“(A) is not an eligible multifamily housing project under section 512(2); or

“(B) is exempt from mortgage restructuring under this subtitle pursuant to section 514(h).

“(3) MODERATE REHABILITATION PROJECTS.—In the case of a project with a contract under the moderate rehabilitation program, other than a moderate rehabilitation contract under section 441 of the McKinney-Vento Homeless Assistance Act [42 U.S.C. 11401], pursuant to the request of the owner of the project, the contract for assistance for the project pursuant to subsection (a) shall provide assistance at the lesser of the following rent levels:

“(A) ADJUSTED EXISTING RENTS.—The existing rents under the expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment).

“(B) FAIR MARKET RENTS.—Fair market rents (less any amounts allowed for tenant-purchased utilities).

“(C) MARKET RENTS.—Comparable market rents for the market area.

“(c) RENT ADJUSTMENTS AFTER RENEWAL OF CONTRACT.—

“(1) REQUIRED.—After the initial renewal of a contract for assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] pursuant to subsection (a), (b)(1), or (e)(2), the Secretary shall annually adjust the rents using an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment) or, upon the request of the owner and subject to approval of the Secretary, on a budget basis. In the case of projects with contracts renewed pursuant to subsection (a) or pursuant to subsection (e)(2) at rent levels equal to comparable market rents for the market area, at the expiration of each 5-year period, the Secretary shall compare existing rents with comparable market rents for the market area and may make any adjustments in the rent necessary to maintain the contract rents at a level not greater than comparable market rents or to increase rents to comparable market rents.

“(2) DISCRETIONARY.—In addition to review and adjustment required under paragraph (1), in the case of projects with contracts renewed pursuant to subsection (a) or pursuant to subsection (e)(2) at rent levels equal to comparable market rents for the market area, the Secretary may, at the discretion of the Secretary but only once within each 5-year period referred to in paragraph (1), conduct a comparison of rents for a project and adjust the rents accordingly to maintain the contract rents at a level not greater than comparable market rents or to increase rents to comparable market rents.

“(d) ENHANCED VOUCHERS UPON CONTRACT EXPIRATION.—

“(1) IN GENERAL.—In the case of a contract for project-based assistance under section 8 for a covered project that is not renewed under subsection (a) or (b) of this section (or any other authority), to the extent that amounts for assistance under this subsection are

provided in advance in appropriation Acts, upon the date of the expiration of such contract the Secretary shall make enhanced voucher assistance under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)) available on behalf of each low-income family who, upon the date of such expiration, is residing in an assisted dwelling unit in the covered project.

“(2) DEFINITIONS.—For purposes of this subsection, the following definitions shall apply:

“(A) ASSISTED DWELLING UNIT.—The term ‘assisted dwelling unit’ means a dwelling unit that—

which contract will (under its own terms) expire during the period consisting of fiscal years 2000 through 2004; and

“(iii) is not housing for which residents are eligible for enhanced voucher assistance as provided, pursuant to the ‘Preserving Existing Housing Investment’ account in the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997 (Public Law 104-204; 110 Stat. 2884) or any other subsequently enacted provision of law, in lieu of any benefits under section 223 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (12 U.S.C. 4113).

“(4) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated for each of fiscal years 2000, 2001, 2002, 2003, and 2004 such sums as may be necessary for enhanced voucher assistance under this subsection.

“(e) CONTRACTUAL COMMITMENTS UNDER PRESERVATION LAWS.—Except as provided in subsection (a)(2) and notwithstanding any other provision of this subtitle, the following shall apply:

“(1) PRESERVATION PROJECTS.—Upon expiration of a contract for assistance under section 8 [42 U.S.C. 1437f] for a project that is subject to an approved plan of action under the Emergency Low Income Housing Preservation Act of 1987 (12 U.S.C. 1715/ note) or the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (12 U.S.C. 4101 et seq.), to the extent amounts are specifically made available in appropriation Acts, the Secretary shall provide to the owner benefits comparable to those provided under such plan of action, including distributions, rent increase procedures, and duration of low-income afford-

ability restrictions. This paragraph shall apply to projects with contracts expiring before, on, or after the date of the enactment of this section [Oct. 27, 1997].

“(2) DEMONSTRATION PROJECTS.—

“(A) IN GENERAL.—Upon expiration of a contract for assistance under section 8 for a project entered into pursuant to any authority specified in subparagraph (B) for which the Secretary determines that debt restructuring is inappropriate, the Secretary shall, at the request of the owner of the project and to the extent sufficient amounts are made available in appropriation Acts, provide benefits to the owner comparable to those provided under such contract, including annual distributions, rent increase procedures, and duration of low-income affordability restrictions. This paragraph shall apply to projects with contracts expiring before, on, or after the date of the enactment of this section [Oct. 27, 1997].

“(f) PREEMPTION OF CONFLICTING STATE LAWS LIMITING DISTRIBUTIONS.—

“(1) IN GENERAL.—Except as provided in paragraph (2), no State or political subdivision of a State may establish, continue in effect, or enforce any law or regulation that limits or restricts, to an amount that is less than the amount provided for under the regulations of the Secretary establishing allowable project distributions to provide a return on investment, the amount of surplus funds accruing after the date of the enactment of this section [Oct. 27, 1997] that may be distributed from any multifamily housing project assisted under a contract for rental assistance renewed under any provision of this section (except subsection (b)) to the owner of the project.

“(2) EXCEPTION AND WAIVER.—Paragraph (1) shall not apply to any law or regulation to the extent such law or regulation applies to—

“(a) The Secretary shall establish fees for the cost of administering the certificate, voucher and moderate rehabilitation programs.

“(1)(A) For fiscal year 1997, the fee for each month for which a dwelling unit is covered by an assistance contract shall be 7.5 percent of the base amount, adjusted as provided herein, in the case of an agency that, on an annual basis, is administering a program of no more than 600 units, and 7 percent of the base amount, adjusted as provided herein, for each additional unit above 600.

“(B) The base amount shall be the higher of—

“(C) The base amount shall be adjusted to reflect changes in the wage data or other objectively measurable data that reflect the costs of administering the program during fiscal year 1996; except that the Secretary may require that the base amount be not less than a minimum amount and not more than a maximum amount.

“(2) For subsequent fiscal years, the Secretary shall publish a notice in the Federal Register, for each geographic area, establishing the amount of the fee that would apply for the agencies administering the program, based on changes in wage data or other objectively measurable data that reflect the cost of administering the program, as determined by the Secretary.

“(2) SAVINGS PROVISIONS.—Nothing in this section shall be construed to affect any commitment entered into before the date of enactment of this Act [Sept. 26, 1996] under the demonstration program under section 210 of the Departments of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 1996.

“(A) whose owners agree to participate;

“(B) with rents on units assisted under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] that are, in the aggregate, in excess of 120 percent of the fair market rent of the market area in which the project is located; and

“(C) the mortgages of which are insured under the National Housing Act [12 U.S.C. 1701 et seq.].

“(2) PURPOSE.—The demonstration program shall be designed to obtain as much information as is feasible on the economic viability and rehabilitation needs of the multifamily housing projects in the demonstration, to test various approaches for restructuring mortgages to reduce the financial risk to the FHA Insurance Fund while reducing the cost of section 8 subsidies, and to test the feasibility and desirability of—

“(C) preserving low-income rental housing affordability and availability while reducing the long-term cost of section 8 rental assistance.

“(c) GOALS.—

“(1) IN GENERAL.—The Secretary shall carry out the demonstration program in a manner that will protect the financial interests of the Federal Government through debt restructuring and subsidy reduction and, in the least costly fashion, address the goals of—

“(d) PARTICIPATION ARRANGEMENTS.—

“(1) IN GENERAL.—In carrying out the demonstration program, the Secretary may enter into participation arrangements with designees, under which the Secretary may provide for the assumption by des-

ignees (by delegation, by contract, or otherwise) of some or all of the functions, obligations, responsibilities and benefits of the Secretary.

“(2) DESIGNEES.—In entering into any arrangement under this subsection, the Secretary shall select state housing finance agencies, housing agencies or nonprofits (separately or in conjunction with each other) to act as designees to the extent such agencies are determined to be qualified by the Secretary. In locations where there is no qualified State housing finance agency, housing agency or nonprofit to act as a designee, the Secretary may act as a designee. Each participation arrangement entered into under this subsection shall include a designee as the primary partner. Any organization selected by the Secretary under this section shall have a long-term record of service in providing low-income housing and meet standards of fiscal responsibility, as determined by the Secretary.

“(2) AFFORDABILITY REQUIREMENTS.—Except as otherwise provided by the Secretary, in exchange for any mortgage restructuring under this section, a project shall remain affordable for a period of not less than 20 years. Affordability requirements shall be determined in accordance with guidelines established by the Secretary or designee. The Secretary or designee may waive these requirements for good cause.

“(f) PROCEDURES.—

“(1) NOTICE OF PARTICIPATION IN DEMONSTRATION.—Not later than 45 days before the date of expiration of an expiring contract (or such later date, as determined by the Secretary, for good cause), the owner of the multifamily housing project covered by that expiring contract shall notify the Secretary or designee and the residents of the owner's intent to participate in the demonstration program.

“(2) DEMONSTRATION CONTRACT.—Upon receipt of a notice under paragraph (1), the owner and the Secretary or designee shall enter into a demonstration contract, which shall provide for initial section 8 project-based rents at the same rent levels as those under the expiring contract or, if practical, the budget-based rent to cover debt service, reasonable operating expenses (including reasonable and appropriate services), and a reasonable return to the owner, as determined solely by the Secretary. The demonstration contract shall be for the minimum term necessary for the rents and mortgages of the multifamily housing project to be restructured under the demonstration program, but shall not be for a period of time to exceed 180 days, unless extended for good cause by the Secretary.

“(g)(1) PROJECT-BASED SECTION 8.—The Secretary shall renew all expiring contracts under the demonstration as section 8 project-based contracts, for a period of

time not to exceed one year, unless otherwise provided under subsection (h) or in paragraph (2).

“(A) the contract was originally executed before February 1, 1997, and the Secretary determines, in the sole discretion of the Secretary, that the renewal period for the contract needs to exceed 1 year, due to delay of publication of the Secretary’s demonstration program guidelines until January 23, 1997 (not to exceed 21 projects); or

“(B) the contract was originally executed before October 1, 1997, in connection with a project that has been identified for restructuring under the joint venture approach described in section VII.B.2. of the Secretary’s demonstration program guidelines, and the Secretary determines, in the sole discretion of the Secretary, that the renewal period for the contract needs to exceed 1 year, due to delay in implementation of the joint venture agreement required by the guidelines (not to exceed 25 projects).

“(h) DEMONSTRATION ACTIONS.—

“(1) DEMONSTRATION ACTIONS.—For purposes of carrying out the demonstration program, and in order to ensure that contract rights are not abrogated, subject to such third party consents as are necessary (if any), including consent by the Government National Mortgage Association if it owns a mortgage insured by the Secretary, consent by an issuer under the mortgage-backed securities program of the Association, subject to the responsibilities of the issuer to its security holders and the Association under such program, and consent by parties to any contractual agreement which the Secretary proposes to modify or discontinue, the Secretary or, except with respect to subparagraph (B), designee, subject to the funding limitation in subsection (l), shall take not less than one of the actions specified in subparagraphs (G), (H), and (I) and may take any of the following actions:

“(ii) ACCUMULATED RESIDUAL RECEIPTS.—The Secretary or designee may require an owner of a property assisted under the section 8 new construction/substantial rehabilitation program under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] to apply any accumulated residual receipts toward effecting the purposes of this section.

“(B) REINSURANCE.—With respect to not more than 5,000 units within the demonstration during fiscal year 1997, the Secretary may enter into contracts to purchase reinsurance, or enter into participations or otherwise transfer economic interest in contracts of insurance or in the premiums paid, or due to be paid, on such insurance, on such terms and conditions as the Secretary may determine. Any contract entered into under this paragraph shall require that any associated units be maintained as low-income units for the life of the mortgage, unless waived by the Secretary for good cause.

“(C) PARTICIPATION BY THIRD PARTIES.—The Secretary or designee may enter into such agreements, provide such concessions, incur such costs, make such grants (including grants to cover all or a portion of the rehabilitation costs for a project) and

other payments, and provide other valuable consideration as may reasonably be necessary for owners, lenders, servicers, third parties, and other entities to participate in the demonstration program. The Secretary may establish performance incentives for designees.

“(D) SECTION 8 ADMINISTRATIVE FEES.—Notwithstanding any other provision of law, the Secretary may make fees available from the section 8 contract renewal appropriation to a designee for contract administration under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] for purposes of any contract restructured or renewed under the demonstration program.

“(E) FULL OR PARTIAL PAYMENT OF CLAIM.—Notwithstanding any other provision of law, the Secretary may make a full payment of claim or partial payment of claim prior to default.

“(F) CREDIT ENHANCEMENT.—

“(i) IN GENERAL.—The Secretary or designee may provide FHA multifamily mortgage insurance, reinsurance, or other credit enhancement alternatives, including retaining the existing FHA mortgage insurance on a restructured first mortgage at market value or using the multifamily risk-sharing mortgage programs, as provided under section 542 of the Housing and Community Development Act of 1992 [12 U.S.C. 1707 note]. Any limitations on the number of units available for mortgage insurance under section 542 shall not apply to insurance issued for purposes of the demonstration program.

“(ii) MAXIMUM PERCENTAGE.—During fiscal year 1997, not more than 25 percent of the units in multifamily housing projects with expiring contracts in the demonstration, in the aggregate, may be restructured without FHA insurance, unless otherwise agreed to by the owner of a project.

“(iii) CREDIT SUBSIDY.—Any credit subsidy costs of providing mortgage insurance shall be paid from amounts made available under subsection (l).

“(G) MORTGAGE RESTRUCTURING.—

“(i) IN GENERAL.—The Secretary or designee may restructure mortgages to provide a restructured first mortgage to cover debt service and operating expenses (including a reasonable rate of return to the owner) at the market rent, and a second mortgage equal to the difference between the restructured first mortgage and the mortgage balance of the eligible multifamily housing project at the time of restructuring.

“(ii) CREDIT SUBSIDY.—Any credit subsidy costs of providing a second mortgage shall be paid from amounts made available under subsection (l).

“(H) DEBT FORGIVENESS.—The Secretary or designee, for good cause and at the request of the owner of a multifamily housing project, may forgive at the time of the restructuring of a mortgage any portion of a debt on the project that exceeds the market value of the project.

“(I) BUDGET-BASED RENTS.—The Secretary or designee may renew an expiring contract, including a contract for a project in which operating costs exceed comparable market rents, for a period of not more than one year, at a budget-based rent that covers debt service, reasonable operating expenses (including all reasonable and appropriate services), and a reasonable rate of return to the owner, as determined solely by the Secretary, provided that the contract does not exceed the rent levels under the expiring contract. The Secretary may establish a preference under the demonstration program for budget-based rents for unique housing projects, such as projects designated for occupancy by elderly families and projects in rural areas.

“(J) SECTION 8 TENANT-BASED ASSISTANCE.—For not more than 10 percent of units in multifamily housing projects that have had their mortgages restructured in any fiscal year under the demonstra-

tion, the Secretary or designee may provide, with the agreement of an owner and in consultation with the tenants of the housing, section 8 tenant-based assistance for some or all of the assisted units in a multifamily housing project in lieu of section 8 project-based assistance. Section 8 tenant-based assistance may only be provided where the Secretary determines and certifies that there is adequate available and affordable housing within the local area and that tenants will be able to use the section 8 tenant-based assistance successfully.

“(2) OFFER AND ACCEPTANCE.—Notwithstanding any other provision of law, an owner of a project in the demonstration must accept any reasonable offer made by the Secretary or a designee under this subsection. An owner may appeal the reasonableness of any offer to the Secretary and the Secretary shall respond within 30 days of the date of appeal with a final offer. If the final offer is not acceptable, the owner may opt out of the program.

“(i) COMMUNITY AND TENANT INPUT.—In carrying out this section, the Secretary shall develop procedures to provide appropriate and timely notice, including an opportunity for comment and timely access to all relevant information, to officials of the unit of general local government affected, the community in which the project is situated, and the tenants of the project.

“(j) TRANSFER OF PROPERTY.—The Secretary shall establish procedures to facilitate the voluntary sale or transfer of multifamily housing projects under the demonstration to tenant organizations and tenant-endorsed community-based nonprofit and public agency purchasers meeting such reasonable qualifications as may be established by the Secretary.

“(k) LIMITATION ON DEMONSTRATION AUTHORITY.—The Secretary shall carry out the demonstration program with respect to mortgages not to exceed 50,000 units.

“(l) FUNDING.—In addition to the \$30,000,000 made available under section 210 of the Departments of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 1996 (110 Stat. 1321) [section 101(e) [title II, §210] of Pub. L. 104-134, formerly set out as a note below], for the costs (including any credit subsidy costs associated with providing direct loans or mortgage insurance) of modifying and restructuring loans held or guaranteed by the Federal Housing Administration, as authorized under this section, \$10,000,000 is hereby appropriated, to remain available until September 30, 1998.

“(m) REPORT TO CONGRESS.—

“(1) IN GENERAL.—

“(A) QUARTERLY REPORTS.—Not less than every 3 months, the Secretary shall submit to the Congress a report describing and assessing the status of the projects in the demonstration program.

“(B) FINAL REPORT.—Not later than 6 months after the end of the demonstration program, the Secretary shall submit to the Congress a final report on the demonstration program.

“(2) CONTENTS.—Each report submitted under paragraph (1)(A) shall include a description of—

“(A) the use of comparability studies by the Secretary of Housing and Urban Development or the appropriate State agency as an independent limitation on the amount of rental adjustments resulting from the application of an annual adjustment factor under such section has resulted in the reduction of the maximum monthly rent for units covered by the contract or the failure to increase such contract rent to the full amount otherwise permitted under the annual adjustment factor, or

“(B) an assistance contract requires a project owner to make a request before becoming eligible for a rent adjustment under the annual adjustment factor and the project owner certifies that such a request was not made because of anticipated negative adjustment to the project rents,

for fiscal year 1980, and annually thereafter until regulations implementing this section take effect, rental adjustments shall be calculated as an amount equal to the annual adjustment factor multiplied by a figure equal to the contract rent minus the amount of contract rent attributable to debt service. Upon the request of the project owner, the Secretary shall pay to the project owner the amount, if any, by which the total rental adjustment calculated under the preceding sentence exceeds the total adjustments the Secretary or appropriate State agency actually approved, except that solely for purposes of calculating retroactive payments under this subsection, in no event shall any project owner be paid an amount less than 30 percent of a figure equal to the aggregate of the annual adjustment factor multiplied by the full contract rent for each year on or after fiscal year 1980, minus the sum of the rental payments the Secretary or appropriate State agency actually approved for those years. The method provided by this subsection shall be the exclusive method by which retroactive payments, whether or not requested, may be made for projects subject to this subsection for the period from fiscal year 1980 until the regulations issued under subsection (e) take effect. For purposes of this paragraph, ‘debt service’ shall include interest, principal, and mortgage insurance premium if any.

“(b) 3-YEAR PAYMENTS.—The Secretary shall provide the amounts under subsection (a) over the 3-year period beginning on the effective date of the regulations issued under subsection (e). The Secretary shall provide the payments authorized under subsection (a) only to the extent approved in subsequent appropriations Acts. There are authorized to be appropriated such sums as may be necessary for this purpose.

“(d) DETERMINATION OF CONTRACT RENT.—(1) The Secretary shall upon the request of the project owner,

make a one-time determination of the contract rent for each project owner referred to in subsection (a). The contract rent shall be the greater of the contract rent—

“(A) currently approved by the Secretary under section 8(c)(2) of the United States Housing Act of 1937 [42 U.S.C. 1437f(c)(2)], or

“(B) calculated in accordance with the first sentence of subsection (a)(1).

“(2) All adjustments in contract rents under section 8(c)(2) of the United States Housing Act of 1937, including adjustments involving projects referred to in subsection (a), that occur beginning with the first anniversary date of the contract after the regulations issued under subsection (e) take effect shall be made in accordance with the annual adjustment and comparability provisions of sections 8(c)(2)(A) and 8(c)(2)(C) of such Act, respectively, using the one-time contract rent determination under paragraph (1).

“(e) REGULATIONS.—The Secretary shall issue regulations to carry out this section and the amendments made by this section [amending this section], including the amendments made by subsection (c) with regard to annual adjustment factors and comparability studies. The Secretary shall issue such regulations not later than the expiration of the 180-day period beginning on the date of the enactment of this Act [Dec. 15, 1989].”

(C) Treatment of savings

(i) In general

The treatment of utility and waste management costs under the formula shall provide that a public housing agency shall receive the full financial benefit from any reduction in the cost of utilities or waste management resulting from any contract with a third party to undertake energy conservation improvements in one or more of its public housing projects.

(3) Condition on use

No portion of any public housing project operated using amounts provided under this subsection, or under this section as in effect before the effective date under section 503(a) of the Quality Housing and Work Responsibility Act of 1998, may be disposed of before the expiration of the 10-year period beginning upon the conclusion of the fiscal year for which such amounts were provided, except as otherwise provided in this chapter.

(2) Full flexibility for small PHAs

Of any amounts allocated for any fiscal year for any public housing agency that owns or operates less than 250 public housing dwelling units, is not designated pursuant to section 1437d(j)(2) of this title as a troubled public housing agency, and (in the determination of the Secretary) is operating and maintaining its public housing in a safe, clean, and healthy condition, the agency may use any such amounts for any eligible activities under subsections (d)(1) and (e)(1) of this section, regardless of the fund from which the amounts were allocated and provided. This subsection shall take effect on October 21, 1998.

(3) Limitation on new construction

(A) In general

Except as provided in subparagraphs (B) and (C), a public housing agency may not use any of the amounts allocated for the agency from the Capital Fund or Operating Fund for the purpose of constructing any public housing unit, if such construction would result in a net increase from the number of public housing units owned, assisted, or operated by the public housing agency on October 1, 1999, including any public housing units demolished as part of any revitalization effort.

(B) Exception regarding use of assistance

A public housing agency may use amounts allocated for the agency from the Capital

Fund or Operating Fund for the construction and operation of housing units that are available and affordable to low-income families in excess of the limitations on new construction set forth in subparagraph (A), but the formulas established under subsections (d)(2) and (e)(2) of this section shall not provide additional funding for the specific purpose of allowing construction and operation of housing in excess of those limitations (except to the extent provided in subparagraph (C)).

(C) Exception regarding formulas

Subject to reasonable limitations set by the Secretary, the formulas established under subsections (d)(2) and (e)(2) of this section may provide additional funding for the operation and modernization costs (but not the initial development costs) of housing in excess of amounts otherwise permitted under this paragraph, and such amounts may be so used, if—

(i) such units are part of a mixed-finance project or otherwise leverage significant additional private or public investment; and

(ii) the estimated cost of the useful life of the project is less than the estimated cost of providing tenant-based assistance under section 1437f(o) of this title for the same period of time.

(h) Technical assistance

To the extent amounts are provided in advance in appropriations Acts, the Secretary may make grants or enter into contracts or cooperative agreements in accordance with this subsection for purposes of providing, either directly or indirectly—

essary travel for participants in such training or technical assistance, by or to officials and employees of the Department and of public housing agencies, and to residents and to other eligible grantees.

If a public housing agency uses proceeds from the sale of units under a homeownership program in accordance with section 1437z-4 of this title to acquire additional units to be sold to low-income families, the additional units shall be counted as public housing for purposes of determining the amount of the allocation to the agency under this section until sale by the agency, but in no case longer than 5 years.

(j) Penalty for slow expenditure of capital funds

(1) Obligation of amounts

Except as provided in paragraph (4) and subject to paragraph (2), a public housing agency shall obligate any assistance received under this section not later than 24 months after, as applicable—

(B) the date on which the agency accumulates adequate funds to undertake modernization, substantial rehabilitation, or new construction of units.

(2) Extension of time period for obligation

The Secretary—

(A) may, extend the time period under paragraph (1) for a public housing agency, for such period as the Secretary determines to be necessary, if the Secretary determines that the failure of the agency to obligate assistance in a timely manner is attributable to—

- (i) litigation;
- (ii) obtaining approvals of the Federal Government or a State or local government;

For purposes of this subsection, the term “covered family” means a family that (A) receives benefits for welfare or public assistance from a State or other public agency under a program for which the Federal, State, or local law relating to the program requires, as a condition of eligibility for assistance under the program, participation of a member of the family in an economic self-sufficiency program, and (B) resides in a public housing dwelling unit or is provided tenant-based assistance under section 1437f of this title.

(2) Decreases in income for failure to comply**(A) In general**

Notwithstanding the provisions of section 1437a(a) of this title (relating to family rental contributions) or paragraph (4) or (5) of section 1437a(b) of this title (relating to definition of income and adjusted income), if the welfare or public assistance benefits of a covered family are reduced under a Federal, State, or local law regarding such an assistance program because of any failure of any member of the family to comply with the conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement, the amount required to be paid by the family as a monthly contribution toward rent may not be decreased, during the period of the reduction, as a result of any decrease in the income of the family (to the extent that the decrease in income is a result of the benefits reduction).

(B) No reduction based on time limit for assistance

For purposes of this paragraph, a reduction in benefits as a result of the expiration of a lifetime time limit for a family receiving welfare or public assistance benefits shall not be considered to be a failure to comply with the conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement. This paragraph shall apply beginning on October 21, 1998.

(3) Effect of fraud

Notwithstanding the provisions of section 1437a(a) of this title (relating to family rental contributions) or paragraph (4) or (5) of section 1437a(b) of this title (relating to definition of income and adjusted income), if the welfare or public assistance benefits of a covered family are reduced because of an act of fraud by a member of the family under the law or program, the amount required to be paid by the covered family as a monthly contribution toward rent may not be decreased, during the period of the reduction, as a result of any decrease in the income of the family (to the extent that the decrease in income is a result of the benefits reduction). This paragraph shall apply beginning on October 21, 1998.

(4) Notice

Paragraphs (2) and (3) shall not apply to any covered family before the public housing agency providing assistance under this chapter on behalf of the family obtains written notification from the relevant welfare or public assistance agency specifying that the family's benefits have been reduced because of noncompliance with economic self-sufficiency program or work activities requirements or fraud, and the level of such reduction.

(5) Occupancy rights

This subsection may not be construed to authorize any public housing agency to establish any time limit on tenancy in a public housing dwelling unit or on receipt of tenant-based assistance under section 1437f of this title.

(6) Review

Any covered family residing in public housing that is affected by the operation of this subsection shall have the right to review the determination under this subsection through the administrative grievance procedure established pursuant to section 1437d(k) of this title for the public housing agency.

(B) Contents

A public housing agency shall seek to include in a cooperation agreement under this paragraph requirements and provisions designed to target assistance under welfare and public assistance programs to families residing in public housing projects and families receiving tenant-based assistance under section 1437f of this title, which may include providing for economic self-sufficiency services within such housing, providing for services designed to meet the unique employment-related needs of residents of such housing and recipients of such assistance, providing for placement of workfare positions on-site in such housing, and such other elements as may be appropriate.

(C) Confidentiality

This paragraph may not be construed to authorize any release of information prohibited by, or in contravention of, any other provision of Federal, State, or local law.

(e) Lease provisions

A public housing agency shall incorporate into leases under section 1437d(7) of this title and into agreements for the provision of tenant-based assistance under section 1437f of this title, provisions incorporating the conditions under subsection (d) of this section.

(f) Treatment of income

Notwithstanding any other provision of this section, in determining the income of a family who resides in public housing or receives tenant-based assistance under section 1437f of this title, a public housing agency shall consider any decrease in the income of a family that results from the reduction of any welfare or public assistance benefits received by the family under any Federal, State, or local law regarding a program for such assistance if the family (or a member thereof, as applicable) has complied with the conditions for receiving such assistance and is unable to obtain employment notwithstanding such compliance.

(g) Definition

For purposes of this section, the term “economic self-sufficiency program” means any program designed to encourage, assist, train, or facilitate the economic independence of participants and their families or to provide work for participants, including programs for job training, employment counseling, work placement, basic skills training, education, workfare, financial or household management, apprenticeship, or other activities as the Secretary may provide.

§ 1437n. Eligibility for assisted housing

(a) Income eligibility for public housing

(1) Income mix within projects

A public housing agency may establish and utilize income-mix criteria for the selection of residents for dwelling units in public housing projects, subject to the requirements of this section.

(2) PHA income mix

(A)¹ TARGETING.—Except as provided in paragraph (4), of the public housing dwelling units of a public housing agency made available for occupancy in any fiscal year by eligible families, not less than 40 percent shall be occupied by families whose incomes at the time of commencement of occupancy do not exceed 30 percent of the area median income, as determined by the Secretary with adjustments for smaller and larger families; except that the Secretary may establish income ceilings higher or lower than 30 percent of the area median income on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

(3) Prohibition of concentration of low-income families

(A) Prohibition

A public housing agency may not, in complying with the requirements under paragraph (2), concentrate very low-income families (or other families with relatively low incomes) in public housing dwelling units in certain public housing projects or certain buildings within projects. The Secretary shall review the income and occupancy characteristics of the public housing projects and the buildings of such projects of such agencies to ensure compliance with the provisions of this paragraph and paragraph (2).

(B) Deconcentration

(i) In general

A public housing agency shall submit with its annual public housing agency plan

¹ So in original. No subpar. (B) has been enacted.

under section 1437c-1 of this title an admissions policy designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. This clause may not be construed to impose or require any specific income or racial quotas for any project or projects.

(ii) Incentives

In implementing the policy under clause (i), a public housing agency may offer incentives for eligible families having higher incomes to occupy dwelling unit in projects predominantly occupied by eligible families having lower incomes, and provide for occupancy of eligible families having lower incomes in projects predominantly occupied by eligible families having higher incomes.

(iii) Family choice

Incentives referred to in clause (ii) may be made available by a public housing agency only in a manner that allows for the eligible family to have the sole discretion in determining whether to accept the incentive and an agency may not take any adverse action toward any eligible family for choosing not to accept an incentive and occupancy of a project described in clause (i)(II),² *Provided*, That the skipping of a family on a waiting list to reach another family to implement the policy under clause (i) shall not be considered an adverse action. An agency implementing an admissions policy under this subparagraph shall implement the policy in a manner that does not prevent or interfere with the use of site-based waiting lists authorized under section 1437d(s)³ of this title.

(4) Fungibility with tenant-based assistance

(A) Authority

Except as provided under subparagraph (D), the number of public housing dwelling units that a public housing agency shall otherwise make available in accordance with paragraph (2)(A) to comply with the percentage requirement under such paragraph for a fiscal year shall be reduced by the credit number for the agency under subparagraph (B).

(B) Credit for exceeding tenant-based assistance targeting requirement

Subject to subparagraph (C), the credit number under this subparagraph for a public housing agency for a fiscal year shall be the number by which—

(i) the aggregate number of qualified families who, in such fiscal year, are initially provided tenant-based assistance under section 1437f of this title by the agency; exceeds

(ii) the number of qualified families that is required for the agency to comply with the percentage requirement under sub-

section (b)(1) of this section for such fiscal year.

(C) Limitations on credit number

The credit number under subparagraph (B) for a public housing agency for a fiscal year may not in any case exceed the lesser of—

(i) the number of dwelling units that is equivalent to 10 percent of the aggregate number of families initially provided tenant-based assistance under section 1437f of this title by the agency in such fiscal year; or

(ii) the number of public housing dwelling units of the agency that—

(I) are in projects that are located in census tracts having a poverty rate of 30 percent or more; and

(II) are made available for occupancy during such fiscal year and are actually filled only by families whose incomes at the time of commencement of such occupancy exceed 30 percent of the area median income, as determined by the Secretary with adjustments for smaller and larger families.

(D) Fungibility floor

Notwithstanding any authority under subparagraph (A), of the public housing dwelling units of a public housing agency made available for occupancy in any fiscal year by eligible families, not less than 30 percent shall be occupied by families whose incomes at the time of commencement of occupancy do not exceed 30 percent of the area median income, as determined by the Secretary with adjustments for smaller and larger families.

(E) Qualified family

For purposes of this paragraph, the term “qualified family” means a family having an income described in subsection (b)(1) of this section.

(b) Income eligibility for tenant-based section 1437f assistance

(1) In general

Of the families initially provided tenant-based assistance under section 1437f of this title by a public housing agency in any fiscal year, not less than 75 percent shall be families whose incomes do not exceed 30 percent of the area median income, as determined by the Secretary with adjustments for smaller and larger families; except that the Secretary may establish income ceilings higher or lower than 30 percent of the area median income on the basis of the Secretary’s findings that such variations are necessary because of unusually high or low family incomes.

(2) Jurisdictions served by multiple PHAs

In the case of any 2 or more public housing agencies that administer tenant-based assistance under section 1437f of this title with respect solely to identical geographical areas, such agencies shall be treated as a single public housing agency for purposes of paragraph (1).

² So in original. Cl. (i) does not contain subclauses.

³ See References in Text note below.

(c) Income eligibility for project-based section 1437f assistance

(1) Pre-1981 act projects

Not more than 25 percent of the dwelling units that were available for occupancy under section 8 [42 U.S.C. 1437f] housing assistance payments contracts under this chapter before October 1, 1981, and which will be leased on or after October 1, 1981, shall be available for leasing by low-income families other than very low-income families.

(2) Post-1981 act projects

Not more than 15 percent of the dwelling units which become available for occupancy under section 8 [42 U.S.C. 1437f] housing assistance payments contracts under this chapter on or after October 1, 1981, shall be available for leasing by low-income families other than very low-income families.

(3) Targeting

For each project assisted under a contract for project-based assistance, of the dwelling units that become available for occupancy in any fiscal year that are assisted under the contract, not less than 40 percent shall be available for leasing only by families whose incomes at the time of commencement of occupancy do not exceed 30 percent of the area median income, as determined by the Secretary with adjustments for smaller and larger families; except that the Secretary may establish income ceilings higher or lower than 30 percent of the area median income on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

(4) Prohibition of skipping

In developing admission procedures implementing paragraphs (1), (2), and (3), the Secretary shall prohibit project owners from selecting families for residence in an order different from the order on the waiting list for the purpose of selecting relatively higher income families for residence. Nothing in this paragraph or this subsection may be construed to prevent an owner of housing assisted under a contract for project-based assistance from establishing a preference for occupancy in such housing for families containing a member who is employed.

(5) Exception

The limitations established in paragraphs (1), (2), and (3) shall not apply to dwelling units made available under project-based contracts under section 1437f of this title for the purpose of preventing displacement, or ameliorating the effects of displacement.

(6) Definition

For purposes of this subsection, the term "project-based assistance" means assistance under any of the following programs:

(G) Section 1437f of this title (as in effect before the effective date under section 503(a) of the Quality Housing and Work Responsibility Act of 1998), following conversion from assistance under section 1701s of title 12 or section 1715z-1(f)(2) of title 12.

(d) Establishment of different standards

Notwithstanding subsection (a)(2) or (b)(1) of this section, if approved by the Secretary, a public housing agency may for good cause establish and implement, in accordance with the public housing agency plan, an admission standard other than the standard under such subsection.

(e) Repealed. Pub. L. 105-276, title V, § 576(d)(2), Oct. 21, 1998, 112 Stat. 2640

Except as provided in subsection (b) of this section, upon receiving an application by a public housing agency for authorization, with or without financial assistance under this subchapter, to demolish or dispose of a public housing project or a portion of a public housing

project (including any transfer to a resident-supported nonprofit entity), the Secretary shall approve the application, if the public housing agency certifies—

(1) in the case of—

(A) an application proposing demolition of a public housing project or a portion of a public housing project, that—

- (i) the project or portion of the public housing project is obsolete as to physical condition, location, or other factors, making it unsuitable for housing purposes; and
- (ii) no reasonable program of modifications is cost-effective to return the public housing project or portion of the project to useful life; and

(B) an application proposing the demolition of only a portion of a public housing project, that the demolition will help to ensure the viability of the remaining portion of the project;

(2) in the case of an application proposing disposition by sale or other transfer of a public housing project or other real property subject to this subchapter—

(A) the retention of the property is not in the best interests of the residents or the public housing agency because—

- (i) conditions in the area surrounding the public housing project adversely affect the health or safety of the residents or the feasible operation of the project by the public housing agency; or
- (ii) disposition allows the acquisition, development, or rehabilitation of other properties that will be more efficiently or effectively operated as low-income housing;

(B) the public housing agency has otherwise determined the disposition to be appropriate for reasons that are—

- (i) in the best interests of the residents and the public housing agency;
- (ii) consistent with the goals of the public housing agency and the public housing agency plan; and

(C) for property other than dwelling units, the property is excess to the needs of a public housing project or the disposition is incidental to, or does not interfere with, continued operation of a public housing project;

(3) that the public housing agency has specifically authorized the demolition or disposition in the public housing agency plan, and has certified that the actions contemplated in the public housing agency plan comply with this section;

(4) that the public housing agency—

- (i) the public housing project will be demolished or disposed of;

(ii) the demolition of the building in which the family resides will not commence until each resident of the building is relocated; and

(iii) each family displaced by such action will be offered comparable housing—

(I) that meets housing quality standards;

(II) that is located in an area that is generally not less desirable than the location of the displaced person's housing; and

(III) which may include—

(aa) tenant-based assistance, except that the requirement under this clause regarding offering of comparable housing shall be fulfilled by use of tenant-based assistance only upon the relocation of such family into such housing;

(bb) project-based assistance; or

(E) will not commence demolition or complete disposition until all residents residing in the building are relocated;

(A) unless waived by the Secretary, for the retirement of outstanding obligations issued to finance the original public housing project or modernization of the project; and

(B) to the extent that any proceeds remain after the application of proceeds in accordance with subparagraph (A), for—

(i) the provision of low-income housing or to benefit the residents of the public housing agency; or

(ii) leveraging amounts for securing commercial enterprises, on-site in public housing projects of the public housing agency, appropriate to serve the needs of the residents; and

(6) that the public housing agency has complied with subsection (c) of this section.

(b) Disapproval of applications

The Secretary shall disapprove an application submitted under subsection (a) of this section if the Secretary determines that—

(1) any certification made by the public housing agency under that subsection is clearly inconsistent with information and data available to the Secretary or information or data requested by the Secretary; or

(2) the application was not developed in consultation with—

(A) residents who will be affected by the proposed demolition or disposition;

(B) each resident advisory board and resident council, if any, of the project (or portion thereof) that will be affected by the proposed demolition or disposition; and

(C) appropriate government officials.

(1) In general

In the case of a proposed disposition of a public housing project or portion of a project, the public housing agency shall, in appropriate circumstances, as determined by the Secretary, initially offer the property to any eligible resident organization, eligible resident management corporation, or nonprofit organization acting on behalf of the residents, if that entity has expressed an interest, in writing, to the public housing agency in a timely manner, in purchasing the property for continued use as low-income housing.

(2) Timing

(A) Expression of interest

A resident organization, resident management corporation, or other resident-supported nonprofit entity referred to in paragraph (1) may express interest in purchasing property that is the subject of a disposition, as described in paragraph (1), during the 30-day period beginning on the date of notification of a proposed sale of the property.

(B) Opportunity to arrange purchase

If an entity expresses written interest in purchasing a property, as provided in subparagraph (A), no disposition of the property shall occur during the 60-day period beginning on the date of receipt of that written notice (other than to the entity providing the notice), during which time that entity shall be given the opportunity to obtain a firm commitment for financing the purchase of the property.

(d) Replacement units

Notwithstanding any other provision of law, replacement public housing units for public housing units demolished in accordance with this section may be built on the original public housing location or in the same neighborhood as the original public housing location if the number of the replacement public housing units is significantly fewer than the number of units demolished.

(e) Consolidation of occupancy within or among buildings

Nothing in this section may be construed to prevent a public housing agency from consolidating occupancy within or among buildings of a public housing project, or among projects, or with other housing for the purpose of improving living conditions of, or providing more efficient services to, residents.

(f) De minimis exception to demolition requirements

§ 1437r. Public housing resident management

(a) Purpose

The purpose of this section is to encourage increased resident management of public housing projects, as a means of improving existing living conditions in public housing projects, by providing increased flexibility for public housing projects that are managed by residents by—

(1) permitting the retention, and use for certain purposes, of any revenues exceeding operating and project costs; and

(2) providing funding, from amounts otherwise available, for technical assistance to promote formation and development of resident management entities.

For purposes of this section, the term “public housing project” includes one or more contiguous buildings or an area of contiguous row houses the elected resident councils of which approve the establishment of a resident manage-

ment corporation and otherwise meet the requirements of this section.

(b) Program requirements

(1) Resident council

As a condition of entering into a resident management program, the elected resident council of a public housing project shall approve the establishment of a resident management corporation. When such approval is made by the elected resident council of a building or row house area, the resident management program shall not interfere with the rights of other families residing in the project or harm the efficient operation of the project. The resident management corporation and the resident council may be the same organization, if the organization complies with the requirements applicable to both the corporation and council. The corporation shall be a nonprofit corporation organized under the laws of the State in which the project is located, and the tenants of the project shall be the sole voting members of the corporation. If there is no elected resident council, a majority of the households of the public housing project shall approve the establishment of a resident council to determine the feasibility of establishing a resident management corporation to manage the project.

(2) Public housing management specialist

The resident council of a public housing project, in cooperation with the public housing agency, shall select a qualified public housing management specialist to assist in determining the feasibility of, and to help establish, a resident management corporation and to provide training and other duties agreed to in the daily operations of the project.

(3) Bonding and insurance

Before assuming any management responsibility for a public housing project, the resident management corporation shall provide fidelity bonding and insurance, or equivalent protection, in accordance with regulations and requirements of the Secretary and the public housing agency. Such bonding and insurance, or its equivalent, shall be adequate to protect the Secretary and the public housing agency against loss, theft, embezzlement, or fraudulent acts on the part of the resident management corporation or its employees.

(4) Management responsibilities

A resident management corporation that qualifies under this section, and that supplies insurance and bonding or equivalent protection sufficient to the Secretary and the public housing agency, shall enter into a contract with the public housing agency establishing the respective management rights and responsibilities of the corporation and the public housing agency. Such contract shall be consistent with the requirements of this chapter applicable to public housing projects and may include specific terms governing management personnel and compensation, access to public housing project records, submission of and adherence to budgets, rent collection procedures, tenant income verification, tenant eligibility

determinations, tenant eviction, the acquisition of supplies and materials, rent determination, community service requirements,¹ and such other matters as may be appropriate. The contract shall be treated as a contracting out of services and shall be subject to any provision of a collective bargaining agreement regarding contracting out to which the public housing agency is subject.

(5) Annual audit

The books and records of a resident management corporation operating a public housing project shall be audited annually by a certified public accountant. A written report of each audit shall be forwarded to the public housing agency and the Secretary.

(c) Assistance amounts

A contract under this section for management of a public housing project by a resident management corporation shall provide for—

(1) the public housing agency to provide a portion of the assistance to agency from the Capital and Operating Funds to the resident management corporation in accordance with subsection (e) of this section for purposes of operating the public housing project covered by the contract and performing such other eligible activities with respect to the project as may be provided under the contract;

(2) the amount of income expected to be derived from the project itself (from sources such as rents and charges);

(3) the amount of income to be provided to the project from the other sources of income of the public housing agency (such as interest income, administrative fees, and rents); and

(4) any income generated by a resident management corporation of a public housing project that exceeds the income estimated under the contract shall be used for eligible activities under subsections (d)(1) and (e)(1) of section 1437g of this title.

(d) Waiver of Federal requirements

(1) Waiver of regulatory requirements

Upon the request of any resident management corporation and public housing agency, and after notice and an opportunity to comment is afforded to the affected tenants, the Secretary may waive (for both the resident management corporation and the public housing agency) any requirement established by the Secretary (and not specified in any statute) that the Secretary determines to unnecessarily increase the costs or restrict the income of a public housing project.

(2) Waiver to permit employment

Upon the request of any resident management corporation, the Secretary may, subject to applicable collective bargaining agreements, permit residents of such project to volunteer a portion of their labor.

(3) Exceptions

The Secretary may not waive under this subsection any requirement with respect to income eligibility for purposes of section 1437n

¹ So in original.

of this title, rental payments under section 1437a(a) of this title, tenant or applicant protections, employee organizing rights, or rights of employees under collective bargaining agreements.

(e) Direct provision of operating and capital assistance

(1) In general

The Secretary shall directly provide assistance from the Operating and Capital Funds to a resident management corporation managing a public housing development pursuant to a contract under this section, but only if—

(A) the resident management corporation petitions the Secretary for the release of the funds;

(B) the contract provides for the resident management corporation to assume the primary management responsibilities of the public housing agency; and

(C) the Secretary determines that the corporation has the capability to effectively discharge such responsibilities.

(2) Use of assistance

Any assistance from the Operating and Capital Funds provided to a resident management corporation pursuant to this subsection shall be used for purposes of operating the public housing developments of the agency and performing such other eligible activities with respect to public housing as may be provided under the contract.

(4) Calculation of Operating Fund allocation

Notwithstanding any provision of section 1437g of this title or any regulation under such section, and subject to the exception provided in paragraph (3), the portion of the amount received by a public housing agency under section 1437g of this title that is due to an allocation from the Operating Fund and that is allocated to a public housing project managed by a resident management corporation shall not be less than the public housing agency per unit monthly amount provided in the previous year as determined on an individual project basis.

(5) Calculation of total income

(A) Subject to subparagraph (B), the amount of funds provided by a public housing agency to a public housing project managed by a resident management corporation may not be reduced during the 3-year period beginning on February 5, 1988, or on any later date on which a resident management corporation is first established for the project.

(B) If the total income of a public housing agency (including any amounts from the Capital or Operating Funds provided to the public housing agency under section 1437g of this title) is reduced or increased, the income provided by the public housing agency to a public

housing project managed by a resident management corporation shall be reduced or increased in proportion to the reduction or increase in the total income of the public housing agency, except that any reduction in amounts from the Operating Fund that occurs as a result of fraud, waste, or mismanagement by the public housing agency shall not affect the funds provided to the resident management corporation.

(6) Retention of excess revenues

(A) Any income generated by a resident management corporation of a public housing project that exceeds the income estimated for purposes of this subsection shall be excluded in subsequent years in calculating (i) the allocations from the Operating Fund for the public housing agency under section 1437g of this title; and (ii) the funds provided by the public housing agency to the resident management corporation.

(B) Any revenues retained by a resident management corporation under subparagraph (A) shall be used for purposes of improving the maintenance and operation of the public housing project, for establishing business enterprises that employ residents of public housing, or for acquiring additional dwelling units for low-income families.

(B) the resident management corporation shall have entered into a contract with the public housing agency establishing the respective management rights and responsibilities of the resident management corporation and the public housing agency; and

The Secretary may not provide financial assistance under subparagraph (B), after such date, unless the Secretary determines that such assistance is necessary for the development of a homeownership program that was initiated, as determined by the Secretary, before November 28, 1990.

(3) Conditions of purchase by a resident management corporation

(A) A resident management corporation may purchase from a public housing agency one or more multifamily buildings in a public housing project following a determination by the Secretary that—

(ii) the resident management corporation has applied for and is prepared to undertake the ownership, management, and maintenance of the building or buildings with continued assistance from the Secretary;

(iii) the public housing agency has held one or more public hearings to obtain the views of citizens regarding the proposed purchase and, in consultation with the Secretary, has certified that the purchase will not interfere with the rights of other families residing in public housing, will not harm the efficient operation of other public housing, and is in the interest of the community;

(C) This paragraph shall not have effect after February 4, 1991. The authority for a resident management corporation to purchase 1 or more multifamily buildings in a public housing project from a public housing agency shall terminate after such date, unless the Secretary determines that such purchase is necessary for the development of a homeownership program that was initiated, as determined by the Secretary, before November 28, 1990.

The Secretary shall not reduce or delay payments under other provisions of law as a result of amounts made available to the local housing agency under this section.

(6) Financing

When financing for the purchase of the property is not otherwise available for purposes of assisting any purchase by a family or resident management corporation under this section, the public housing agency involved may make a loan on the security of the property involved to the family or resident management corporation at a rate of interest that shall not be lower than 70 percent of the market interest rate for conventional mortgages on the date on which the loan is made.

The Secretary may adjust the payment standard for such assistance to take into account conditions under which the building was purchased.

(4) Rental and relocation assistance

If any family resides in a dwelling unit in a public housing project in which other dwelling units are purchased under this section, and the family decides not to purchase the dwelling unit, the Secretary shall offer (to be selected by the family, at its option)—

(A) to assist the family in relocating to a comparable appropriate sized dwelling unit in another public housing project, and to reimburse the family for their cost of relocation; and

(B) to provide to the family the financial assistance necessary to permit the family to stay in the dwelling unit or to move to another comparable dwelling unit and to pay no more for rent than required under subparagraph (A), (B), or (C) of section 1437a(a)(1) of this title.

§ 1437t. Authority to convert public housing to vouchers**(a) Authority**

A public housing agency may convert any public housing project (or portion thereof) owned by the public housing agency to tenant-based assistance, but only in accordance with the requirements of this section.

(b) Conversion assessment**(1) In general**

To convert public housing under this section, a public housing agency shall conduct an assessment of the public housing that includes—

(A) a cost analysis that demonstrates whether or not the cost (both on a net present value basis and in terms of new budget authority requirements) of providing tenant-based assistance under section 1437f of this title for the same families in substantially similar dwellings over the same period of time is less expensive than continuing public housing assistance in the public housing project for the remaining useful life of the project;

(B) an analysis of the market value of the public housing project both before and after rehabilitation, and before and after conversion;

(C) an analysis of the rental market conditions with respect to the likely success of the use of tenant-based assistance under section 1437f of this title in that market for the specific residents of the public housing project, including an assessment of the availability of decent and safe dwellings renting at or below the payment standard established for tenant-based assistance

under section 1437f of this title by the agency;

(D) the impact of the conversion to tenant-based assistance under this section on the neighborhood in which the public housing project is located; and

(E) a plan that identifies actions, if any, that the public housing agency would take with regard to converting any public housing project or projects (or portions thereof) of the public housing agency to tenant-based assistance.

(2) Timing

Not later than 2 years after the effective date under section 503(a) of the Quality Housing and Work Responsibility Act of 1998, each public housing agency shall conduct an assessment under paragraph (1) or (3) of the status of each public housing project owned by such agency and shall submit to the Secretary such assessment. A public housing agency may otherwise undertake an assessment under this subsection at any time and for any public housing project (or portion thereof) owned by the agency. A public housing agency may update a previously conducted assessment for a project (or portion thereof) for purposes of compliance with the one-year limitation under subsection (c) of this section.

(3) Streamlined assessment

At the discretion of the Secretary or at the request of a public housing agency, the Secretary may waive any or all of the requirements of paragraph (1) or (3) or otherwise require a streamlined assessment with respect to any public housing project or class of public housing projects.

(c) Criteria for implementation of conversion plan

A public housing agency may convert a public housing project (or portion thereof) owned by the agency to tenant-based assistance only pursuant to a conversion assessment under subsection (b) of this section that one year¹ and that demonstrates that the conversion—

(2) will principally benefit the residents of the public housing project (or portion thereof) to be converted, the public housing agency, and the community; and

(3) will not adversely affect the availability of affordable housing in such community.

(d) Conversion plan requirement

A public housing project may be converted under this section to tenant-based assistance only as provided in a conversion plan under this subsection, which has not been disapproved by the Secretary pursuant to subsection (e) of this section. Each conversion plan shall—

(2) be consistent with and part of the public housing agency plan;

(3) describe the conversion and future use or disposition of the project (or portion thereof) and include an impact analysis on the affected community;

(4) provide that the public housing agency shall—

(i) the public housing project (or portion) will be removed from the inventory of the public housing agency; and

(ii) each family displaced by such action will be offered comparable housing—

(I) that meets housing quality standards;

(II) that is located in an area that is generally not less desirable than the location of the displaced person's housing; and

(III) which may include—

(aa) tenant-based assistance, except that the requirement under this clause regarding offering of comparable housing shall be fulfilled by use of tenant-based assistance only upon the relocation of such family into such housing;

(bb) project-based assistance; or

(cc) occupancy in a unit operated or assisted by the public housing agency at a rental rate paid by the family that is comparable to the rental rate applicable to the unit from which the family is vacated;

(B) provide any necessary counseling for families displaced by such action;

(C) ensure that, if the project (or portion) converted is used as housing after such conversion, each resident may choose to remain in their dwelling unit in the project and use the tenant-based assistance toward rent for that unit; and

(D) provide any actual and reasonable relocation expenses for families displaced by the conversion; and

(5) provide that any proceeds to the agency from the conversion will be used subject to the limitations that are applicable under section 1437p(a)(5) of this title to proceeds resulting from the disposition or demolition of public housing.

(e) Review and approval of conversion plans

The Secretary shall disapprove a conversion plan only if—

(1) the plan is plainly inconsistent with the conversion assessment for the agency developed under subsection (b) of this section;

(2) there is reliable information and data available to the Secretary that contradicts that conversion assessment; or

(3) the plan otherwise fails to meet the requirements of this section.

§ 1437u. Family Self-Sufficiency program

(a) Purpose

The purpose of the Family Self-Sufficiency program established under this section is to promote the development of local strategies to

coordinate use of public housing and assistance under the certificate and voucher programs under section 1437f of this title with public and private resources, to enable eligible families to achieve economic independence and self-sufficiency.

(b) Establishment of program

(1) Required programs

Except as provided in paragraph (2), the Secretary shall carry out a program under which each public housing agency that administers assistance under subsection (b) or (o) of section 1437f of this title or makes available new public housing dwelling units—

(A) may, during fiscal years 1991 and 1992, carry out a local Family Self-Sufficiency program under this section;

(B) effective on October 1, 1992, the Secretary shall require each such agency to carry out a local Family Self-Sufficiency program under this section, subject to the limitations in paragraph (4); and

(C) effective on October 21, 1998, to the extent an agency is not required to carry out a program pursuant to subparagraph (B) of this paragraph and paragraph (4), may carry out a local Family Self-Sufficiency program under this section.

Each local program shall, subject to availability of supportive services, include an action plan under subsection (g) of this section and shall provide comprehensive supportive services for families electing to participate in the program. In carrying out the self-sufficiency program under this section, the Secretary shall consult with the heads of other appropriate Federal agencies and provide for cooperative actions and funding agreements with such agencies. Each public housing agency administering an approved local program may employ a service coordinator to administer the local program.

(2) Exception

The Secretary shall not require a public housing agency to carry out a local program under subsection (a) of this section if the public housing agency provides certification (as such term is defined under title I of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 12701 et seq.]) to the Secretary, that the establishment and operation of the program is not feasible because of local circumstances, which may include—

(A) lack of supportive services accessible to eligible families, which shall include insufficient availability of resources for programs under title I of the Workforce Investment Act of 1998 [29 U.S.C. 2801 et seq.] or the Job Opportunities and Basic Skills Training Program under part F¹ of title IV of the Social Security Act;

(B) lack of funding for reasonable administrative costs;

(C) lack of cooperation by other units of State or local government; or

(D) any other circumstances that the Secretary may consider appropriate.

¹ See References in Text note below.

In allocating assistance available for reservation under this chapter, the Secretary may not refuse to provide assistance or decrease the amount of assistance that would otherwise be provided to any public housing agency because the agency has provided a certification under this paragraph or because, pursuant to a certification, the agency has failed to carry out a self-sufficiency program.

(3) Scope

Subject to paragraph (4), each public housing agency required to carry out a local program under this section shall make the following housing assistance available under the program in each fiscal year:

(A) Certificate and voucher assistance under section 1437f(b) and (o) of this title, in an amount equivalent to the increase for such year in the number of families so assisted by the agency (as compared to the preceding year).

(B) Public housing dwelling units, in the number equal to the increase for such year in units made available by the agency (as compared to the preceding year).

Each such public housing agency shall continue to operate a local program for the number of families determined under this paragraph subject only to the availability under appropriations Acts of sufficient amounts for assistance.

(4) Termination of requirement to expand program

(A) In general

Notwithstanding any other provision of law, a public housing agency that receives incremental assistance under subsection (b) or (o) of section 1437f of this title or that makes available new public housing dwelling units shall not be required, after October 21, 1998, to provide assistance under a local Family Self-Sufficiency program under this section to any families not required to be assisted under subparagraph (B) of this paragraph.

(B) Continuation of existing obligations

(i) In general

Each public housing agency that, before October 21, 1998, was required under this section to carry out a local Family Self-Sufficiency program shall continue to operate such local program for the number of families determined under paragraph (3), subject only to the availability under appropriations Acts of sufficient amounts for housing assistance.

(ii) Reduction

The number of families for which an agency is required under clause (i) to operate such local program shall be decreased by one for each family that, after October 21, 1998, fulfills its obligations under the contract of participation.

(5) Nonparticipation

Assistance under the certificate or voucher programs under section 1437f of this title for a family that elects not to participate in a local

program shall not be delayed by reason of such election.

(c) Contract of participation

(1) In general

Each public housing agency carrying out a local program under this section shall enter into a contract with each leaseholder receiving assistance under the certificate and voucher programs of the public housing agency under section 1437f of this title or residing in public housing administered by the agency, that elects to participate in the self-sufficiency program under this section. The contract shall set forth the provisions of the local program, shall establish specific interim and final goals by which compliance with and performance of the contract may be measured, and shall specify the resources and supportive services to be made available to the participating family pursuant to paragraph (2) and the responsibilities of the participating family. The contract shall provide that the public housing agency may terminate or withhold assistance under section 1437f of this title and services under paragraph (2) of this subsection if the public housing agency determines, through an administrative grievance procedure in accordance with the requirements of section 1437d(k) of this title, that the family has failed to comply with the requirements of the contract without good cause (which may include a loss or reduction in access to supportive services, or a change in circumstances that makes the family or individual unsuitable for participation).

(2) Supportive services

A local program under this section shall provide appropriate supportive services under this paragraph to each participating family entering into a contract of participation under paragraph (1). The supportive services shall be provided during the period the family is receiving assistance under section 1437f of this title or residing in public housing, and may include—

- (A) child care;
- (B) transportation necessary to receive services;
- (C) remedial education;
- (D) education for completion of high school;
- (E) job training and preparation;
- (F) substance abuse treatment and counseling;
- (G) training in homemaking and parenting skills;
- (H) training in money management;
- (I) training in household management; and
- (J) any other services and resources appropriate to assist eligible families to achieve economic independence and self-sufficiency.

(3) Term and extension

Each family participating in a local program shall be required to fulfill its obligations under the contract of participation not later than 5 years after entering into the contract. The public housing agency shall extend the term of the contract for any family that requests an extension, upon a finding of the agency of good cause.

(4) Employment and counseling

The contract of participation shall require the head of the participating family to seek suitable employment during the term of the contract. The public housing agency may, during such period, provide counseling for the family with respect to affordable rental and homeownership opportunities in the private housing market and money management counseling.

(d) Incentives for participation**(1) Maximum rents**

During the term of the contract of participation, the amount of rent paid by any participating family whose monthly adjusted income does not exceed 50 percent of the area median income for occupancy in the public housing unit or dwelling unit assisted under section 1437f of this title may not be increased on the basis of any increase in the earned income of the family, unless the increase results in an income exceeding 50 percent of the area median income. The Secretary shall provide for increased rents for participating families whose incomes are between 50 and 80 percent of the area median income, so that any family whose income increases to 80 percent or more of the area median income pays 30 percent of the family's monthly adjusted income for rent. Upon completion of the contract of participation, if the participating family continues to qualify for and reside in a dwelling unit in public housing or housing assisted under section 1437f of this title, the rent charged the participating family shall be increased (if applicable) to 30 percent of the monthly adjusted income of the family.

(2) Escrow savings accounts

For each participating family whose monthly adjusted income is less than 50 percent of the area median income, the difference between 30 percent of the adjusted income of the participating family and the amount of rent paid by a participating family shall be placed in an interest-bearing escrow account established by the public housing agency on behalf of the participating family. For families with incomes between 50 and 80 percent of the area median income, the Secretary shall provide for escrow of the difference between 30 percent of the family income and the amount paid by the family for rent as determined by the Secretary under paragraph (1). The Secretary shall not escrow any amounts for any family whose adjusted income exceeds 80 percent of the area median income. Amounts in the escrow account may be withdrawn by the participating family after the family ceases to receive income assistance under Federal or State welfare programs, upon successful performance of the obligations of the family under the contract of participation entered into by the family under subsection (c) of this section, as determined according to the specific goals and terms included in the contract, and under other circumstances in which the Secretary determines an exception for good cause is warranted. A public housing agency establishing such escrow accounts may make

certain amounts in the accounts available to the participating families before full performance of the contract obligations based on compliance with, and completion of, specific interim goals included in the contract; except that any such amounts shall be used by the participating families for purposes consistent with the contracts of participation, as determined by the public housing agency.

(3) Plan

Each public housing agency carrying out a local program under this section shall establish a plan to offer incentives to families to encourage families to participate in the program. The plan shall require the establishment of escrow savings accounts under paragraph (2) and may include any other incentives designed by the public housing agency.

(e) Effect of increases in family income

Any increase in the earned income of a family during the participation of the family in a local program established under this section may not be considered as income or a resource for purposes of eligibility of the family for other benefits, or amount of benefits payable to the family, under any program administered by the Secretary, unless the income of the family equals or exceeds 80 percent of the median income of the area (as determined by the Secretary with adjustments for smaller and larger families).

(f) Program coordinating committee**(1) Functions**

Each public housing agency carrying out a local program under this section shall, in consultation with the chief executive officer of the unit of general local government, develop an action plan under subsection (g) of this section, carry out activities under the local program, and secure commitments of public and private resources through a program coordinating committee established by the public housing agency under this subsection.

(2) Membership

The program coordinating committee may consist of representatives of the public housing agency, the unit of general local government, the local agencies (if any) responsible for carrying out programs under title I of the Workforce Investment Act of 1998 [29 U.S.C. 2801 et seq.] or the Job Opportunities and Basic Skills Training Program under part F² of title IV of the Social Security Act, and other organizations, such as other State and local welfare and employment agencies, public and private education or training institutions, nonprofit service providers, and private businesses. The public housing agency may, in consultation with the chief executive officer of the unit of general local government, utilize an existing entity as the program coordinating committee if it meets the requirements of this subsection.

(g) Action plan**(1) Required submission**

ciency program under this section to submit to the Secretary, for approval by the Secretary, an action plan under this subsection in such form and in accordance with such procedures as the Secretary shall require.

(2) Development of plan

In developing the plan, the public housing agency shall consult with the chief executive officer of the applicable unit of general local government, the program coordinating committee established under subsection (f) of this section, representatives of residents of the public housing, any local agencies responsible for programs under title I of the Workforce Investment Act of 1998 [29 U.S.C. 2801 et seq.] or the Job Opportunities and Basic Skills Training Program under part F² of title IV of the Social Security Act, other appropriate organizations (such as other State and local welfare and employment or training institutions, child care providers, nonprofit service providers, and private businesses), and any other public and private service providers affected by the operation of the local program.

(3) Contents of plan

The Secretary shall require that the action plan contain at a minimum—

(A) a description of the size, characteristics, and needs of the population of the families expected to participate in the local self-sufficiency program;

(B) a description of the number of eligible participating families who can reasonably be expected to receive supportive services under the program, based on available and anticipated Federal, State, local, and private resources;

(C) a description of the services and activities under subsection (c)(2) of this section to be provided to families receiving assistance under this section through the section 8 [42 U.S.C. 1437f] and public housing programs, which shall be provided by both public and private resources;

(D) a description of the incentives pursuant to subsection (d) of this section offered by the public housing agency to families to encourage participation in the program;

(E) a description of how the local program will deliver services and activities according to the needs of the families participating in the program;

(F) a description of both the public and private resources that are expected to be made available to provide the activities and services under the local program;

(G) a timetable for implementation of the local program;

(H) assurances satisfactory to the Secretary that development of the services and activities under the local program has been coordinated with the Job Opportunities and Basic Skills Training Program under part F² of title IV of the Social Security Act and programs under title I of the Workforce Investment Act of 1998 [29 U.S.C. 2801 et seq.] and any other relevant employment, child care, transportation, training, and education programs in the applicable area, and that implementation will continue to be coordi-

nated, in order to avoid duplication of services and activities; and

(I) assurances satisfactory to the Secretary that nonparticipating families will retain their rights to public housing or section 8 [42 U.S.C. 1437f] assistance notwithstanding the provisions of this section.

(h) Allowable public housing agency administrative fees and costs

(1) Fees under section 1437f

The Secretary shall establish a fee under section 1437f(q) of this title for the costs incurred in administering the provision of certificate and voucher assistance under section 1437f of this title through the self-sufficiency program under this section. The fee shall be the fee in effect under such section on June 1, 1990, except that for purposes of the fee under this paragraph the applicable dollar amount for preliminary expenses under section 1437f(q)(2)(A)(i)² of this title shall, subject to approval in appropriations Acts, be \$300. Upon the submission by the Comptroller General of the United States of the report required under section 554(b) of the Cranston-Gonzalez National Affordable Housing Act, the Secretary shall revise the fee under this paragraph, taking into consideration the report of the Comptroller General.

(2) Performance funding system

Notwithstanding any provision of section 1437g of this title, the Secretary shall provide for inclusion under the performance funding system under section 1437g of this title of reasonable and eligible administrative costs (including the costs of employing a full-time service coordinator) incurred by public housing agencies carrying out local programs under this section. The Secretary shall include an estimate of the administrative costs likely to be incurred by participating public housing agencies in the annual budget request for the Department of Housing and Urban Development for public housing operating assistance under section 1437g of this title and shall include a request for such amounts in the budget request. Of any amounts appropriated under section 1437g(c) of this title for fiscal year 1993, \$25,000,000 is authorized to be used for costs under this paragraph, and of any amounts appropriated under such section for fiscal year 1994, \$25,900,000 is authorized to be used for costs under this paragraph.

(i) Public housing agency incentive award allocation

(1) In general

The Secretary shall carry out a competition for budget authority for certificate and voucher assistance under section 1437f of this title and public housing development assistance under section 1437c(a)(2) of this title reserved under paragraph (4) and shall allocate such budget authority to public housing agencies pursuant to the competition.

(2) Criteria

The competition shall be based on successful and outstanding implementation by public housing agencies of a local self-sufficiency

program under this section. The Secretary shall establish performance³ criteria for public housing agencies carrying out such local programs and the Secretary shall cause such criteria to be published in the Federal Register.

(3) Use

Each public housing agency that receives an allocation of budget authority under this subsection shall use such authority to provide assistance under the local self-sufficiency program established by the public housing agency under this section.

(4) Reservation of budget authority

ining how housing and social service policies affect beneficiaries, particularly persons receiving public assistance, when such beneficiaries gain employment and experience a rise in income.

§ 1437v. Demolition, site revitalization, replacement housing, and tenant-based assistance grants for projects

(a) Purposes

The purpose of this section is to provide assistance to public housing agencies for the purposes of—

(1) improving the living environment for public housing residents of severely distressed public housing projects through the demolition, rehabilitation, reconfiguration, or replacement of obsolete public housing projects (or portions thereof);

(2) revitalizing sites (including remaining public housing dwelling units) on which such public housing projects are located and contributing to the improvement of the surrounding neighborhood;

(4) building sustainable communities.

It is also the purpose of this section to provide assistance to smaller communities for the purpose of facilitating the development of affordable housing for low-income families that is undertaken in connection with a main street revitalization or redevelopment project in such communities.

(b) Grant authority

The Secretary may make grants as provided in this section to applicants whose applications for such grants are approved by the Secretary under this section.

(c) Contribution requirement

(1) In general

The Secretary may not make any grant under this section to any applicant unless the applicant certifies to the Secretary that the applicant will—

(A) supplement the aggregate amount of assistance provided under this section with an amount of funds from sources other than this section equal to not less than 5 percent of the amount provided under this section; and

(B) in addition to supplemental amounts provided in accordance with subparagraph (A), if the applicant uses more than 5 percent of the amount of assistance provided under this section for services under subsection (d)(1)(L) of this section, provide supplemental funds from sources other than this section in an amount equal to the amount so used in excess of 5 percent.

In using grant amounts under this section made available in fiscal year 2000 or thereafter for supportive services under paragraph (1)(L), a public housing agency may deposit such amounts in an endowment trust to provide

supportive services over such period of time as the agency determines. Such amounts shall be provided to the agency by the Secretary in a lump sum when requested by the agency, shall be invested in a wise and prudent manner, and shall be used (together with any interest thereon earned) only for eligible uses pursuant to paragraph (1)(L). A public housing agency may use amounts in an endowment trust under this paragraph in conjunction with other amounts donated or otherwise made available to the trust for similar purposes.

(e) Application and selection

(1) Application

An application for a grant under this section shall demonstrate the appropriateness of the proposal in the context of the local housing market relative to other alternatives, and shall include such other information and be submitted at such time and in accordance with such procedures, as the Secretary shall prescribe.

(2) Selection criteria

The Secretary shall establish criteria for the award of grants under this section and shall include among the factors—

- (D) the extent of involvement of residents, State and local governments, private service providers, financing entities, and developers, in the development and ongoing implementation of a revitalization program for the project, except that the Secretary may not award a grant under this section unless the applicant has involved affected public housing residents at the beginning and during the planning process for the revitalization program, prior to submission of an application;

(L) such other factors as the Secretary considers appropriate.

(3) Applicability of selection criteria

The Secretary may determine not to apply certain of the selection criteria established pursuant to paragraph (2) when awarding grants for demolition only, tenant-based assistance only, or other specific categories of revitalization activities. This section may not be construed to require any application for a grant under this section to include demolition of public housing or to preclude use of grant amounts for rehabilitation or rebuilding of any housing on an existing site.

(f) Cost limits

Subject to the provisions of this section, the Secretary—

(1) shall establish cost limits on eligible activities under this section sufficient to provide for effective revitalization programs; and

(2) may establish other cost limits on eligible activities under this section.

Any severely distressed public housing disposed of pursuant to a revitalization plan and any public housing developed in lieu of such severely distressed housing, shall be subject to the provisions of section 1437p of this title. Severely distressed public housing demolished pursuant to a revitalization plan shall not be subject to the provisions of section 1437p of this title.

(h) Administration by other entities

The Secretary may require a grantee under this section to make arrangements satisfactory to the Secretary for use of an entity other than the public housing agency to carry out activities assisted under the revitalization plan, if the Secretary determines that such action will help to effectuate the purposes of this section.

(i) Withdrawal of funding

If a grantee under this section does not proceed within a reasonable timeframe, in the determination of the Secretary, the Secretary shall withdraw any grant amounts under this section that have not been obligated by the public housing agency. The Secretary shall redistribute any withdrawn amounts to one or more other applicants eligible for assistance under this section or to one or more other entities capable of proceeding expeditiously in the same locality in carrying out the revitalization plan of the original grantee.

A public housing agency may carry out a homeownership program in accordance with this section and the public housing agency plan of the agency to make public housing dwelling units, public housing projects, and other housing projects available for purchase by low-income families for use only as principal residences for such families. An agency may transfer a unit pursuant to a homeownership program only if the program is authorized under this section and approved by the Secretary.

(b) Participating units

A program under this section may cover any existing public housing dwelling units or projects, and may include other dwelling units and housing owned, assisted, or operated, or otherwise acquired for use under such program, by the public housing agency.

(c) Eligible purchasers

(1) Low-income requirement

Only low-income families assisted by a public housing agency, other low-income families, and entities formed to facilitate such sales by purchasing units for resale to low-income families shall be eligible to purchase housing under a homeownership program under this section.

(2) Other requirements

A public housing agency may establish other requirements or limitations for families to purchase housing under a homeownership program under this section, including requirements or limitations regarding employment or participation in employment counseling or training activities, criminal activity, participation in homeownership counseling programs, evidence of regular income, and other requirements. In the case of purchase by an entity for resale to low-income families, the entity shall sell the units to low-income families within 5 years from the date of its acquisition of the units. The entity shall use any net proceeds from the resale and from managing the units, as determined in accordance with guidelines of the Secretary, for housing purposes, such as funding resident organizations and reserves for capital replacements.

(d) Right of first refusal

In making any sale under this section, the public housing agency shall initially offer the

public housing unit at issue to the resident or residents occupying that unit, if any, or to an organization serving as a conduit for sales to any such resident.

(e) Protection of nonpurchasing residents

If a public housing resident does not exercise the right of first refusal under subsection (d) of this section with respect to the public housing unit in which the resident resides, the public housing agency—

(1) shall notify the resident residing in the unit 90 days prior to the displacement date except in cases of imminent threat to health or safety, consistent with any guidelines issued by the Secretary governing such notifications, that—

(A) the public housing unit will be sold;

(B) the transfer of possession of the unit will occur until the resident is relocated; and

(C) each resident displaced by such action will be offered comparable housing—

(i) that meets housing quality standards;

(ii) that is located in an area that is generally not less desirable than the location of the displaced resident's housing; and

(iii) which may include—

(I) tenant-based assistance, except that the requirement under this subclause regarding offering of comparable housing shall be fulfilled by use of tenant-based assistance only upon the relocation of such resident into such housing;

(II) project-based assistance; or

(III) occupancy in a unit owned, operated, or assisted by the public housing agency at a rental rate paid by the resident that is comparable to the rental rate applicable to the unit from which the resident is vacated;

(2) shall provide for the payment of the actual and reasonable relocation expenses of the resident to be displaced;

(3) shall ensure that the displaced resident is offered comparable housing in accordance with the notice under paragraph (1);

(4) shall provide any necessary counseling for the displaced resident; and

(5) shall not transfer possession of the unit until the resident is relocated.

(g) Downpayment requirement

(1) In general

Each family purchasing housing under a homeownership program under this section shall be required to provide from its own resources a downpayment in connection with any loan for acquisition of the housing, in an amount determined by the public housing agency. Except as provided in paragraph (2),

the agency shall permit the family to use grant amounts, gifts from relatives, contributions from private sources, and similar amounts as downpayment amounts in such purchase.

(2) Direct family contribution

In purchasing housing pursuant to this section, each family shall contribute an amount of the downpayment, from resources of the family other than grants, gifts, contributions, or other similar amounts referred to in paragraph (1), that is not less than 1 percent of the purchase price.

(h) Ownership interests

A homeownership program under this section may provide for sale to the purchasing family of any ownership interest that the public housing agency considers appropriate under the program, including ownership in fee simple, a condominium interest, an interest in a limited dividend cooperative, a shared appreciation interest with a public housing agency providing financing.

(i) Resale

(1) Authority and limitation

A homeownership program under this section shall permit the resale of a dwelling unit purchased under the program by an eligible family, but shall provide such limitations on resale as the agency considers appropriate (whether the family purchases directly from the agency or from another entity) for the agency to recapture—

(A) some or all of the economic gain derived from any such resale occurring during the 5-year period beginning upon purchase of the dwelling unit by the eligible family; and

(B) after the expiration of such 5-year period, only such amounts as are equivalent to the assistance provided under this section by the agency to the purchaser.

(2) Considerations

The limitations referred to in paragraph (1)(A) may provide for consideration of the aggregate amount of assistance provided under the program to the family, the contribution to equity provided by the purchasing eligible family, the period of time elapsed between purchase under the homeownership program and resale, the reason for resale, any improvements to the property made by the eligible family, any appreciation in the value of the property, and any other factors that the agency considers appropriate.

(j) Net proceeds

The net proceeds of any sales under a homeownership program under this section remaining after payment of all costs of the sale shall be used for purposes relating to low-income housing and in accordance with the public housing agency plan of the agency carrying out the program.

From amounts distributed to a public housing agency under the Capital Fund under section 1437g(d) of this title, or from other income earned by the public housing agency, the public

(l) Inapplicability of disposition requirements

The provisions of section 1437p of this title shall not apply to disposition of public housing dwelling units under a homeownership program under this section.

(Sept. 1, 1937, ch. 896, title I, §32, as added Pub. L. 105-276, title V, §536, Oct. 21, 1998, 112 Stat. 2586.)

(3) The project—

(A) is identified as distressed housing under paragraph (2) for which the public housing agency cannot assure the long-term viability as public housing through reasonable modernization expenses, density reduction, achievement of a broader range of family income, or other measures; or

(B) has an estimated cost, during the remaining useful life of the project, of continued operation and modernization as public housing that exceeds the estimated cost, during the remaining useful life of the project, of providing tenant-based assistance under section 1437f of this title for all families in occupancy, based on appropriate indicators of cost (such as the percentage of total development costs required for modernization).

(c) Plan for removal of units from inventories of PHAs

The Secretary may extend the 5-year deadline described in paragraph (1) by not more than an additional 5 years if the Secretary makes a determination that the deadline is impracticable.

(4) Review by Secretary

(A) Failure to identify projects

If the Secretary determines, based on a plan submitted under this subsection, that a public housing agency has failed to identify 1 or more public housing projects that the Secretary determines should have been identified under subsection (a) of this section, the Secretary may designate the public housing projects to be removed from the inventory of the public housing agency pursuant to this section.

(B) Erroneous identification of projects

If the Secretary determines, based on a plan submitted under this subsection, that a public housing agency has identified 1 or more public housing projects that should not have been identified pursuant to subsection (a) of this section, the Secretary shall—

(D) ensure that each displaced resident is offered comparable housing in accordance with the notice under subparagraph (A); and

(E) provide any actual and reasonable relocation expenses for families displaced by such action.

(e) Cessation of unnecessary spending

Notwithstanding any other provision of law, if, in the determination of the Secretary, a project or projects of a public housing agency meet or are likely to meet the criteria set forth in subsection (a) of this section, the Secretary may direct the agency to cease additional spending in connection with such project or projects until the Secretary determines or approves an appropriate course of action with respect to such project or projects under this section, except to the extent that failure to expend such amounts would endanger the health or safety of residents in the project or projects.

§ 1437z-7. Mixed-finance public housing

(a) Authority

A public housing agency may own, operate, assist, or otherwise participate in 1 or more mixed-finance projects in accordance with this section.

(b) Assistance

(1) Forms

A public housing agency may provide to a mixed-finance project assistance from the Op-

erating Fund under section 1437g of this title, assistance from the Capital Fund under such section, or both forms of assistance. A public housing agency may, in accordance with regulations established by the Secretary, provide capital assistance to a mixed-finance project in the form of a grant, loan, guarantee, or other form of investment in the project, which may involve drawdown of funds on a schedule commensurate with construction draws for deposit into an interest-bearing escrow account to serve as collateral or credit enhancement for bonds issued by a public agency, or for other forms of public or private borrowings, for the construction or rehabilitation of the development.

(2) Use

To the extent deemed appropriate by the Secretary, assistance used in connection with the costs associated with the operation and management of mixed-finance projects may be used for funding of an operating reserve to ensure affordability for low-income and very low-income families in lieu of the availability of operating funds for public housing units in a mixed-finance project.

(c) Compliance with public housing requirements

The units assisted with capital or operating assistance in a mixed-finance project shall be developed, operated, and maintained in accordance with the requirements of this chapter relating to public housing during the period required by under¹ this chapter, unless otherwise specified in this section. For purposes of this chapter, any reference to public housing owned or operated by a public housing agency shall include dwelling units in a mixed finance project that are assisted by the agency with capital or operating assistance.

(d) Mixed-finance projects

(1) In general

For purposes of this section, the term “mixed-finance project” means a project that meets the requirements of paragraph (2) and is financially assisted by private resources, which may include low-income housing tax credits, in addition to amounts provided under this chapter.

(2) Types of projects

The term includes a project that is developed—

(A) by a public housing agency or by an entity affiliated with a public housing agency;

(B) by a partnership, a limited liability company, or other entity in which the public housing agency (or an entity affiliated with a public housing agency) is a general partner, managing member, or otherwise participates in the activities of that entity;

(C) by any entity that grants to the public housing agency the right of first refusal and first option to purchase, after the close of the compliance period, of the qualified low-income building in which the public housing units exist in accordance with section 42(i)(7) of title 26; or

(D) in accordance with such other terms and conditions as the Secretary may prescribe by regulation.

(e) Structure of projects

Each mixed-finance project shall be developed—

(1) in a manner that ensures that public housing units are made available in the project, by regulatory and operating agreement, master contract, individual lease, condominium or cooperative agreement, or equity interest;

(2) in a manner that ensures that the number of public housing units bears approximately the same proportion to the total number of units in the mixed-finance project as the value of the total financial commitment provided by the public housing agency bears to the value of the total financial commitment in the project, or shall not be less than the number of units that could have been developed under the conventional public housing program with the assistance, or as may otherwise be approved by the Secretary; and

(3) in accordance with such other requirements as the Secretary may prescribe by regulation.

(f) Taxation

(1) In general

A public housing agency may elect to exempt all public housing units in a mixed-finance project—

(A) from the provisions of section 1437d(d) of this title, and instead subject such units to local real estate taxes; and

(B) from the finding of need and cooperative agreement provisions under section 1437c(e)(1)(ii) and 1437c(e)(2) of this title, but only if the development of the units is not inconsistent with the jurisdiction’s comprehensive housing affordability strategy.

(2) Low-income housing tax credit

With respect to any unit in a mixed-finance project that is assisted pursuant to the low-income housing tax credit under section 42 of title 26, the rents charged to the residents may be set at levels not to exceed the amounts allowable under that section, provided that such levels for public housing residents do not exceed the amounts allowable under section 1437a of this title.

(g) Use of savings

Notwithstanding any other provision of this chapter, to the extent deemed appropriate by the Secretary, to facilitate the establishment of socioeconomically mixed communities, a public housing agency that uses assistance from the Capital Fund for a mixed-finance project, to the extent that income from such a project reduces the amount of assistance used for operating or other costs relating to public housing, may use such resulting savings to rent privately developed dwelling units in the neighborhood of the mixed-finance project. Such units shall be made available for occupancy only by low-income families eligible for residency in public housing.

(h) Effect of certain contract terms

If an entity that owns or operates a mixed-finance project, that includes a significant num-

¹ So in original.

ber of units other than public housing units enters into a contract with a public housing agency, the terms of which obligate the entity to operate and maintain a specified number of units in the project as public housing units in accordance with the requirements of this chapter for the period required by law, such contractual terms may provide that, if, as a result of a reduction in appropriations under section 1437g of this title or any other change in applicable law, the public housing agency is unable to fulfill its contractual obligations with respect to those public housing units, that entity may deviate, under procedures and requirements developed through regulations by the Secretary, from otherwise applicable restrictions under this chapter regarding rents, income eligibility, and other areas of public housing management with respect to a portion or all of those public housing units, to the extent necessary to preserve the viability of those units while maintaining the low-income character of the units to the maximum extent practicable.

§ 1437z-8. Collection of information on tenants in tax credit projects

(a) In general

Such State agencies shall, to the extent feasible, collect such information through existing reporting processes and in a manner that minimizes burdens on property owners. In the case of any household that continues to reside in the same dwelling unit, information provided by the household in a previous year may be used if the information is of a category that is not subject to change or if information for the current year is not readily available to the owner of the property.

(b) Standards

The Secretary shall establish standards and definitions for the information collected under subsection (a), provide States with technical as-

sistance in establishing systems to compile and submit such information, and, in coordination with other Federal agencies administering housing programs, establish procedures to minimize duplicative reporting requirements for properties assisted under multiple housing programs.

§ 1437aaa-3. Homeownership program requirements

(a) In general

A homeownership program under this subchapter shall provide for acquisition by eligible families of ownership interests in, or shares representing, at least one-half of the units in a public housing project under any arrangement determined by the Secretary to be appropriate, such as cooperative ownership (including limited equity cooperative ownership) and fee simple ownership (including condominium ownership), for occupancy by the eligible families.

(b) Affordability

A homeownership program under this subchapter shall provide for the establishment of sales prices (including principal, insurance, taxes, and interest and closing costs) for initial acquisition of the property from the public housing agency if the applicant is not a public

housing agency, and for sales to eligible families, such that an eligible family shall not be required to expend more than 30 percent of the adjusted income of the family per month to complete a sale under the homeownership program.

(c) Plan

A homeownership program under this subchapter shall provide, and include a plan, for—

- (1) identifying and selecting eligible families to participate in the homeownership program;

The provisions of this subsection may be waived upon a finding by the Secretary that the sale of less than all the buildings in a project is feasible and will not result in a hardship to any tenants of the project who are not included in the homeownership program.

(e) Financing

(1) In general

The application shall identify and describe the proposed financing for (A) any rehabilitation, and (B) acquisition (i) of the project, where applicable, by an entity other than the public housing agency for transfer to eligible families, and (ii) by eligible families of ownership interests in, or shares representing, units in the project. - (B) neither the Federal Government nor the public housing agency will be exposed to undue risks related to action that may have to be taken pursuant to paragraph (3);
- (C) any debt obligation can be serviced from project income, including operating assistance; and

(3) Opportunity to cure

Any lender that provides financing in connection with a homeownership program under this subchapter shall give the public housing agency, resident management corporation, individual owner, or other appropriate entity a reasonable opportunity to cure a financial default before foreclosing on the property, or taking other action as a result of the default.

(f) Housing quality standards

The application shall include a plan ensuring that the unit—

- (1) will be free from any defects that pose a danger to health or safety before transfer of an ownership interest in, or shares representing, a unit to an eligible family; and

(1) In general

No tenant residing in a dwelling unit in a public housing project on the date the Secretary approves an application for an implementation grant may be evicted by reason of a homeownership program approved under this subchapter.

(2) Replacement assistance

If the tenant decides not to purchase a unit, or is not qualified to do so, the recipient shall, during the term of any operating assistance under the implementation grant, permit each otherwise qualified tenant to continue to reside in the project at rents that do not exceed levels consistent with section 1437a(a) of this title or, if an otherwise qualified tenant chooses to move (at any time during the term of such operating assistance contract), the public housing agency shall, to the extent approved in appropriations Acts, offer such tenant (A) a unit in another public housing project, or (B) section 8 [42 U.S.C. 1437f] assistance for use in other housing.

In selecting eligible families for homeownership, the recipient shall give a first preference

to otherwise qualified current tenants and a second preference to otherwise qualified eligible families who have completed participation in an economic self-sufficiency program specified by the Secretary.

(c) Cost limitations

The Secretary may establish cost limitations on eligible activities under this subchapter, subject to the provisions of this subchapter.

(d) Annual contributions

Notwithstanding the purchase of a public housing project under this section, or the purchase of a unit in a public housing project by an eligible family, the Secretary shall continue to pay annual contributions with respect to the project. Such contributions may not exceed the maximum contributions authorized in section 1437c(a) of this title.

(e) Amounts from Operating Fund allocation

Amounts from an allocation from the Operating Fund under section 1437g of this title shall not be available with respect to a public housing project after the date of its sale by the public housing agency.

(f) Use of proceeds from sales to eligible families

The entity that transfers ownership interests in, or shares representing, units to eligible families, or another entity specified in the approved application, shall use the proceeds, if any, from the initial sale for costs of the homeownership program, including operating expenses, improvements to the project, business opportunities for low-income families, supportive services related to the homeownership program, additional homeownership opportunities, and other activities approved by the Secretary.

Where a resident management corporation, resident council, or cooperative has jurisdiction over the unit, the corporation, council, or cooperative shall have the right to purchase the ownership interest in, or shares representing, the unit from the homeowner for the amount specified in a firm contract between the homeowner and a prospective buyer. (B) afford such unit of general local government the opportunity, during the thirty-day period beginning on the date of such notification, to object to the approval of the application on the grounds that the application is inconsistent with its housing assistance plan.

Upon receiving an application for such housing assistance, the Secretary shall assure that funds made available under this section shall be utilized to the maximum extent practicable to meet the needs and goals identified in the unit of local government’s housing assistance plan.

(2) If the unit of general local government objects to the application on the grounds that it is inconsistent with its housing assistance plan, the Secretary may not approve the application unless he determines that the application is consistent with such housing assistance plan. If the Secretary determines, that such application is consistent with the housing assistance plan, he shall notify the chief executive officer of the unit of general local government of his determination and the reasons therefor in writing. If the Secretary concurs with the objection of the unit of local government, he shall notify the applicant stating the reasons therefor in writing.

(3) If the Secretary does not receive an objection by the close of the period referred to in paragraph (1)(B), he may approve the application unless he finds it inconsistent with the housing assistance plan. (d) Allocation and reservation of housing assistance funds; purposes; prohibited reallocation of unutilized funds; enumerated uses for retained funds; competition for reservation and obligation of funds

(1)(A)(i) Except as provided by subparagraph (B), the Secretary shall allocate assistance referred to in subsection (a)(1) of this section the first time it is available for reservation on the basis of a formula that is contained in a regulation prescribed by the Secretary, and that is based on the relative needs of different States, areas, and communities, as reflected in data as to population, poverty, housing overcrowding, housing vacancies, amount of substandard housing, and other objectively measurable conditions specified in the regulation. The Secretary may allocate assistance under the preceding sentence in such a manner that each State shall receive not less than one-half of one percent of the amount of funds available for each program referred to in subsection (a)(1) of this section in each fiscal year. In allocating assistance under this paragraph for each program of housing assistance under subsection (a)(1) of this section, the Secretary shall apply the formula, to the extent practicable, in a manner so that the assistance under the program is allocated according to the particular relative needs under the preceding sentence that are characteristic of and related to the particular type of assistance provided under the program. Assistance under section 202 of the Housing Act of 1959 [12 U.S.C. 1701q] shall be allocated in a manner that ensures that awards of the assistance under such

section are made for projects of sufficient size to accommodate facilities for supportive services appropriate to the needs of frail elderly residents. The preceding sentence shall not apply to projects acquired from the Resolution Trust Corporation under section 1441a(c) of title 12. Amounts for tenant-based assistance under section 8(o) of the United States Housing Act of 1937 [42 U.S.C. 1437f(o)] may not be provided to any public housing agency that has been disqualified from providing such assistance.

(ii) Assistance under section 8(o) of the United States Housing Act of 1937 [42 U.S.C. 1437f(o)] shall be allocated in a manner that enables participating jurisdictions to carry out, to the maximum extent practicable, comprehensive housing affordability strategies approved in accordance with section 105 of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 12705]. Such jurisdictions shall submit recommendations for allocating assistance under such section 8(o) to the Secretary in accordance with procedures that the Secretary determines to be appropriate to permit allocations of such assistance to be made on the basis of timely and complete information. This clause may not be construed to prevent, alter, or otherwise affect the application of the formula established pursuant to clause (i) for purposes of allocating such assistance. For purposes of this clause, the term “participating jurisdiction” means a State or unit of general local government designated by the Secretary to be a participating jurisdiction under title II of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 12721 et seq.].

(B) The formula allocation requirements of subparagraph (A) shall not apply to—

(i) assistance that is approved in appropriation Acts for use under sections³ 9 [42 U.S.C. 1437g], or the rental rehabilitation grant program under section 17,⁴ of the United States Housing Act of 1937, except that the Secretary shall comply with section 102 of the Department of Housing and Urban Development Reform Act of 1989 [42 U.S.C. 3545] with respect to such assistance; or

(ii) other assistance referred to in subsection (a) of this section that is approved in appropriation Acts for uses that the Secretary determines are incapable of geographic allocation, including amendments of existing contracts, renewal of assistance contracts, assistance to families that would otherwise lose assistance due to the decision of the project owner to prepay the project mortgage or not to renew the assistance contract, assistance to prevent displacement or to provide replacement housing in connection with the demolition or disposition of public housing, and assistance in support of the property disposition and loan management functions of the Secretary.

(C) Any allocation of assistance under subparagraph (A) shall, as determined by the Secretary, be made to the smallest practicable area, consistent with the delivery of assistance through a meaningful competitive process designed to serve areas with greater needs.

³ So in original. Probably should be “section”.

⁴ See References in Text note below.

(D) Any amounts allocated to a State or areas or communities within a State that are not likely to be used within a fiscal year shall not be reallocated for use in another State, unless the Secretary determines that other areas or communities (that are eligible for assistance under the program) within the same State cannot use the amounts within that same fiscal year.

(2) The Secretary may reserve such housing assistance funds as he deems appropriate for use by a State or agency thereof.

(3)(A) Notwithstanding any other provision of law, with respect to fiscal years beginning after September 30, 1990, the Secretary may retain not more than 5 percent of the financial assistance that becomes available under programs described in subsection (a)(1) of this section during any fiscal year. Any such financial assistance that is retained shall be available for subsequent allocation to specific areas and communities, and may only be used for—

- (i) unforeseen housing needs resulting from natural and other disasters;
- (ii) housing needs resulting from emergencies, as certified by the Secretary, other than such disasters;
- (iii) housing needs resulting from the settlement of litigation; and
- (iv) housing in support of desegregation efforts.

(B) Any amounts retained in any fiscal year under subparagraph (A) that are unexpended at the end of such fiscal year shall remain available for the following fiscal year under the program under subsection (a)(1) of this section from which the amount was retained. Such amounts shall be allocated on the basis of the formula under subsection (d)(1) of this section.

(4)(A) The Secretary shall not reserve or obligate assistance subject to allocation under paragraph (1)(A) to specific recipients, unless the assistance is first allocated on the basis of the formula contained in that paragraph and then is reserved and obligated pursuant to a competition.

(B) Any competition referred to in subparagraph (A) shall be conducted pursuant to specific criteria for the selection of recipients of assistance. The criteria shall be contained in—

- (i) a regulation promulgated by the Secretary after notice and public comment; or
- (ii) to the extent authorized by law, a notice published in the Federal Register.

(C) Subject to the times at which appropriations for assistance subject to paragraph (1)(A) may become available for reservation in any fiscal year, the Secretary shall take such steps as the Secretary deems appropriate to ensure that, to the maximum extent practicable, the process referred to in subparagraph (A) is carried out with similar frequency and at similar times for each fiscal year.

(D) This paragraph shall not apply to assistance referred to in paragraph (4).⁴

(e) Assistance payments for properties in Jefferson County, Texas

From budget authority made available in appropriation Acts for fiscal year 1988, the Secretary shall enter into an annual contributions contract for a term of 180 months to obligate

sufficient funds to provide assistance payments pursuant to section 8(b)(1) of the United States Housing Act of 1937 [42 U.S.C. 1437f(b)(1)] on behalf of 500 lower income families from budget authority made available for fiscal year 1988, so long as such families occupy properties in Jefferson County, Texas. If a lower income family receiving assistance payments pursuant to this subsection ceases to qualify for assistance payments pursuant to the provisions of section 8 of such Act [42 U.S.C. 1437f] or of this subsection during the 180-month term of the annual contributions contract, assistance payments shall be made on behalf of another lower income family who occupies a unit identified in the previous sentence.
